"Annual Return"

Return No 4. C.H. Brand, Executor of the will of W.G. Jacobs, deceased.

To

The Legatees under said Will, Dr.

Debits.

Nov 8-18.	Received from	J. Johnson	$1093.50
Nov 12	"	"	J. Moore 1242.00
Nov 23	"	"	D.B. Johnston 1354.17
Dec 2	"	"	M.J. Summerlin 1587.28
			Total- $5276.95

The above sum represents the deferred payments of the purchase money of the sale of Jacobs's real estate. From this must be deducted the following Items: $8.50 due the Ordinary in full payment of his Cost bill due by me to him as executor including this Return; $68.26 taxes due for the year 1912; $363.84 due me as Commissions for receiving and paying out said sum. These Credits aggregate $ 340.60, which taken from the debts above leaves $4936.35 to be divided between Tom and Lora Langley's Children, or $2468.18 for each heir; there being five of each makes the distributive share for Tom's Children $493.64, or this Amount for each one of his Children and one-half of this or $246.82 for his grand Child, Odessa Bruce and $246.82 for said grandchild's father, the husband of Tom's deceased daughter. The vouchers from said Odessa Bruce and her father recite $349.19, which was the sum I really paid out when this payment was

made I overlooked taking out the taxes, which left each one due only $246.82, the difference between the two amount being paid back to me. These payments to Odessa Cruce and her father are evidenced by vouchers nos 1 and 2 respectfully. The payments to the four living children of Tom, to wit, $493.64 each, are evidenced as follows: W.E. Jacobs, voucher No. 3, Ida Brooks voucher No 4, Mae Jacobs voucher No 5, Lilla Jacobs, voucher No 6. This closes up the account with Tom's children and settles with them in full.

According to the verdict of the jury I was to be discharged as such executor of the will of said Jacobs without application therefor when I filed with the Ordinary my return and vouchers showing that I had paid out the funds in hand belonging to said children. The remaining amount of said debits, to wit $468.18, I as executor of said will turned over to myself as trustee of the children of Cora Langley, deceased, and have accounted therefor in my settlement with Cora's children, as shown by my return to the Ordinary as trustee of said children. This is, therefore, my final return as executor of the will of W.G. Jacobs, deceased, and I respectfully ask at

the hands of the Ordinary in the light of the verdict of the jury and this return that I be discharged by an order to this effect as such executor.

C. A. Brand

Georgia, Clarke County.

Personally Appeared C. A. Brand, who on oath says the above return truly represents all his actions and doings as such executor, and that the statements contained in said return are true and correct.

Net proceeds to be distributed between said Children. 4493.27

$4629.96

There were five of Cora's Children who were legatees under the will of her father, said W. G. Jacobs, which makes the distri-

bution share of each $898.65. My returns nos. 1, 2, 3 and 4, as well as the correctness of the two items of debits above set forth. This money was not paid out when it was received because under the will I was forbidden to do so until the youngest child became of age. The suit referred to was brought for the purpose of requiring me to pay out to each one of Cora's children the distributive share due each before said time. A verdict and decree was entered to this effect, which is referred to as part of the history of my administration of this estate, both as executor and as trustee.

On April 16th 1912 I paid to Robert Langley $25.00 on his distributive share which is marked voucher 1. On April 13th, 1912 I paid to Florence Langley $25.00 on her distributive share, which is marked voucher no. 2. This amount taken from the distributive share of each one of these two children left $873.65 due each of them, which amounts I paid to them respectfully, as shown by voucher no 3. to Florence who married and signed the same Florence Wiggins; Roberts payment is shown by voucher No 4. These two vouchers call for $905.30. The difference between the actual distributive share, to-wit $898.65.

and the first amount is due to the fact that the cost due the clerk was first taken out of the whole of last payment on the land which made Tom's Children pay part of it when Cora's Children were only liable for the same, which difference has been paid back to me by both Robert and Florence.

On December 11th 1913, I paid Clarence Sills, another one of Cora's children, $432.36 as shown by voucher No 5. This taken from her distributive share left due her $466.39, which I paid her on December 28th, 1912, as shown by voucher No 6. J.R. Langley the father of all these children, and the husband of Cora, was appointed guardian of Oscar Langley and Wot Langley, his two youngest children who were then with him, by the Ordinary of Gwinnett County, & thereafter, paid him their distributive shares, or $1797.30, as shown by voucher No 7.

This is a full settlement with all of said Cora's Children by me as their trustee, leaving nothing in my hands whatever due any of them, same having been paid out, as hereto fore stated, under said verdict and decree of Gwinnett Superior Court. I neglected to state that the amounts paid to Clarence Sills were paid to him by me as

Guardian for his wife, one of Lora's Children, having been appointed as her guardian by the Ordinary of DeKalb County under the verdict of the jury and the decree of the Court in the case referred to I were to be fully discharged as such trustee and thereafter relieved and discharged from all liability to said Children as such trustee and as the executor of the will of W. L. Jacobs, deceased, when I paid out the above sums as shown by my return with proper vouchers, and I therefore respectfully ask that an order be entered discharging me as such trustee from further liability to said Lora's Langley's Children.

This being an insolvent estate, the same has been distributed according to the priorities fixed and established by law, reaching down to Ordinary judgments, and three being three of equal date and priority, but the residue in the hands of the Administrator being insufficient to pay the full amounts due on them, the same has been prorated. This leaves all other debts of lower dignity entirely unprovided for, amounting to several hundred dollars.

Sam Fossett who was an heir
at law of the deceased and entitled
to a one thirty-fifth interest in her
estate is dead. He owed the estate
certain notes and before his death
he gave the admr an order author-

ging him to apply his share of the estate on this indebtedness. The share that would be going to him has therefore been added to the total fund and distributed among the other heirs. This explanation is made to show why Sam Fassett's distributive share is not paid to him.

Leaving an apparent balance by: $3.90

Georgia, Gwinnett County.

Personally appeared John L Mills, who on oath says that he is a son of John M Mills, deceased, who died on the 3rd day of Ma, 1913. That he is acquainted with his fathers hand-writing and has inspected all the papers and writing attached to the return. That he resided with his father all his life and until the date of his death and assited him in making calculations and attended to the business of the estate of Hosea Wilbanks, of which his father was Administrator, as well as assisted him in various other business transactions.

Deponent knows of his own knowledge and from other evidence that the amounts purported to have

been paid out by his father as shown by this return were so paid out by him, and that while this return shows an apparent balance of $3.90, in the hands of his father, at the time of his death, yet deponent is satisfied that all of said funds were paid out by his father on proper items but that he has been unable to find among his fathers papers, vouchers to cover this apparent balance.

Wherefore, he prays that this return be approved and recorded as the final return of his father and that he and his bondsmen be discharged.

Deponent futher asks that he be allowed this apparent balance of $3.90 to help pay his actual expenses of making this return.

J. S. Mills.

"Annual Return"

First annual return of B.A. Towler, Executor of the last will of H.F. Towler, deceased.

Georgia.
Gwinnett County.

To the Honorable L.L. Robinson, Ordinary of said County:

The undersigned has not made a return of his acts and doings as such Executor heretofore for the reason that until sometime recent it appeared to be to the best interest of the estate that a quicker administration could be had than now appears practical, due to the fact of the depressed value of land at present, there being a tract of land hereinafter referred to that will eventually be sold.

Mrs. S.E. Towler, widow of said deceased, received Two Thousand dollars, ($2000.00) on a certain insurance policy, which was payable to and belonged to her individually, soon after her husband's death and in order to make it possible for said widow to procure the home place where said deceased resided at the time of his death, said widow agreed to pay and did pay said sum of $2000.00 in liquidation of certain indebtedness against said deceased.

Said indebtedness so paid by said widow, is represented in certain Notes, which have been transferred to her and which she has elected to hold as a credit against said estate, and reference is made to the collection of said insurance and the payment of indebtedness amounting to said sum of $2000.00, in explanation of a full

administration of said estate, as well as in justice to the said Mrs. S.E. Towler that her interest might be properly protected should she at any time hereafter elect to enforce such indebtedness against said estate.

The parties to whom payments were so made out of said sum of $2000.00 are as follows:

Perry Bros. One note	$107.32
C.H. Brand	600.80
Brand Banking Co.	156.32
Bank of Lawrenceville	260.20

Loganville Banking Co.	32.10
W.H. Nunnally	311.90
George W. Felker & Son	150.00
Total	$2000.00

The said amounts so paid are verified by checks and notes which have been delivered to said Mrs. S.E. Towler, but so far as a settlement with the undersigned is not taken into account.

The undersigned has received the following from collections and sale of cotton and which he is proper chargeable with:

				$1299.89

Vou. No 36. Representing the amounts the undersigned has advanced to the widow of said deceased and money expended by the undersigned in the way of supplies for the farm of said deceased, in the sum of: $718.61

Vou. No 37. Paid J.A. Perry, for services by way of consultation for a considerable period of time, and expenses in making this return. 50.00

Vou. No 38. Taxes, 1914. 38.74

Making a total expended by the undersigned of said estate and for the farm of said deceased, in the sum of: 1607.24

Credit by the amount received by the undersigned: $1194.37

Leaving a balance due the undersigned at the time of making this return, and representing the amount paid out by the undersigned in excess of the amounts received by him. $412.87

As it will be seen from an examination of the will by said deceased, it was his direction that the insurance that money so due and collected

by the widow of said deceased, should be used in paying Charles H Brand a certain amount due him representing in part the purchase money of a tract of land consisting of 185 acres of land, more or less, but said deed also provides that his home place of 155 acres should go to his wife, the said Sarah E Fowler; but it being impossible to preserve the home place for the said widow without using the insurance money in the payment of indebtedness against the estate, it has been the intention all the while and is still the intention of the undersigned, to sell said 185 acres of land and liquidate in so far as may be necessary a balance due Chas H Brand on said land of $1250.00 and interest thereon from Oct 7, 1913

The payment of $600.80 heretofore referred to as having been made by said Mrs Fowler was a payment on the amount due said Chas H Brand

The undersigned has not sold any of the crops from either of said farms other than the cotton and the amount of the cotton seed, for which proper charge is made herein, and it was expedient and for the best interest of the estate that the corn, fodder, and other farm products be not sold, but used in running the two farms herein referred to.

It being the unquestioned intention of said will that his debts should as speedily as possible be paid, and the home place be preserved for his widow, the under-

signed has according to the best of his judgment acted with this view in mind. It is hoped that said 185 acres can be sold during the fall of 1915, when a final return can be made and a full administration of said estate be had.

The failure to charge commission as allowed by law for their services of the undersigned as such executor is purposely omitted. Being the brother of said deceased and desiring to wind up said estate with as little expense as possible, no charges are made.

Georgia, Gwinnett County.

In person appeared before the undersigned, B.A. Fowler, Executor, of the last will and testament of W.F. Fowler, deceased, who being first duly sworn, says on oath that the foregoing represents a true and correct return and the amounts received and the items represented in expenditures and all recital of fact contained in the foregoing return are true and correct.

A suit was filed in Gwinnett Superior Court by the admrs against Mrs. J L Newborn to recover a certain house and lot, and to set aside an alleged deed she had to the same from the deceased. This case was compromised on a decree of court with the approval of the Ordinary by the administrators paying her out of the estate $500.00. She was then not to share in the distribution of what said house and lot brought, but the same was to be divided among the six children of the deceased. The house and lot brought $1236.00. So the share of each heir brought this was $206.00. As will appear from these returns, the total estate amounted to $9568.31 The total debts and expenses amounted to $1836.22. Adding to this the amount of the house and lot $1236.00 makes $3072.22. This leaves $6496.09 of which Mrs Newborn gets one fifth amounting to $1299.21, as her full distributive share, which leaves $5196.86 to be divided among the six children making each share $866.14. Added to this is the $206.00 they each get from the house and lot, makes each of the shares $1072.14.
