1.

At the time of the execution of said instrument the said F. H. Sparks was not of sound mind and memory. Caveators say that said will was executed only a few days before the death of said deceased and that at the time he was very weak, physically and mentally, and was under the influence of strong opiates and did not know what he was doing and id not have any rational, fixed idea as to the disposition of his property, and caveators say that said instrument is not the will of said deceased, F. H. Sparks, and that at the time of the

execution of said instrument that he was not of sound mind and did not have sufficient capacity to make a will.

WHEREFORE, Caveators ask that said instrument be declared not to be the last will and testament of said deceased and that the same be refused admission to record and be decreed null and void by judgment and decree of this court.

That in conformity to the prayer of said petition the Judge of this court on the sixth day of July, 1915., appointed G. S. Kelley, John L. Brown; A. E. Ewing; N.S. Robinson; and W. H. Powell; to act as such appraisers, all of whom accepted the trust.

3.

Petitioner furthr shows that on the next day after their said appointment, towit, on on the 6th day of July, 1915, they set apart to hr and her two minor children then in life, five Hundred Dollars; and that said appraisers also set apart all of the household goods, furniture, etc., belongin the estate of said deceased, and which was not more than was necessary for the use of the family, and valued the same at one hundred and eighty eight dollars and twenty five cnts, and deducted that amount fromthe five hundred dollars, thereby only giving your petitioner three hundred and eleven dollars and seventyfive cents in cash for the said twelve months support for herself and her minor children. Petitioner is illiterate and wholly ignorant of the proceedure in the court of Ordinary and never so much as knew or heard of the publication of the citation calling upon her to show cause why the returns of said appraisers should not be made the judgment of the court, nor any knowledge of her rights, unddr the law, in reference to the allowance of a twelve months support to her and her minor children, nor of her right to object to the acts and doings of the appraisers, until several months thereafter, and after the same has been the judgmen of this court.

7.

Petitioner further avers that the judgment of said court is void on its face in that the report of the appraisers charged her and her two minor children for the household goods belonging to the estate as aforesaid, and made it apart of the twelve months support, whereas the law distinctly provides that a widow of a deceased husband shall have all the household goods, etc, necessary for the use of the family in addition to a twelve months support out of his estate, and that the same was illegally recorded and thereby made the judgment of the court.

Wherefore, petitioner prays that said judgment shall be set aside, upon the ground aforesaid, and that new appraisers to set apart a twelve months support to her and her three minor children out of the estate of her deceased husband,be appointed by the order of the said court. And that B. L. Patterson and A. T. Patterson, administrators of the estate of the said deceased, do show cause at the next term of said court why said judgment should not

be vacated and set aside in conformity to the prayer of this petition.

Petitioner's attorney.

"CITATION"

GEORGIA, GWINNETT COUNTY.

ORDINARY'S OFFICE, February, 7th, 1916.

Whereas, A. T. & B. L. Patterson, administrators of the estate of T. A. Patterson, late of said county, deceased, represents to the court in their petition duly filed and recorded that they have fully administered said estate, and seek to be discharged

therefrom.

This is, therefore, to cite all persons concerned to show cause, if any they can, why said petition should not be granted on the first Monday in March, 1916.

G. G. Robinson, Ordinary.

"CAVEAT"

In re: Application of A. T. & B. L. Patterson for discharge as administrators of the estate of T. A. Patterson, deceased. } In Court of Ordinary. Gwinnett County. March Term,1916.

And now comes Mrs. Hattie Patterson in her own right as widow ofT. A. Patterson, deceased, and as next friend of their three minor children, to-wit:- Gertrude; Thomas, and D. C. Patterson, and objects to the discharge of A. T. & B. L. Patterson as administrators upon the estate of said deceased upon the following grounds:

FIRST.

Because they have not fully administered the estate of said deceased, as alleged in their petition for dismission.

SECOND.

Because said administrators have never made any return, as such,to the court of Ordinary of said county, showing their acts and doings as such and the objector has no notice or knowledge of what monies arising from the estate of said deceased have gone unto their hands or the dispositions that have been made of them, nor opportunity to object to any illegal appropriation of any part of the same by themselves or in the payment of any legal indebtedness of the estate, and to whom and when paid and the amount thereof.

THIRD.

Further objection is made to the discharge of said administrators from their trust upon the ground that the application for the same is both fraudelent, and the only possible motive for making it is to defraud the objector and her minor children out of their just and legal interest in the estate of said deceased, T. A. Patterson.

The allegations therein contained, that they "have fully discharged all the duties of such administrators; that they have paid all the debts of their intestate, T. A. Patterson have turned over the residue on their books to the lawful heirs of T. A. Patterson"" is absolutely false, as said administrators have not turned over a single farthing from said estate to any natural or legal guardina of said minors, and are still in possession of all funds they may have received belonging to them.

The objector further avers that there has been no legal sale of the reality belonging to said estate; and that the purchasers at the pretended one made on the first Tuesday in February, 1916., to-wit:- John H. Britt, J. T. Fountain and Jule Oakes, have neither of them paid any part of their bid for the land belonging to same; and that they have been enjoined by Judge C. H. Brand, Judge of the Western circuit, from conveying any of the property bid off by them thereat to any person, in conformity to the pray of the bill filed by this objector in her own right and next friend of said minors heirs, in the Superior Court of Gwinnett County, in which said asle is attacted as fraudulent, and a dscree for setting it aside and directing a re-sale of the property is asked, and, therefore, there cannot be any final settlement made by the administrators until that litigation is ended and the exact amount of said estate is known.

The fact that said administrators pretend to have sttled the indebtedness of the estate, which they claim will consume it, and before receiving anything from the sale of the land belonging thereto is fraudulent on its face.

"FOURTH"

Objector further avers that this court itself has notice that the sale of the cemetery lot which was bid off by Jule Oakes was illegal and void, because the leave to sell the same, which was granted by it, was not advertised once a week for four weeks preceeding the sale thereof as provided by law.

"FIFTH"

Objector further avers that the application of these administrators for discharge from their trust without ever having made a single return to the Court of Ordinary, of their acts and doings in the management of an estate worth reasonably ten thousand dollars, is without precedent in history of probate courts in this state, and is so glaringly fraudulent that the act itself shocks all the moral sence of all law abiding citizens and would blacken the record of this court forever if it should be granted.

M. D. Irwin, Attorney for objector.

"CONTINUANCE"

GWINNETT COURT OF ORDINARY.

MARCH TERM, MARCH, 6th, 1916.

It is therefore ordered that the same be continued until the first Monday in April, 1916.

G. G. Robinson, Ordinary.

"WITHDRAWAL OF CAVEAT"

The within objections to the dismission of A. T. & B. L. Patterson,as administrators of the estate of T. A. Patterson, deceased, (or of the dismission of B. L. Patterson, A. T. Patterson having been allowed to resign) is hereby withdrawn,the real estate having been resold and all other differences having been settled by agreement, and the administrator having made his final returns to which no objection is made.

"PETITION"

STATE OF GEORGIA, GWINNETT COUNTY.

TO THE ORDINARY OF SAID COUNTY.

The petition of Oscar Brown a citizen of the United States, residing in said State, showeth that Tandy W. Brown departed this life on or about the day of 1893., a resident of said county, testate, leaving an estate of real and personal property of the probable value of Four Thousand Dollars; and that under the law it is necessary that said estate should be administered; that Petitioner is a son and heir at law od said deceased and a legatte under his will; that there is no Executor named in the will of said deceased and none has ever been appointed or qualified; that it is necessary for an administrator with the will annexed to be appointed on the estate of said deceased and wind up and administer said estate according to the terms and provisions of said will.

Wherefore, Petitioner prays an order directing that citation issue herein and published as the law rewquires; and that if no good cause be shown to the contrary, your petitioner be appointed Administrator, with the will annexed, of the estate of said deceased.

"ORDER FOR CITATION"

GWINNETT COURT OF ORDINARY.

DECEMBER TERM, DEC, 4th, 1916.

Upon reading the foregoing petition, it is ordered that citation herein be issued and published as required by law.

G. G. Robinson, Ordinary.

"CITATION"

GEORGIA, GWINNETT COUNTY.

ORDINARY'S OFFICE, DECEMBER, 4th, 1916.

Oscar Brown having in proper form applied to me for permanent Letters of Administration, with the will annexed on the estate of Tandy W. Brown, late of said county, deceased.

This is, therefore, to cite all persons concerned to show cause, if any they can, why said petition should not be granted on the first Monday in January, 1917.

G. G. Robinson, Ordinary.

"CAVEAT"

In re, estate of Tandy W. Brown, deceased. Application by Oscar Brown for letters of administration, with will annexed.

Gwinnett court of Ordinary.

January Term, 1917.

And now comes A. W. Brown, one of the heirs at law of said deceased, a son, and files these objections, or caveat, to the application of said Oscar Brown, on the following grounds, to wit:-

1.

Caveator shows first that said deceased sied in said county of Gwinnett, and his entire estate, consisting entirely of real estate, is situated and lying in said county of Gwinnett; that said Oscar Brown resides in the county of Banks, said State; that a ll of the children of said deceased, and all heirs at law and legattees under the will of said deceased, reside in said county of Gwinnett, except said Oscar Brown.

2.

For the reasons set forth in the preceding paragraph said estate should be administered in said county of Gwinnett, and any litigation that might arise in said county of Gwinnett where it would be convenient for all parties concerned to attend court; that if said Oscar Brown is appointed the sole administrator that any suit against the estate would have to be brought in the county of Banks, said State, which would involve great expense to the heirs at law and the estate in having to attaend trails in said county of Banks.

3.

Caveator further shows that the estate of said deceased is largely indebted to him, under said will, for services rendered the deceased during his lifetime and to his wife, the mother of said applicant and this caveator, for which provisions is made in said will; that a few days after the death of their mother which occured only a short time ago the said applicant acknowledged to caveator that he had a meritorious claim against the estate, and expressed the desire to him that he wanted him paid; that since that time the said applicant has become hostile to caveator relative to the meritoriousness of his said claim, and now claimes that caveator is not entitled to anything out of said estate for the services so rendered; that inorder to thwart from enforcing his claim against the estate, knowing that it would be am extreme hardship on caveator to attend court and litigate with saud applicant in the courts of Banks County, where applicants resides, may miles from where caveator resides ad a long ways from any railraod, said applicant and certain others with him, have adopted the plan of having said Oscar Brown appointed administrator, so that the effect would to be practically force caveator to give up and lose his claim against the estate, rather than go to the expense, time and trouble of litigation in said county of Banks.

Caveator is 55 years of age, and a cripple, his witnessees reside in said county of Gwinnett ; his wife and children, who are also witnesses, or will be witnesses, in said litigation, should it oocur, also reside here in Gwinnett; and it would be a hardship on him and them to leave their county, the county where the deceased lived and died, and where the estate

is located, and go into the distant county of Banks to litigate with said proposed administrator. This said applicant well known, and this is one of the reasons why said applicant seeks said administration.

4.

Said applicant is disqaulified from acting as such administrator for two leagl reasons:-

(a) He does not reside in the county where the deceased died and where is the estate is located.

(b) Said aplicant is now claiming an interest in said estate larger than his proper share, in that he is claiming to have at this time, a full share in said estate, without deducting from said estate, cavestors claim and debtagainst said estate, and therefore the interest he claims in said estate is more than he is legally entitled to.

Wherefore, cavestor prays that this caveat be sustained and that the application of said Oscar Brown be refused and that some other person, residing in said county of Gwinnett, be named as such administrator, or, that a co-administrator be appointed with said applicant, who is a resident of said county of Gwinnett, so that the sourts of Gwinnett, may have jurisdiction of said estate and all litigation arising therefrom.

O. A. Nix, Atorney for caveator.

"OATH"

Personally appeared A. W. Brown who on oath says that the facts set forth in this caveat, so far as they come within his own knowledge, are true, and that so far as derived from the knowledge of others, he believes to be true.

The heirs-at-law of Tandy W. Brown, deceased, all of whom are of full age, having made a full settlement with A. W. Brown, the caveator for his share in the estate and for his services in caring for, waiting upon and providing for their mother, in which settlement they having given him fifty acres of land of the deceased to include the old home place, and which

50 acres of land has been surveyed, platted and turned over to him by said heirs the within and foregoing caveat is therefore with drawn and dismissed. This March, 30th, 1917.

"ANSWER TO CAVEAT"

In Re: Estate of Tandy W. Brown, deceased.

Application by Oscar Brown for letters of administration with the will annexed.

Gwinnett court of Ordinary.

April Term , 1917.

And now comes the applicant Oscar Brown and answering th e caveat filed by A. W. Brown in the above matter says:

1.

Paragrahph 1 is admitted except applicant at this time resides in Gwinnett Coun ty and has resided here for two months and this county is now his leagl residence and permanent home.

2.

Applicant denies the allegations in paragraphs 2, 3, and 4 of the caveat.

3.

It nows appears that on March, 30, 1917, the attorney for the caveator, without the knowledge of the applicant or any of the heirs at law of said deceased endorsed the following on the back of said caveat, viz:-

"The heirs at law of Tandy W. Brown, deceased, all of whom are of full age, having made a full settlement with A. W. Brown, the caveator for his share in the estate and for his services in caring for, waiting upon and providing for their mother, under which settlement they have given him fifty acres of land of the deceased to include the old home place and which fifty acres of land has been surveyed, plotted and turned over to him by said heirs, the within and foregoing caveat is therefore withdrawn and dismissed. This arch, 30, 1917.

O. A. Nix, Atty. for A. W. Brown, Caveator

Applicant hereby expressly denies the statements contained above and denies that any settlement has been made with said A. W. Brown either for his interest in said estate or for any service he may have rendered his mother as it is denied that the estate is in any way indebted to him for any services rendered his mother. Applicant also denies that any fifty acres of land of said deceased has been turned over to the said A. W. Brown, and applicant hereby expressly denies that any settlement or agreement has been made as recited above. This applicant shows that he has been selected and requested by a majority of the heirs at law of said deceased to act as administrator with the will annexed; applicant also shows that he is a resident of said county; that he is qualified to act and ready to give bond and therefore prays that he be appointed as prayed in his original application and as set forth in this amendment.

And applicant will ever pray etc.

"CAVEAT"

IN RE: J. HARVE BENNETT, ESTATE.
CAVEAT OF MRS. JULIA A BENNETT
TO YEARS SUPPORT.

GWINNETT COURT OF ORDINARY.

APRIL TERM, 1917.

GEORGIA, GWINNETT COUNTY.

TO THE HON. G. G. ROBINSON, ORDINARY OF SAID COUNTY.

And now at this term comes Julia A. Bennett, widow of the late J. Harve Bennett, deceased, and referring to the return of the appraisers and the appraisement of the estate of said deceased, and setting apart a years support to the said Julia A. Bennett, as filed by the appraisers, to-wit:- J. P. Neese; S. J. Busha; and S. J. Pirkle, appraisers, as filed on the day of 1917,. by said appraisers of said estate, and files this her objection to the return of said appraisers as follows:-

-1-

That the return of the appraisers should not be received by this court nor recognised by it because when said appraisers were first appointed they appraised said estate andmade their return to the said court, and set apart to the said widow a years support, after which the appraisers rescinded that appraisement and return and then made an other return of appraisement and returned the same to this court, without the knowledge or information of this caveator.

-2-

This caveator knew nothing of the second return of said appraisers and setting apart a years support the second time. The first return of said appraisers set apart to the widow of the late J. Harve Bennett all the equity in the estate of said estate, after rescinding the first appraisement and return, the said appraisers set apart to said widow, a years support to the amount of Two Hundred and fifty dollars and subjecting the whole estate to all the outstanding debts of deceased,

-3-

In the event the outstanding debts covered the whole estate his widow would get no years support, and the return of the appraisers would be a nullity.

Wherefore said return being illegal and irregular and contrary to law, the said Julia A. Bennett, prays this Hon. Court to set aside the return of the appraisers, also to set aside the other order confirming the report of saidappraisers and place the said estate in the same position that it was before the said appraisers were appointed.

And further prays a rule be issued calling on the said appraisers, to-wit:- A. J. Pirkle, S. J. Busha, and J. P. Neese to show cause at the nest term of this court why said appraisement and order as prayed for should not be set aside and that a copy of this objection be served on them according to law.

"PETITION"

Georgia, Gwinnett County.

To the Ordinary of said County.

The petition of Mrs. Sallie Patterson, Guardian of W. H. Patterson, a minor, respectfully shows the following facts, to-wit:-

1.

A portion of the property belonging to said wards consists of 125 acres of land located on the Hurricane Shoals Public Road of said County and known as a part of the ols Wild McGee place; that said lands are and and can be used only for farming purposes and that in order to rent said farm lands out it is necessary to build a tenant house thereon, and without the building of said tenant house it will be impossible to have said farm cultivated and thus receive for her said ward the full benefits which should be derived from said farm lands. Also besides the erection of a teanant house thereon it is necessary to construct out buildings such as a barn and a lot fence and various necessary improvements of like kind to make the same useful for such purposes.

2.

Petitioner further shows that it will be necessary to expend the sum of $400.00 in making said improvements, but that by so doing it will greatly enchance said property and cause a larger income to be derived therefrom for her said ward.

Wherefore, she prays an order allowing her to encroach upon the corpus of her said wards estate whcih she now has in money to the extent of $400.00 to be used in making said improvements.

"DEFENDANTS ANSWER"

E. J. Stanley,
vs.
E. R. Hill.

Citation to show cause for comptempt. Ordinary, Gwinnett County, Georgia.

And now comes the defendant E. R. Hill and in answer to the petition served upon him, says:-

1.

Par. 1, of the petition is admitted, but said order was granted under the circumstances hereinafter related.

2.

Answering Par. 2, defendant admits that he has posted notices as alleged that after 30 days said road will be closed, but the remaining part of said paragraph is denied.

3.

This paragraph is denied.

4.

Further answering said petition this defendant shows that said alleged road was merely a farm orad of this defendant in going to and from various points in his farm and was not subh a private way or road as the law contemplates; that during the year 1916, defendant notified said plaintiff verbally that he would have to fix him a road on his own land and stop using this private way of the defandant as defendant desired to make a change in the same for the convenince of his farm work for another year; tht during the Spring of this year defenadnt made said desired change and done away with said private way as formerly used, said former way running at first one place and then another, and changing about from place to place,, and in many parts thereof there being no fixed or permanent road at all; that said way was so changed as stated by defendant in which the plaintiff acquiesced; that at the time of making said change said plaintiff had not fixed his own way and defendant permitted him to drive across plowed ground to the new opened way for hisown convenience, which plaintiff did so use; that during the month of May, 1917, and after said plaintiff had acquiesced in said change and after having used the same and diriven over the plowed ground for two or three months, defehdant and plaintiffs brother R. M. Stanley had a law suit growing out of another road which said R. M. Stanley and their two sisters were attempting to close to defendants use in which said law suit the plaintiff in this case took a very prominent part. Then it was that the plaintiff

instituted proceedings in this court to cause defendant to me made to remove the obstructions in the road now in controversy in which proceeding it was alleged that this defendant had closed saod road without having given the 30 days written notice as the law requires; that this defendant did not give said 30 days written notice, and as the plaintiff was trying to take advantage of this techincality, defendant consented to the order as mentioned in Par. 1, of the petition of this case, which was based solely on said techincal ground but was no adjudication of denfenant right to cloe said road; that in obedience to said order of the court this defendant went over said road and removed all obstructions which would in any way prevent one from travelingover same except he did not rake up and work out said road as plaintiff wanted him to do; that after he heard plaintiff was complaining about this, and claiming not to know where to drive at, and claiming that he was afriad defendant would prosecute him if he should drive through there and happen to get out of the road, defendant caused a communication to be made to said plaintiff stating to him that he could drive wherever he desired across said plowed ground and he would not interfere during the 30 days the notice had to run and would not prosecute him; that said plaintiff not being satisfied with this took a gang of hands and went into defandants cultivated fields with plows, wganon and mules and plowed great furrows from twelve to eighteen feet apart across his planatation, pulled up and distroyed defendants cotton therein, tore down his terraces, and otherwise bull ragged and ran over defeandant and his property by brute force, caring nothing himself for law or order, and took the law into his own hands, for which he will answer in the courts in the future.

In sptie of this treatement, defendant in cltivating his fields did not obliterite said furrows so run, but thought that if it was an satidfaction for enought of them to renain there as a mark of thw ay, he would do so, until the 30 days might expire.

Defendant further shows that there was no necessity for the plaintiff to use any way atall across his fields during the 30 days; that he only had about one-half cord of wood in the back part of his planatation to haul which he could have carried out through his own land that saince said acts were committed as setforth, the plaintiff, his servants and agnets, and his boys and a few od his partisan kinsmen, have driven through this alleged way and over this defendants fields with empty wagons, horse back, walking, especially where the ground is and going back and forth, just to show their manhood, as they would term it, and to try vex, w worry, and intemidate this defendant.

Defandant recites all these facts to show his absolute good faith in the matter; that he has not disobeyed the order of the court but has tried his best to comply therewith as he understood it, and to show that he has been treated by the man who now seeks to mulct him in costs and to have hin humilated by a judg ment of contempt of this honorable court, the sole purpose of the plaintiff in this proceeding being to humiliate this defendant and try cause him to pay out a large sum of money in court costs.

This defendant prays to be protected by this court from the unjust onslaughts and insatiate cravings of this venomous attack.

Wherefore, he prays to be discharged with his costs.

GEORGIA, GWINNETT COUNTY.

And now comes Mrs. R. B. Fortune, an heir-at-law of Austin Webb, deceased, and files this her caveat to the above stated application of said T. W. & A. A. Webb and object to their appointment as such administrators, and shows the following grounds for objection, to-wit:-

-1-

Said T. W. & A. A. Webb has not been selected in writing by a majority of those of nearest kin of said deceased and is therefore not entitled to administer said estate.

-2-

Your Caveator, Mrs. R. B. Fortune also an heir at law of said deceased has never been consulted nor given her consent as to whom she desires to administer said estate.

-3-

There was an understanding among the heirs at law of deceased that a meeting was to be had and an agreement reached whereby an administrator was to be selected and and understanding reached as to how, and when it was deemed best to administer same., This has not been done.

-4-

That there are two sets of minor children to be represented and Guardians appointed for same. That said estate is of the value of Ten Thousand Dollars and should not be handled by any one objectionable to an heir at law.

-5-

That your caveator is physically unable to attend Court at this time, yet anxious to have an administrator appointed and the estate settled up.

-6-

Your caveator therefore objects to the appointment and asks the court to defer same.

-7-

Wherefore caveator prays for a continuance.

"PETITION"

GEORGIA, GWINNETT COUNTY.

TO HON. G. G. ROBINSON, ORDINARY OF SAID COUNTY.

The petition of Geo. D. Rucker, guardian of Helen, Sarah, Hugh, and Susie Robertson, all minors, respectfully shows:-

1.

That said Helen and Sarah are 16 and 14 years of age respectively, and that it is necessary in order to prepare them for life that the properly educated, and they have no father or mother living, and the income from the little property belonging to them is totally insufficient for said purpose; that the income from said property is insufficient to furnish them food, or board, or clothing, and it is absoultely nedessary that the corpus of their estate be encroached upon in order to care and support them and to educate them.

2.

Petitioner doubts of the entire estate will give them a proper education, and would only be sufficient if not dpent for this purpose, to maintain them for a few years olny, and without education of some sort they would ne totally unprepared to make a living for themselves.

5.

Taht the sume of $10.00 per month each is reasonable for the board clothing and care of said Hugh and Susie, and he ask that the court this sum for their care and keeping during the timehe has had, and for such other or further or larger sum for the future should become necessary.

Wherefore, he prays that he be allowed to encroach upon the corpus of the estate of said minors for the purpose of paying: 1st: The actual expense of keeping Helen and Sarah in school as shwon by his return filed in this court, and such other future sums as is necessary for said purpose. 2nd: That he be allowed the sum of $10.00 per month for each for Hugh and Susie's board, clothing and necessary care as hereinsetforth, that is the total sum of $20.00 per month for both, and such other future sums as is actually necessary for thier proper care, support and maintenance.

G. G. Robinson, Ordinary.

Georgia, Gwinnett County.

To the Honorable Ordinary of Said County:

The petition of R. Z. Moore shows the following facts, to-wit.

1.

Your petition is the legitimate father and sole surviving parent of Lula May Moore, a female child of the age of six years, and Robert William Moore, a male child of the age of three years.

2.

Petitioner shows that now and since the death of their mother one Lula Baker, of said county, has held and is now illegally detaining in her possession and from the custody of your petitioner the persons of the said Lula May Moore and Robert William Moore, minor children of your petitioner as aforesaid, harboring and restraining the said children at the resident of the said defendant, in said county of Gwinnett.

3.

Petitioner avers that he did, to-wit, on the 14th day of November, 1917, demand the said children from the said Lula Baker, and endeavored to induce her to deliver to your

petitioner the persons of the said children.

4.

Petitioner avers that nevertheless the said Lula Baker fails, neglects and refuses to deliver said children to your petitioner as in duty bound.

5.

Petitioner shows that Lula Baker, the defendant, is the grandmother of said children, being the mother of said children's deceased mother, and the cause or pretense of her restraint of them is that they have been living in the house with her, together with their deceased mother, for about three years and for this reason she intends to keep them.

6.

Petitioner avers that said detention and restraint of Lula May Moore and Robert William Moore, his minor children aforesaid, is illegal, because he is the father of said children and entitled as such to their control and custody and to their services and the proceeds of their lavor, and he has not at any time by contract or otherwise released his right to said children.

Wherefore, petitioner prays your honor to grant to your petitioner the state's writ of habeas corpus, directed to said Lula Baker commanding and requiring her to produce the persons of the said minors, to-wit: Lula May Moore and Robert William Moore, before your Honor, at such time and place as to your Honor shall seem meet and proper, to the end that what appertains to justice may be done.

This November 15, 1917.

John C. Houston.

Petitioner's Attorney.

Affidavit of Petitioner.

Georgia Gwinnett County.

In person appeared before me the undersigned ordinary in and for said county, E. Z Moore, the petitioner named in the foregoing petition, who on oath says, that the facts stated in the above petition are true.

Writ.

Georgia Gwinnett County.

To Lula Baker:

You are hereby commanded to produce the body of Lula May Moore and Robert William Moore, alleged to be illegally detained by you, together with the cause of detention, before me on the 23rd day of November, 1917, at the office of the Ordinary, at the court house of Gwinnett County, Georgia, at Lawrenceville, at 10 o'clock A. M. then and there to be disposed of as the law directs.

G. G. Robinson.

Ordinary, Gwinnett County, Ga.

E. Z. Moore,
vs. Habeas Corpus.
Lula Baker.

And now comes the defendant and for answer says.

1.

Par. I, is admitted.

2.

Answering Par. 2, defendant admits she has the possession of said children but denies that said possession is illegal but on the contrary says it is legal; that long before the death of the mother of said children the plaintiff abandoned them and their mother and failed to provide them with necessaries and relinquished any parental control he might have had over them; that a short time before the death of the mother of said children, who had the exclusive possession and control and custody of said children she gave them to this defendant and they are now in her legal custody. Said plaintiff is unfit to have the custody of said children and defendant is a fit and proper person to have the custody of said children.

3.

This is denied. Par. 4, is admitted.

5.

This paragraph as to the time they have been with defendant and her relation to them is admitted, but the cause of her restraint or possession of them is by reason of the facts herein before set forth.

6.

This is denied.

Wherefore, defendant prays that the prayers of the petitioner be denied.

O. A. Nix.
Defendants Attorney.

After hearing the evidence in this case and argument of counsel, it is ordered that the prayer of the petition be denied and the custody of the children here named is hereby awarded to the defendant with the privilege to the plaintiff to visit and see and be with said children at such reasonable times as he desires, but not to take them away from defendant's home or premises, unless the defendant consents thereto.

It is further ordered through the defendant for the costs of this proceeding.

This November 23rd, 1917.

" Petition "

Georgia, Gwinnett County.

To the Ordinary of Said County:

The petition of Guy S.Hutchins, one of the executors of the estate of Clarance L.Hutchins, deceased, late of said county, respectfully shows the following facts:

-1-

That petitioner desires to resign his trust as one of executors of the estate of said C.L.Hutchins,deceased.

-2-

The reasons of this resignation are as follows;- your petitioner is a resident of the state of South-Carolina, and but for this fact the estate of the deceased would be releived of the expense of giving bond, which cost $115.00 per annum, the will of said C.L.Hutchins releiving the executors from the giving of a bond, as usually required by law, Petitioners co-executor is his sister, Mrs.Mamie Hill, of Atlanta, Ga.

-3-

Petitioner avers that Mrs.Mamie Hill, the other executor by appointment of the will of testator, qualified and acting as such, is a suitable person, duly qualified, entitled and willing to accept the trust solely.

-4-

The affairs of said estate has already practically been administered by your petitioner, there remaining in the hands of the executors only the respective life estates in therealty bequeathed to the legatees, Mrs.Mamie Hill, of Atlanta, Ga., and Mrs. Ralph Baer, of Spartanburg, South Carolina.

-5-

Petitioner is ready to account to his successor upon acceptance of this, his resignation by the Court. Wherefore, your petitioner prays the usual citation in such cases made and provided, citing the co-executor, Mrs.Mamie Hill, and the next of kin of testator, to appear and show cause why the order prayed for should not be granted and petitioner releived from his trust.

"Answer"

Henry Putman,

vs.

Frank Reese and Eula Reese.

Habeas Corpus.

Before G. G. Robinson, Ordinary , Gwinnett County, Georgia.

And now come Frank Reese and Eula Reese , respondents in the above stated proceedings and for answer to the writ of Habeas Corpus served on them say:

1.

Respondents deny the allegations set out in paragraph 1. of the petition.

2.

Respondents deny the allegations contained in paragraphs 2. of the petition except they admit that they are the father and mother of said Margie Reese.

3.

Answering paragraph 3 of the petition respondents say that of their own knowledge they do not know whether or not Margie Reese has married Henry Putman, but they are informed that such is true. They deny that said Margie Reese has attained the age of fourteen years, and on the contrary allege that the said Margie Reese was born on Sept. 22nd, 1905 and was and is therefore under the age of fourteen years, and hence unable to give legal consentor to contract marriage, and such a marriage was without the knowledge or conxent of respondents, illegal and void.

4.

Respondents deny the allegations of paragraph four of the petition and say further that they were in no way responsible for the separation of their child from her alleged husband, but that shortly, within a few hours , and before cohabiting with the said Henry Putman the said Margie returned to their home, absolutely of her own will and has remained with respondents without coercion or persuasion on their part of either of them, respondents having left it entirely with their said daughter as to whether or not she shoul return and live with her alleged husband.

5.

Further answering respondents allege that the said Margie Reese is very weak and sickly, having been a sufferer for about two years from the dread disease, pellagr is unable to perform manual labor of any kind, cannot help her parents at home and therefore entirely incapable of rendering domestic or family duties, and must be a burden on whomever she might be thrown.

As hereinbefore stated, respondents were not responsible for the conduct of their daughter in returning to their roof and protection, but being their child of yet tender years they are unwilling to turn her from their roof and care in her weak condition, but having left the decision entirely with the said Margie, if she prefers to remain with them then they ask that her custody be awarded them and that she be permitted to return to the home of her parents by decree of the Honorable Court, and that the Writ of Habeas as to them be discharged

Respondents produce the body of Margie Ree se in Court.

N. L. Hutchins, Defendant's Attorney.

Georgia, Gwinnett County.

Personally appeared Frank and Eula Reese, each of whom being duly sworn says on oath that the facts set out in their answer above are true.

Sworn to and subscribed before me , this 27th day of July, 1918.

To the Honorable G.G. Robinson, Ordinary of Gwinnett County, Georgia:

The petition of J.J. Humphries respectfully shows:

1. That he is the father and natural guardian of Hubert Humphries, a minor thirteen years of age, and has been by order of this honorable Court appointed the guardian of said minor, and atx the September term thereof qualified as such, and as such petitions this Court.

2. On February 9th, 1918, Petitioner's minor son met with a serious personal injury by a train of the Southern Railway Company at or near Norcross, Georgia, and under such circumstances as to cause said Southern Railway Company to deny any and all liability on account of said personal accident.

3. Petitioner shows that he has investigated the facts surrounding said accident and shows to the Court that any cl aim against said Southern Railway Company on account thereof is of an extremely doubtful and uncertain nature, there being little, if any, chance to recover damages therefor. In addition your petitioner has considered that in the event of litigation growing out of said injury the same would be long drawn out and even if resulting in recovery would not be as much benifit to said minor as would a cash sum paid at this time. To that end petitioner has entered into negotations with Southern Railway Company with the result that it agrees to pay Seventeen Hu ndred Fifty Dollars ($1750.00), in settlement in the nature of a gratuity to help out petitioner and his minor son.

4. Petitioner represents that it is the best interest of said minor that a full and final settlement be consumated with said Southern Railway Company for Seventeen

Hundred Fifty Dollars, ($1750.00).

Wherefore, petitioner prays an order of this honorable Court authorizing him to make such settlement

To the Hon. G. G. Robinson, Ordinary of said county:

J. M. Johnson, brings this his petition against John Brogdon and Cephus Bailey, both of said county, and alleges:

1.

Defendant John Brogdon is the owner of certain land sitaute in said county of Gwinnett, in the 550th, District, G. M. and the said Cephus Bailey is a tenant of said Brogdon residing on said lands.

2.

Petitioner has been in constant and uninterrupted use, for more than seven years, of a permanent private road over said land, not exceeding fifteen feet in width, and no legal steps have been taken to abolish the same.

3.

Said private way begins at a point near the creek or branch on said place just North east from the place where said Bailey lives and runs in anorth or rather a north-easterly direction through said lands of said Brogdon to apoint about four hundred yeards where it runs into a private way of your petitioner across petitioners own lands, the total length thereof across said Brogdons lands being about four hundred yeards.

4.

Petitioner shows that said private road and way was laid out by the father of said Brogdon who formerly owned said lands many years ago, and was by him dedicated and given to the public use, and the same has been so used by the public and by petitioner for a long number of years, and the same has been kept open and in repair by petitioner and the common users thereof, including the father of said Brogdon himself, for a long number of years, and much more than seven years.

5.

The defendants have closed up said way and road by plowing and throwing up large terraces across the same and by throwing brush corn stalks and other obstructions therein across the same.

6.

Petitioner further shows that said defendants closed up said way in the manner set forth in the preceeding paragraph without having given petitioner, or any of the common users of said road, thirty days notice in writing as the law requires, and as provided in section 819 of Vol. 1, of Parks code of Georgia.

Wherefore, Petitioner parys a rule nisi directed to said defendants, calling upon them to shows cause why said obstructions should not be removed and the free use of said private way be reestablished.
