R. fare and other necessary expences that in Order to save the estate petitioner got all the heirs who were of age. to acknowledge service on this application which required some. time. Petitioner shows that in looking after these claims. attending court and other extra services connected with the administration of said estate he has had to loose at least Ten days time for which he should be allowed extra compensation that based on a reasonable sum per diem for petitioners actual time he should the sum of fifteen Dollars for this extra work. petitioner shows that in addition to the above the estate under that will has to be kept together during the life of the widow and this necessarily requires extra work that the estate is small and petitioners entire commissions at the usual rate will not exceed $36.00 aside from the real estate which will not be sold until the widows death.

Dear. Sir:

Cooledge, deceased, who on oath says the below statement of receipts and division of said estate, is correct to the best of his belief. That at the time of the death of N.F. Cooledge there were five heirs, the widow Mrs. H.H. Cooledge who died during the past year and that he F.J. Cooledge is Executor of her estate; the oldest son A.F. Atlanta, Ga. Feb. 8 - 1908.

To Judge John. P. Webb Ordinary
Gwinnett County Lawrenceville Ga.

This is to certify that each one of us signing this paper has received of F. J. Cooledge administrator of N. F. Cooledge deceased $2155,63 in full for our claim against said estate and that you are hereby authorized to release said F. J. Cooledge from any further sevice as administrator. We also certify that there were only five heirs at the time of the death of N. F. Cooledge viz:
Mrs. J. H. Cooledge the widow.
Aurelian F. Cooledge the oldest son
Frederick J. Cooledge the youngest son
Georgia A Gable the only living daughter
Lillian E. McDaniel the only child of Julian E. McDaniel the youngest daughter the only one that was dead at the time of the death of N. F. Cooledge. That F. J. Cooledge is Executor now of the estate of Mrs. J. H. Cooledge and executor of the Estate of N. F. Cooledge both of whom died since the death of N. F. Cooledge. The reason that Miss Lillian McDaniel gets more than either of us is that she declines to share in the living expences or the funeral expences and burial expences of her grand mother Mrs. N. F. Cooledge or in any way to help carry out the will of her grandmother.

Georgia Gwinnett County

To the Hon G.G. Robinson ordinary of said county the petition of J.A. Fowler respectfully shows, 1 that he is administrator with the will annexed of the estate of William C. Williams, deceased, 2 That the will of said deceased was probated in common form and petitioner appointed administrator with the will annexed. 3 That after this certain of the heirs at law called on petitioner by notice to probate said will in solemn form and forced petitioner to do so in order that they might file a caveat to the same 4 That petitioner thereupon as he was required to do offered said will for probate in solemn form to which a caveat was filed; that the case was pending in court for several months and petitioner was required to go to considerable trouble in getting up witnesses and also in attending the Ordinarys Court at Lawrenceville for several days petitioner shows that the case was finally settled in a satisfactory way to all concerned and the will set up. 5 petitioner shows that his work in preparing the case for trial getting witnesses and attending court was extraordinary work and out of the usual course of an Ordinary administration. Wherefore petitioner prays an order of court allowing him the sum of Ten Dollars for this extraordinary service.

J.A. Fowler

Gwinnett Court of Ordinary Mch 18-1909.

Upon reading and considering the above application for extra compensation and it appearing that the amount asked is reasonable and should be allowed considering all the circumstances. it is therefore ordered that said administrator be and he is hereby allowed said amount of Ten Dollars as extra compensation as prayed.

The above amount shown to be on hand, with the exception of a third of one of the Seven Shares of said estate, will be paid out right away. This return has been delayed for sometime, expecting to be able to close the estate with one return, owing to great difficulty and time in locating all of the heirs of said deceased. Six Children of Mrs. Mary Ann Barker, who was Miss Bogby before her Marriage, have been located in Texas and Oklahoma and Settlement has been made with them for most of the amount due them. A Number of Minor Children of Mrs. Sallie Pass, who was a daughter of Elias Bogby, living in Fayette County, Georgia, have so far failed to have a guardian appointed. Besides this, there are some amounts in Notes which have not been Collected, and unless

Collected very soon, will be disposed of as provided by law.

I have found the heirs of said estate to be as follows; W. J. Bogby. B. C. Bogby. Mrs. M. C. Pirkle, Mrs. E. J. Beam Mrs. N. M. Scales. heirs of Elias Bogby, deceased and the heirs of maryann Barker.

Georgia, Gwinnett County. The within and foregoing return sworn to and Subscribed before me, this the 26 th of Feb-1910.

A. J. Pounds, admr. of the estate of Wm. Bracwell, decd. in dcct with said estate.

Dr.

To amount brought forward from last return filed in the premises, same being filed August 28th, 1909 to balance of Cash on hand $174.04

A. J. Pounds, admr as aforesaid, files the following:-

The landed estate belonging to said decd was first sold by the heirs at law to their brother, J. A. Bracwell for $1700.00. All of them made deeds to their interest in said land to said J. A. Bracwell with the exception of Miss Mattie Lou Bracwell, who declined to do so. Miss Mattie Lou Bracwell one of the children and heirs at law of said decd. entered into a written contract with the said brother, J. A. Bracwell, for the sale of said property and recd from him the sum of $50.00 as a part of the purchase money, and afterwards declined to make him a deed. The said J. A. Bracwell desired very much to have his titles perfected and an admrs deed, and since that time an application and an order for the sale of said landed estate belonging to the said decd was duly and legally granted by this Honorable Court and said land was sold by this admr at admrs Sale on the first Tuesday in Oct. 1909. The property of said Sale brought $2100.00 the same having be purchased by the said J. A. Bracwell. The said J. A. Bracwell, of Course, was entitled to the proceeds of said sale he having purchased the interest of the heirs at law. All of the heirs at law have now been settled with. Miss Mattie Lou Bracwell as well as the rest, she having executed and delivered to this admr her receipt for the same and her interest in the sale of said land was $228.34. March 1910. See voucher to this effect, which is marked Vou. #1. As will be seen from the records in former return, Mr. David Singleton's estate had a judgement lien against said land in the sum of $332.25. which lien was paid off.

out of the procuds of the Sale of said land.
Since the last return Mr. pounds. the
admr. as aforesaid, has paid out the
following amounts, in addition to the sum
paid to miss Mattie Lou Bracewell:-

All of said vouches are herewith filed and this admr prays the honorable court to allow same.

He futher that he has on hand a balance of $100.25. On acct of contract of the heirs at law with the said J.A. Bracwell will the actual money collected by him amounted to only $2132.58 and he has paid out $2031.33, but as a matte of fact and right he is entitled to a commission of the Sale of the said land on the distribution of the same of $2100.00, and this would leave the estate indebted to him in the sum of about $35.00 But this admr, does not ask for a Judgement for the same. He shows to the court that he is entitled to a commission out of the sum he collected in the sum of $442.72 from notes and accts that he paid out and the procuds from the sale of said land, two and a half per cent for collecting and two and a half per cent for paying out, which he prays may be allowed. He prays that this amount, a balance due on his hands be allowed him for his services, respectfully showing to the Court that he has been at a considerable trouble and inconvinience and expense and loss of time in adjusting and winding up said estate. Wherefore, this is filed as his final return, and he futher prays that he be discharged in terms of the law as admr of said estate.

Returns

Supplemental Return by J. M. Jacobs, administrator of the estate of L. T. McDonald, decd.

The return made by said administrator on July 1st 1910 is not full and complete, for the reason that one item of property was omitted from the assets of said estate as well as there being a debit that should have been charged and which debit is accounted for and explained herein. At the time of the death of said decd there were four heirs, consisting of his wife, who departed this life very soon after his death, and three children. Robert, Louisa, and Edna. the latter also now deceased. Said Administrator is the uncle of said children, being a brother of their mother and being unmarried and their being only said children and his mother as his heirs. in case of his death before fully administering said estate. and having that of the property in his hand as administrator. both for said decd as well as his sister. as well as his own property, that it would all go in the end to said children and his mother. In case of the death of said administrator before said heirs. consequently a strict observance of the law bearing on the winding up of estates was not had. For a long while before the death of either of said decds said administrator has contributed in various ways, of his own motion. to the necessities of the family of decds, not from actual necessities. but bearing the relation to the heirs he did and does. incured such expenses, and on the death of both the parents, knowing the estates of both were insufficient to support said children in the way of revenue, said administrator undertook. and did care for said children just as if they were his own and in such manner as he believed and now believes their parents to approve.

Consequently said estate has been managed as in the wisdom of said administrator.

he thought best, and the expenses have been incured for said children as will here in after appear. in the same manner. and on account of the amount left in this estate after paying out the amount already set fourth in the original return. only the charges for expenses of Louisa Mc Donald are charged in this return. It will also be notified that in neither of the returns of said estates any charge has been made for the maintenance and support of Edna Mc Donald, who lived four years after the death of her parents. for the reason that it would be well nigh impossible to say definitely with any degree of certainity what sum was expended for her and for the reasons herein before set out. touching the relation of the two surviving children and the administrator herein.

Said administrator. as will here in after appear. makes a charge of $150.00 per year for two years and of $200.00 per year for the maintenance and support of Louisa Mc Donald. covering all expenses in the way of food and clothing. all incidental expenses in School. including music from time to time. This sum could be correctly added to and enlarged, but considering the fact that the only instance in which the amount could be of any interest to her, being in a proper division between she and her brother. Robert Mc Donald and a charge having been made against his interest in said estates in the return I this day make of his mother's estate. being on an equality in the way of fairness between them. the amount is named as appears. To-

which amount taken from the total sum in my hands belonging to said estate leaves a balance in my hands due said estate of — $459.54

Said administrator prays that the fore going return in its entirely be accepted. filed and approved. no charge is made or rather item made in footing up the legal charges against said for commissions due said administrator, on account of the reasons given heretofore. bearing on the relations of the hiers of said estate and this administrator. Other than the real peice of real estate herein referred to said dec'd owned a peice of land in the rear and immediately adjacent to the home place of Mrs Lou Jacobs home place. at the time of death of deceased and owing to the necessity of disposing of same for the purpose of paying debts and expenses properly chargeable to said estate it was sold and was accounted for in the original return for said dec'd. estate.

It is also true on account of the many reasons here in before recited. that no guardian has ever been appointed for either of the children of said dec'd. and it would have been a useless expenditure of money in incurring the necessary cost incident thereto.

Georgia Gwinnette county:
personally came before me John. M. Jacobs the admr. hereinbefore named who being duly swom. says on oath that the foregoing supplemental return is just. true, and correct.

Return no 1- by John. M. Jacobs.
administrator of the estate of Miss Sallie McDonald
The decd left three minor children. as her
sole heirs. This administration being the
only other living issue of the marriage of
decd parents. her brother. and un married
with only his aged mother with said
children of deceased to wit: Robert. Louisa.
and Edna McDonald. the latter now decd
as his sole heirs. and knowing that
not only the amount in his hands as
such administrator. but as well as all
his own property. would and will. in
the end. go to said children now living
of decd. Therefore. for the reasons set out
in the supplemental return by this ad-
ministrator for the estate of L.F. McDonald
decd. the fathers of the children herein
referred to. said return in the matter of
explanation of a lack of full observance
and enforcement of the law in a dis-
charge of his duty as administrator
is hereby referred to. and for the
purpose of explanation. in this instance
is hereby made a part hereof. This
administration makes the following
showing of his acts and doings as
such administrator. together with
the reference heretofore made to the
return of even date herein for the
estate of the said L. F. McDonald decd
deceased only had a half undivided
interest in the home place of said decd
which was all the real estate she was
seized and possessed of at the time of
her death. and it be coming necessary
to sell same for the payment of expenses
against said estate and division among
the heirs. it was sold for — $2600.00.

Total paid out. $1952.50

Which amount taken from the total amount recieved leaves a balance in the hands of this administrator belonging to said estate of — $1442.50

It will be seen that only the expenses incurred for Robert mc Donald is charged against this estate. as there was not a sufficiency left belonging to the estate of the said L. F. mc Donald with which to pay this expense herein. consequently and for the reasons refered to in the return for the estate of the said L. F. mc Donald only the expenses of Robert mc Donald is charged herein. Wherefore it is prayed that this return be accepted filed and approved. It will be seen that no charge is made against this estate for commission as allowed by law. neither is there any charge made for the maintenance and support of Edna mc Donald for reasons set out in the return for the estate of the said L. F. mc Donald. The foregoing comprises all the properly owned by decd at the time of her death.

Final Return of J.H. Britt, Admr.
of Mrs. M.A. Strickland.
To the Hon. E.B. Robinson, Ordinary
of Gwinnett County:-
The following comprises the full
administration, with exceptions
hereinafter noted, of the estate of Mrs.
M.A. Strickland. The following parties
have been found to be heirs entitled
to participate in the distribution of
this estate:- W.T. Bagby, B.C. Bagby, Mrs. H.C.
Pinkley, Mrs. N.M. Scales, Mrs. E.J. Bean,
brothers and Sisters of said deceased.
C.P. Baker, Mrs. Kate Wilkinson, Mrs.
Lida Adamondson, J.W. Baker, J.T. Baker,
are the following Children of Maryann
Baker, also a sista of said deceased.
who resides in Oklahoma and Texas.
and also Robt. E. Bagby, Wm. Bagby, and Lina
Bagby, Children of Elias Bagby and Children
Andrew, John, Robert, Bradson, and Hattie
Pass, of the ages of 16, 15, 12, 10 & 8 years respectfully
of Sallie Bagby Pass. decd. who was also
a child of Elias Bagby. Said Children
of Said Mrs. Pass. Resided in Fayette
County, Georgia and thus far it has
been impossible to secure any one
to take Charge of their one fourth of
one seventh of Said estate amounting
to $13X.63 and which amount is herein
after accounted for and is tendered in
money to your Ordinary of said Co.
to be held and distributed in accordance
with law as soon as some one is
legally entitled to receive said amount.
Thus it will be seen that there
are seven interest in said estate
and a distributive share of said
estate is $538.5X- Your Administrator
has converted into Cash everything
belonging to said estate, except
three Notes as follows: R.L. Pilgh's note
for $10.00 less certain credits thereon
dated Dec 23rd. 1904, Also Emory White's

dated July 20th 1901. Also Note of Monroe
Benson and T.D. Terry for $30.00 dated

Apr. 8th 1897. It has been impossible to secure anything on these notes and it the opinion of your admr that the same are absolutely worthless so much is deemed unwise to dispose of said notes as provided by law as the cost incident thereto would greatly exceed a sale of said notes. Consequently they are returned herewith as value in this return.

Linna Bagby of Buford, Ga. Keeps in touch with the minor children of Mrs. Sallie Pass and will doubtless secure someone to take charge of the amount herein referred to as belonging to said heirs.

All the real estate was sold for cash except the tract bought by J. W. This note was for money borrowed which the deeds gave to the undersigned and had the note made payable to the undersigned indivly in his lifetime, showing the same as a gift to him, but in the settlement with the heirs of said estate the undersigned has counted the same in as a part of the estate, rather than have any of the said heirs think or charge him with any unfairness in any way.
