Annual Return.

Court of Ordinary, Gwinnett County Georgia:-
To The Hon. L. G. Robinson, Ordinary of said County:
First and final Return of J. A. Perry, Guardian for Robert McDonald:

The undersigned guardian received from the estate of J. M. Jacobs, who was at the time of his death on on the 12th day of October 1910 Guardian of the said Robert McDonald and Louise McDonald, his sister. The sum of One Thousand nine Hundred and Two and 4/100. (1902.04) Dollars, half of which belongs to Robert McDonald.

Other than this amount received from the estate of the said J. M. Jacobs, there was no property belonging to said Robert and Louise McDonald except three shares of stock in the Bank of Lawrenceville and one colored tenement in the rear of the residence of W. T. Sanner, Lawrenceville, Ga. Three dividends have been received on said stock and a rental of $2.00 per month for said tenement as will hereinafter appear.

The said Robert McDonald has reached the age of Twenty One, and a final and complete settlement has been made with him as will hereinafter appear.

In pursuance of an order granted by the Court of Ordinary of Gwinnett County, board has been paid for said Robert McDonald in the sum of Ten Dollars ($10.00) per month for fourteen months from Oct. 12th, 1910. to December 12th, 1911. same paid to mrs. Lou Jacobs, his Grandmother. And the same order allowing encroachment on the corpus of said estate, the undersigned was granted authority to purchase a mule for Robert and Louise McDonald in accordance with reasons and necessities therein recited. Since the purchase of said mule, Robert McDonald exchanded said mule for a certain other mule with one Ross Craig, receiving a difference of $50.00, which sum of 50.00, was expended by Robert McDonald.

Since his arrival of age and admitting his error in making said exchange of mules, he has agreed and so authorized the undersigned to charge his estate with the entire purchase price of said mule, which is done in this return and which he agrees to. said mule so taken in exchange was sold for the sum of ($50.00) at the direction of

Robert McDonald.

Another item of debit is $7.75 received from J. P. Webb, former Ordinary of said County, being a correction of an error in a charge of his for costs due him incident to the administration of the estate of mr. and mrs. L. F. McDonald, Father and mother of said Robert McDonald, which costs was allowed paid by an order of the Court of Ordinary in view of the fact that it was the only debt against said estate at the time, and but for being paid in this way, the necessity of an administrator on both of said estates would have been imperative and at the same time would have forced the undersigned to have administered a part of the funds taken over from the estate of J. M. Jacobs, as representing the estates in part of the said mr. and mrs L. F. McDonald.

As will be seen from the amount hereinafter charged, that more than the undersigned has been paid said ward and on account of an order of the Court of Ordinary the undersigned undertook to distribute the amount of $75.00 per year to said ward, but it seemed that it was inadequate to his demands and needs and in the aggregate this amount was exceeded to some extent and the undersigned prays that same be approved by the approval of this return, all the amounts being admitted by said ward and being paid to him at his urgent instance and request.

The vouchers herein covered board to mrs Lou Jacobs, Ordinarys costs incident to this Guardianship, costs due John P. Webb. and the taxes of Gwinnett County for the years 1910 and 1911, are all filed with this return, but it will be necessary that one half of each item is charged to the said Robert McDonald and when a return is made for Louise McDonald, these vouchers will be referred to and made a part of her return from the fact that it is impossible to sever the vouchers.

First Return.

Court of Ordinary.
Gwinnett County.

To the Honorable, G.R. Robinson,
Ordinary of said County:

The first return of J.A. Perry, Guardian for Louise McDonald.

The undersigned guardian received from the estate of J.M. Jacobs, who was at the time of his death on the 12th day of October 1910 Guardian for the said Louise McDonald and Robert McDonald, her brother, the sum of Nineteen Hundred and Two and 4/100 ($1902.04) Dollars, half of which belonged to Louise McDonald and half to her said brother, Robert McDonald.

Other than this amount received from the estate of the said J.M. Jacob's, there was no property belonging to said Louise and Robert McDonald except three shares of stock in the Bank of Lawrenceville Lawrenceville, Georgia, and one colored tenement at the rear of the residence of W.D. Sumner in said town of Lawrenceville. Three dividends of 4% have been received on said stock and a rental of $2.00 per month for said tenements, half of which belongs to Louise McDonald as will hereinafter appear.

The said Louise McDonald, since the appointment and qualification of the undersigned guardian, has moved her home, which was made during December 1911 and now resides with a first Cousin of her Mother's, Mrs. C.A. White, of Memphis, Tennessee.

In pursuance of an order granted by the Court of Ordinary of Gwinnett County, board has been paid, for the said Louise McDonald in the sum of $10.00 per Month for fourteen Months, from Oct 12th, 1910 to Dec 12th, 1911, Same paid to Mrs. Lou Jacobs, her Grandmother, and the same order permitting such

expenditure for board also provided for an encroachment upon the Corpus of said estate in the sum of Seventy-Five Dollars per year to be paid out in the discretion of the undersigned, and the undersigned was also granted authority to purchase a mule for Robert McDonald and Louise McDonald in accordance with reasons and necessaties therein recited. Since the purchase of said mule Robert McDonald exchanged said mule for a certain other mule with one Ross Craig, receiving a difference of $50.00, which sum of $50.00 was expended by Robert McDonald and since his arrival of age and admitting his error in making said exchange in mules, he has agreed and so authorized the undersigned to charge this estate with the entire purchase price of said mule, which was done and accounted for in the entire purchase price of said mule. Therefore, No Charge is made against Louise McDonald for her half of the cost of said mule as said order of this Court provided.

Another item charged to the undersigned in the sum of $7.75 was received from John Proctor formerly Ordinary of said County and being a correction of an error in the charge for costs due him incident to the administration of the estate of Mr. and Mrs. L.F. McDonald, Father and mother of said Louise McDonald, which cost was allowed by order of the Court of Ordinary in view of the fact that it was the only debt against said estate at the time and but for being paid in this way, the necessary of an administration

on both of said estates would have been imperative and at the same time would have forced the undersigned to have administered a part of the funds taken over from the estate of J.M. Jacobs, as representing the estates in part of the said Mr. and Mrs. L.F. McDonald.

As will be seen from the amounts hereinafter referred to and charged as credits for the undersigned, the undersigned has paid the said Louise McDonald more than provided for by said order providing for an encroachment on the corpus of said estate, for the reason that, while the undersigned undertook the distribute the sum of $75.00 per year to said ward, it seemed that it was in adequate to meet the demands of said ward, and in the aggregate it will be seen that this amount has been exceeded to some extent particularly the item of $8.00 to Rutledge & Clower for one trunk and the item of $37.00 cash on December 18th, 1911, for the reason that at this time the said Louise McDonald had made her arraugments to change her place of abode and was ready to go with Mrs. White to her home in Memphis, necessitating the expenditure of these amounts. The undersigned has also on two occasions sent $30.00 at each time to Mrs. White for necessary expenses, including clothing etc, making $60.00 in money paid her since going to Memphis.

It will be recalled by your Honor that these special items of expense going beyond the order providing for an encroachment on the Corpus of said estate that in each instance same was submitted to your Honor and approved accordingly, owing to

the Necessaties in each instance
It will also be recalled by
your Honor, that on Mar. 13th, 1912.
Fifty-Two and 50/100 ($52.50) Dollars
was invested by the approval
of your Honor in one-half of the
value of a share of stock in the
Bank of Lawrenceville, Lawrenceville
Georgia, Said Robert McDonald
having attained the age of
twenty-one years and being
sound with in fact and being
very desirous of realizing on his
half interest in three shares of
stock in said Bank of Lawrence-
ville, the undersigned purchased
and in accordance with your
Honor's approval, said half
interest at a Cost of $52.50, paying
the said Robert McDonald
said sum for his interest in
said one share of stock, which
amount is referred to hereafter
as voucher No 18. So that the
said Louise McDonald now has
two shares of stock in her indi-
vidual right and owership in said
Bank of Lawrenceville instead
of one half interest in three
shares.

It is respectfully shown to the
Court that the said Louise Mc-
Donald is now a little past the
age of eighteen years, and at
an age in life where she should
be fitted for some work such
as will provide her an income
in later years and it is the
opinion of said ward as well
as her relative, Mrs white
above referred to, that she
should spend the necessary
money incident to taking a
Course in some business College
in Memphis, such as may be
selected by her said relative
and said ward. It is estimated
that the cost of such a course

is $100.00, this to include all necessary expenses in the way of tuition, etc, and account allowed for extra expenses in the way of clothing while taking such a course.

Your petitioner further shows that on account of said Louise McDonald now residing in a large city and a greater requirement existing in the way of expenses for clothing and other necessary expenses incurred in living in such a place, that $75.00 a year for clothing and other actual necessaties is insufficient. And the undersigned believes that it will take at least $120.00 per year to pay such expenses including everything necessary to living there, except board, for which no charge is made on account of the interest and kindness of said Mrs. C.A. White.

The vouchers herein referred to as having been filed with the return of the undersigned as Guardian for Robert McDonald are not attached to this return, but are referred to by Number in the return for said Robert McDonald and when so referred to, each of said vouchers are made a part hereof and included herein for all purposes, it being impossible to account for the said Louise McDonald's expenses, by vouchers this particular otherwise.

In person appeared before the undersigned, J.H. Perry, Guardian for Louise McDonald, who being duly sworn says on oath: That the amounts received as shown in the returns in the foregoing and the amounts paid out as shown in the returns in the

in the foregoing and the amounts paid out as shown by the vouchers hereinbefore recited, represent a correct statement and show a correct return of all the money received and belonging to the said Louise McDonald, and also show all of the money paid out by the undersigned to the said Louise McDonald and in accordance with the orders from this Court.

Deponent further swears that the recitals of fact given, showing the necessity for the expenditure of amounts in excess of the amount provided by law to be paid in instances of this kind are true and an order is prayed approving same accordingly.

Deponent further swears that on information and belief, considering what appears to be the best interest of his said ward, as well as the wishes of said ward and her relative, the said Mrs. Mrs. C.A. White, who is giving said ward a home with her and making no charge for board, that the undersigned should be allowed to spend the $100.00 above referred to as being necessary to take a business course and other expenses incident thereto, and prays an order of this Court providing that same be done.

Deponent further swears that in view of the change of homes of said ward, now residing in a large and expensive city, that it is necessary, even considering the small amount of the estate of said ward, that he be allowed to spend as much as $120.00 per year for clothing and other necessary expenses in the

of living, except board.

Wherefore the undersigned prays that same be allowed and accepted, approved and filed as by law made and provided.

Balance $4442.72

The difference between the debits and credits as above shown represents the amount of money in my hands as executor of the will of W.G. Jacobs, deceased, at this time. I know of no other outstanding debts against the estate of which I am executor except cost in Ordinary's Office. The lands of said deceased

were sold on the first Tuesday in November 1911, the terms being as follows: half cash or within thirty days thereafter and the other half due twelve months from date draming eight per cent interest from date of sale; possession of lands given to purchaser not later than January 1st 1912. bond for titles were given each of the purchasers wherein I obligated myself to make a deed in accordance with the bond when the other half of the purchase money was paid. All of the notes taken for cash payment drew a little interest. I required the purchasers to pay on their purchase price eight per cent interest from date of sale to date of payment.
The lands of said deceased were surveyed in four separate tracts. A plat of the same was made by the County Surveyor and filed in the office of the Clerk of the Superior Court of said County, wherein each lot is fully described. The Langley lot was sold to Booker Johnson for $2500.00; the home place was sold to J.J. Moore for $2300.00 the Tom Jacobs place was sold to M.J. Summerlin for $2925.00, the last place was sold to J.P. Johnson for $3025.00 - all aggregating $9750.00 half of which or $4875.00 was due on the date of sale. It will thus be seen that $31.61 interest was made on the first payment. I have no other property of any character whatever in my possession or control and I know of no other property belonging to the estate of said deceased except said balance and said purchase money notes taken for the deferred payments of said land

by said purchasers.

In Mr. Jacobs will in item 5 thereof, he refers to a building lot in Washington County, State of Florida, 22 by 165 feet, wherein he stated that he had recently received title to the same. I have never been able to locate this property. I understand it is in a section of Florida which is absolutely worthless. I got into communication with the receiver of tax returns for the county of Washington, State of Florida, in 1895 in reference to this lot. he wrote at one time it was assessed as unknown and later on I ascertained that the party or parties who promoted the St. Andrews Bay & Railway Land & Mining Company broke and that this company went to pieces and that they were selling something they didn't have and what they were trying to sell, including this lot, was worthless. It appears to be a scheme on the part of some promoting scoundrel to fleece money out of the people, at any rate I have never become in possession of such Lot and can not locate it except I am informed that it is in a section where the property is of no value. If it is worth anything it is doubtless claimed by others who if possession was obtained of said property doubtless have a prescriptive title against Mr. Jacobs deed.

It will be seen from this return that a balance is left in my hands after paying all outstanding debts and obligations, so far as I know, of $4442.72. This sum is to be

deducted to the extent of my Commissions on paying out the amount of the about indebtedness, say, I take $135.72, the two items of Commissions in the credit Column from the $4906.61 in the debit Column which leaves $4770.89, on which (for paying out same only, as I have already credited self for Commission for receiving same) I am entitled to Commissions which makes $119.27, Taking this $119.27 from the balance reserved to of $4642.72 leaves in my hands net for distribution $4523.45. This amount is to be divided equally between the two sets of Children; that is to say One-half goes to Tom Jacob's heirs and the other half to Cora Laughlin's heirs, or $316.72 to each Set. I am, therefore, due each one of the four living children of Tom Jacob's $432.34 and also due the only surviving child of his dead daughter and for her father each one half of this sum or $316.17. The other half of said sum going to Cora Laughlin's Children, I as executor of the will of W.S. Jacob's, deceased, am due myself as trustee of the Children of said Cora Laughlin, deceased, and will pay the same over to myself in such Capacity, accounting to them therefor according to the terms of the will and as provided by law.

On April 3rd, 1912, as the executor of said will I paid to myself as trustee of said Cora Laughlin's Children the sum of $316.72 as aforesaid, depositing the same to my Credit as trustee in the Bradford Banking Company and receipting myself as executor, accordingly which is shown by voucher No 19. On March 12th

1912 through their attorney, M.D. Irwin, Esquire, and my brother J.M. Brand, at Lawrenceville. I paid over the said $216.72, belonging to the heirs at law of Tom Jacobs, deceased, or their half of said funds as aforesaid, paying to Ida Brooks, W.E. Jacobs, Leila Jacobs, and May Jacobs, as shown by their receipts therefor, being vouchers No 13 to 16, inclusive, hereto attached, each the sum of $432.34, and also paying to M.B. Bruce, guardian of Odessa Cryce and to Hugh Cruce $216.17 as shown by their receipts therefor, being vouchers nos. 17 and 18 hereto attached. With these payments to the two sets of children, as aforesaid, and the other items disbursed as aforesaid, there is nothing left in my hands up to this return belonging to said estate or said children, except the purchase money notes for half of the proceeds of the sale of said land, which do not mature until next fall.

Georgia, Thomas County:-
To the Honorable G.G. Robinson, Ordinary of said County:-

The undersigned has fully administered the estate of the said J.M. Jacobs as contemplated and provided for by the terms of the will of said deceased; and there being no real necessity for continuing the administration longer, this return is made now and Mrs. Lou Jacobs, mother of said deceased, being the sole legatee under said will, it will be of much less trouble to turn over some amounts due said deceased to the said Mrs. Jacobs and let her proceed for the collection of same as sole legatee and trustee as well of the said J.M. Jacobs.

The undersigned handled everything pertaining to the collection and conversion of said estate as to him seemed best and while it is unfortunate that there is no more left going to said deceased's said mother, it is true as a matter of fact that the property turned over to her represents a cost of quite a little sum.

The undersigned has sold all of the real estate owned and controlled by said deceased it being necessary to do so to wholly liquidate the indebtedness of said deceased and while it would appear from a casual inspection that the property sold very cheap in some instances, yet upon investigation it will be shown that the property all sold for a fair value barring one possible

exception. For instance, the 800 acres of land owned by said deceased deed to which was held by G.W. Clower to indemnify him against loss by reason of being surety for said deceased in the sum of approximately $4000.00 was sold for $2400.00. This land is in a mountainous section of Gordon County Georgia, being in the North-eastern Corner of said County, near Ranger, Georgia, and very close to the L&N Railroad. But at the time of said deceased coming into possession of said property, it was valuable for saw timber and at the same time he bought said land he sold timber rights for five years time to the Cartersville Lumber Company, Cartersville, Ga. for the same price that he paid for the entire tract of said land, to wit:- the sum of $6000.00. With it the right to have five years to take all saw cross-tie lumber from said land. The payment for said timber rights was made within two years time after a sale of same was made to said lumber company; So the land as a matter of fact only cost said deceased the interest on $6000.00 for the period of two years or $960.00. So it will be seen that even counting interest on said $960.00 for three years time subsequent to the time of receiving said payment for same, the sum of $2400.00 is more than 100% profit on the cost of said land to said deceased.

The home place occupied up to a short time before the death of said deceased on Perry St. in Lawrenceville was sold to A.D. Green of Law-

rencville, Ga" for the sum of $3202.00. This place was extensively advertised, for some time after the death of said deceased, and so far as was ever known by the undersigned the purchaser was the only party at all available as a purchaser for said property.

The place occupied by said deceased during the summer preceding his death on the 12th of October 1910, a mile east from the Center of Lawrenceville, containing 46 acres a a fraction, was sold to J.R. Martin for $4200.00 This gave a profit of about $200.00 above the cost of said property the land alone costing $3500.00 no part of which has been paid at the time of the death of said deceased. This indebtedness for said land, together with about $4000.00 above referred to, secured in part by the indorsement of G.W. Clough, and the sum of $1902.04 said deceased was due as Guardian for Robert and Louise McDonald, besides other large and numerous obligations as appears hereinafter set forth, made it necessary to sell all of said property.

The said Mrs. Jacobs has received from the undersigned as said legatee eighteen shares of stock in the Lawrenceville Oil & Mfg Co., Lawrenceville, Georgia, which cost said deceased $140.00 per share some twelve months previous to his death, and in addition to this a note against G.E. Webb, who is now with the Fourth National Bank, Atlanta, Georgia, in the sum of $538.50 with interest thereon from Nov 3rd 1908

At the rate of 8% per annum. In addition to this Mrs. Jacobs will receive something about $300.00 from D.M. Byrd, attorney, on notes, same growing out of notes turned over to said D.M. Byrd by said deceased some time shortly before his death. Something like $400.00 in amount was paid by Byrd on said collection so turned over to him by said deceased in favor of the Laurenceville Guano Co on indebtedness against said guano Co in favor of the Bank of Laurenceville during the year of 1910. Other than the property just recited there will be practically nothing left of said estate going to said beneficiary. Also One lot in Hobart Oklahoma, but is now of very little value. Initial Cost of about $75.00.

At the time of the death of said deceased, he owned a three-fourths interest in the entire stock issue to the Laurenceville Guano Company, amounting in the aggregate to $6200.00, the other One-fourth being owned by Albert Strickland, Cartersville, Ga. Said Guano Company was indebted to the Bank of Laurenceville in a sum of about $4800.00 and had twenty-seven shares of common stock and twenty-five shares of preferred stock in the International Agricultural Corporation of New York City, which was sold on the approval and suggestion of Albert Strickland, as well as the approval and judgement of the undersigned, for the sum of $4500.00 which amount derived from the sale of said stock plus the collection of said D.M. Byrd and the sum of $575.40

from A. Wilson, Dacula, Georgia being the sum due by him to said guano company, and besides two dividends received on said stock from the time of the death of said party up to the time of the sale of same, all added together and applied to the indebtedness which was due by the Lawrenceville Guano Company, left a balance of $21.81, one-fourth of which belonged to Albert Strickland as above recited and the other $7.21.84 is charged to the undersigned as a debit representing a part of the estate of said deceased. I make this reference to the said Lawrenceville Guano Co. for the reason that, while it was not necessary in point of correctness, yet it may be of interest to some-one interested in said estate to know of the disposition of said stock as well as the application and disbursements of the proceeds thereof. It will be understood that before a division of the said $7.21.81, balance on said stock, that there was an expense account deducted therefrom, in favor of Albert Strickland incurred in making several trips to New-York City in the interest of said Guano Company. Said expense account amounted to $1.79.60.

It will be noticed in voucher No 32 in the return hereto that the sum of $340.66 has been paid the said Mrs. Lou Jacobs as legatee under said will. Said payment being made during the year of 1911 being necessary to provide in some way to defray

the expenses of necessaries of life, the undersigned assumed the responsibility of making said payment to said Mrs. Jacobs, notwithstanding it was very indefinite as to whether said Estate would be sufficient to authorize the payment of same when so made. It might be said in this connection with reference to the said Mrs. Jacobs interests growing out of said Estate that at that was no dividend paid on said stock so turned over to her during the year 1911 but since said year the business of said Company has been more prosperous and the income from said stock together with about $300.00, that it can be safely estimated she will receive from the said Dom Byrd, will be sufficient to provide an income for the said Mrs. Jacobs during her life.

At the time of the death of said deceased, the undersigned and said deceased had a three years unexpired lease on a farm belonging to R.N. Robinson, about two miles from Lawrenceville, on the Loganville public road. As appeared possible at the time of said deceased death there would only be corn and fodder and other feed stuffs coming from said place in the way of rent, the undersigned having no means of using same other than to feed and the said Mrs. Jacobs having an immediate use for same, gave over his interest in said lease to the said Mrs. Jacobs and during the year of the death of the said deceased as well as the year 1911, there was quite a little sum in

excess of the rent paid for same derived from said farm. That will also be handled and controlled by the said Mrs. Jacobs as sole legatee under said will and she will be entitled to whatever amount there may be in excess of the rent derived from said place during the year 1912, which year is the last year of the life of said lease.

The receipts and disbursements of said estate appear as follows:-

This pays out the estate in full and leaves nothing on hand.

The record of the first return is incorrect. It shows amount received $206469. See page 62 book "19" of Ordinary's office. It will be observed from adding up the amounts there put down that it amounts to considerably less than this and there is an error in recording this return. As a matter of fact this return showed show received $2068.66, made up as follows:-

J.P. Austin	100.00
J.P. Austin	101.10

The amounts paid out as shown by this return is correct. If this is followed up through the next return as to amounts paid out as therein shown, and commissions taken out of $98 53 it will be seen that the estate is then due the executors 49 cents instead of the executors due the estate 54 cts as shown. Since that time the returns is correct.

The two hundred dollars due Maud Downey while she was a minor, and which was placed in the bank as shown by former return was paid to her after she became of age on the 1st day of August, 1910. This receipt is herewith filed along with this return in order to shows this amount properly paid.

Encroach

Georgia, Gwinnett County:-

To L. G. Robinson, ordinary of said County:-

The petition of J. G. Roberts respectfully shows that your petitioner is the duly appointed

guardian of Charlie, Dea and John Henry Thornton and that the corpus that he has in his hands belonging to said wards for the interest arising therefrom is entirely insufficient to meet the necessary expenses on said wards, such as clothing, schooling, books in order to educate them as they need and the betterment of maintaining said wards, that it would take one hundred dollars to meet this difficiancy. Petitioner is the grandfather of said wards and has them in his custody therefore takes all the precaution on the expenditure of said wards to preserve the corpus. Wherefore, petitioner prays that he be allowed to encroach on the corpus of said wards to the amount of one-hundred dollars, for the above stated purpose.

"Annual Return"

First and final return of O.A.Nix, Administrator of the estate of John A. Duncan, deceased.

Jan. 7th "1913. To amount received from sale of land. $500.00

The land was the only asset of this estate to administer, all other property, which was of a personal nature, having been set aside in the twelve months support to the widow and minor child.

"Credits"

Jan. 7th "1913. By amount paid Mrs. Alma Duncan, widow of deceased on her twelve months support, and in full of the amount set aside to her as shown therein, except the personalty. Vou 1. $50.00

April 8th "1913. By amount paid G. G. Robinson, Ordinary, Vou No 2. $35.00

April 8th "1913. By amount paid News-Herald, Vou 3. $1.00

Total paid out. $58.00

There were no debts, except what the widow has paid, and she purchased the land at $500.00. Out of this amount she paid me sufficient funds to pay the items represented by the three vouchers, and the Admrs. Commissions and in reality said widow only received said amount of $500.00 less said items, which was done by agreement with her and by her consent and request, which explains the apparent error of having paid out more money than received.
