The petition of Mary Tuggle widow of James Tuggle, late of said county deceased who sues by Sanford Tuggle her attorney at in fact Marion J. Tuggle Wesanard Tuggle, Helen Tuggle Jan Parker, formerly Jane Tuggle, Martha Lott formerly Martha Tuggle, Janette Long formerly Janette Tuggle and Sanford Tuggle respectfully show that they are children of James Tuggle late of said County deed and are interested as distributees in his estate and that your petitioners together with Isabella Shantlee, Mary J. Wilson & the children and heirs at law of William H. Tuggle, decd together with John W. Tuggle, constitute all the distributees and heirs at law of James Tuggle, decd, making twelve shares in the estate of said decd. Your petitioner showeth that John W. Tuggle of the County of Hall in said State took upon himself the due administration of said estate and was duly qualified, and received letters of administration thereon by the Ordinary of the County first aforesaid more than one year next preceding this application, to wit: on the day of 187

Your petitioners further show that the said John W. Tuggle thereby as such administrator became and was immediately possessed of a large and valuable estate consisting of lands and personal property, ready money choses in action &c &c of the value of fifteen thousand dollars or other like large sum of money

Your petitioners further show that heretofore to wit, in the lifetime of the said James Tuggle he the said deceased made an advancement to the said John W. Tuggle, a certain tract of land lying

and being in the County of Gwinnett in said State and known as lot number containing Three hundred acres more or less at price and for the sum of six hundred dollars or other like large sum of money and that the same was then accepted as such by the said John W. Tuggle

Your petitioners further show that they have frequently called upon the said John W. Tuggle, as such administrator and requested him to come to a just accounting and settlement with them and to pay to them their distributive shares in said estate. Yet the said John W. Tuggle as such administrator although so indebted and liable to pay, and although more than one year has elapsed since the granting of administration as aforesaid, and often requested, has hitherto and still does refuse to settle with and pay your petitioners the several sums of money so due them as aforesaid. Wherefore petitioners pray citation may issue directed to the said John W. Tuggle administrator as aforesaid requesting him to appear before the Ordinary of the County of Gwinnett at the next November term of the Court of Ordinary of said County then and there to come to a full settlement of his accounts as such administrator And your petitioners will ever pray &c

vs
John W. Tuggle, Adm &c
of James Tuggle, decd

Citation for Settlement &c in Court of Ordinary for Gwinnett County Nov. Term 1880.

And now comes the Respondent by his Attorneys and in answer to the citation served on him, says:

It is true that he is the duly constituted administrator of the estate of James Tuggle, decd, that as such he has sold the property & collected the assets of said estate, that he has paid the debts thereof excepting necessary future expenses, including counsel fees, and that he has made return of all his actings and doings in the performance of his trust — all of which are on the records of this Court, and upon which he is ready to come to a just and equitable settlement with the plaintiffs & other heirs at law of said deceased

But this defendant insists and refers to his returns in support thereof that he has paid to the plaintiffs, and the respective of said minor, Mary Driggs their distributive shares in said estate. And that in the second distribution he made, he paid to each of them considerably more than they are entitled to, and he prays that upon this settlement they may be required to refund to defendant whatever may appear to have been paid them over and above the amounts they were respectively entitled to at that time.

That at the time he paid the other distributees, as aforesaid, he notified said Taliaferro Driggs if his readiness to pay him the same amount and that he held said amount subject to said Taliaferro's call and demand making no interest thereon and he submits that he is not liable for said interest.

That as to said Mary L. Hare this defendant, her son, has held it for her, she being old & feeble and not able to take care of it for herself, subject to her order, and has paid her portion thereof, as will appear from the records, as she required it. He is ready to come to a settlement with her & pay her share, as the Court may direct.

And for further answer this defendant says that it is true that his father, the intestate, in his lifetime, conveyed to him a tract of land, at the price of three hundred dollars, in consideration of services and interest for the time of five years, between the arrival at full age by this defendant until he was about twenty six years of age, and for cattle and expenses amounting to one

hundred & twenty five dollars paid out by this defendant on account of litigation involving the possession & title of said land, and that it was not given as an advancement to Respondent.

And this defendant further says the plaintiffs were advanced by intestate as follows: The said Posey Tuggle had the use & occupation of the Randal tract of land, including the mill thereon, valued at $1800.00 for the term of three years, without rent as an advancement. Woodward Tuggle had the use and occupation of the mill place tract for the same time without rent, the said tract being valued at $1200.00 Sanford, Manning and Mary Miller had the use & occupation of the Thurmond land valued at $3000.00 for the time of three years as an advancement and in addition thereto Sanford and Manning rec'd 100 bbls of corn worth $625.00 and 100 gals of Brandy worth $250.00 Isabella Chambler rec'd $700.00 in cash as an advancement. Tol. Tuggle used and occupied land of intestate for the term of three years as an advancement and all the other distributees received amounts as advancement far in excess of anything advanced, at any time to defendant and he prays that they may be required to account therefor on this settlement.

Wherefore defendant prays judgment &c

The Petition of John R Brantly guardian of Miss S E Howell daughter of Singleton G Howell late of Gwinnett County deceased respectfully showeth unto your Honor that the Education of the said S E Howell was incomplete at the time of her father's death and is not complete now and that she is a student at Wesleyan Female College Macon Georgia and her guardian and friends as well as herself, think it is for her best interest that she remain in College at least the balance of the Spring term for the year 1881. She has been in said college since the Commencement of the Fall & Spring terms 1880, 81 making two terms Fall & Spring Terms 1880 81 And your petitioner further showeth unto your Honor that this said wards expenses for the entire Scholastic year for board, tuition, Washing, lights, books, Stationary, Music &c. will amount to about Three Hundred ($350) and fifty dollars. And it is also shown to your Honor that your Petitioner as guardian for the said Miss S E Howell has received from the administrator of her father Singleton G Howell deceased about Seven hundred ($700) dollars which he has in hand, and it is further shown that the interest upon said sum is entirely inadequate to defray the expenses of his said ward while in College. Therefore

your Petitioner most respectfully ask your Honor to grant an order allowing him to use enough of the Corpus of his said wards estate which he now has in hand as aforesaid to pay her board tuition and other necessary expenses taking receipts with Itemized account of expenses from the Proper officers of said College for the scholastic year of 1879 & 1880 embracing the Fall and Spring Terms of said years. The application of John R Beaulty Guardian of Miss Susie E Howell shows of Singleton & Howell late of Gwinnett County that the interest on the amount in his hands as such guardian of his said ward is insufficient for the Education and maintenance of his said ward. She being in college at this time and that it is necessary that she remain in college through the Spring Terms. It is therefore Ordered by the Court that the said Guardian of Miss Susie E Howell be and is hereby J R Beaulty allowed out of the Corpus of his said ward estate the sum of Two hundred and fifty dollars to pay her board Tuition and other necessary expenses (taking receipts with Itemized account of expenses from the Proper officers of said College) for the Scholastic year of 1880 & 81 embracing the Fall and Spring Terms of said years.

To the Hon James S. Lankford Ordinary of said County. The complaint and Petition of Joseph E Garrett a citizen of said county, showeth that he is now & has been since the 21st day of May instant confined and holden in imprisonment in the common Jail of said county by James M Patterson Jailer of said county by virtue of a pretended warrant issued upon the affidavit of William J Brooks, Prosecutor, charging petitioner with the offence of hunting and shooting on the Sabbath day and a Commitment Issued by John R Bates J P and E Walker Spark Notary Pub & Ex off J P. for said offence of hunting a copy of which said Warrant and commitment are hereto annexed. And petitioner further showeth, that said court of inquiry required petitioner to give bail in the sum of two hundred and fifty dollars, for his appearance at the Superior court of said County, to answer said alleged offence, which bail your petitioner being without property & a comparative stranger, was unable to give. Wherefore petitioner alleges and avers that said sentence

is illegal, because 1st Said Warrant is illegal in that it is not

offence known to the law, and the Commitment following
said warrant is also defective & illegal. 2nd Because said bail

The Petition of Bryant & Strickland as Administrators of the Estate of Thomas G Jacobs, deceased, showeth that among the assets of said estate, which came into his hands, is a Note, dated day of January 1871 & due on John R Wallace, for three thousand five hundred dollars, with a credit of $1125. and that the said Wallace, was at the time of said Jacobs death and ever since that time hopelessly insolvent so that said note could not be collected by the Process of the law. That during the life time of said Jacobs, he received from said Wallace a deed of Conveyance, as security for said claim to two third undivided interest in four acres more or less of Land, being part of Land Lot No 64. in the 14th District of Fulton county, in said state, situated in the 3rd Ward of the city of Atlanta and bounded on the North by Anderson Street East by Fraser Street, West by McDonough Street and South by Ball Street; That during the life time of said Jacobs and subsequent to the 2nd Deed for security, (the said land being considered of little value) said 2/3rd undivided interest was sold by virtue of certain City Tax. fi fas. against said John R Wallace, and the said Jacobs considering said security valueless after said sale, took no Steps to redeem. That the title purchased at said Tax sale, is now owned by James W English and Robert J Lowry of said City of Atlanta, who are in Possession of said land, and your Petitioner is advised and believes that the recovery thereof from them under the facts, is at best doubtful and an effort to do so would be attended with much expence and possibly with considerable loss to said estate. Therefore, your Petitioner has negotiated a compromise and settlement of said controversy subject to the approval and Order of Your Honor as provided by law in such case; The estate of said Jacobs owning one third of said Lot of land (4 acres) the said English and Lowry claiming title under said Tax sales to the other two thirds, and being in Possession of the whole and having inclosed it with plank fence and erected a four room house thereon The terms of the compromise are as follows.

1st said Premises to be equally divided by meets and bounds

by a line run from Anderson Street to Bass Street equi distant from McDonough and Fraser Streets

2d The East half of said Premises Fraser Street including said frame house to be the Property of said Jacobs estate, and the said English and Lowrey to execute a Deed to said estate accordingly, without warranty except as against them selves.

3d The West half of said Premises to be the Property of said English and Lowrey relieved of any and all claims thereto by said estate. Your Petitioner to Execute an Administration Deed therefor.

4th That said Lowrey and English to pay L J Winn Esq. Petitioners fees for services rendered the estate in the controversy and to pay Petitioner for said estate $114 00 on account of taxes paid on said land Pending said controversy, &. In said compromise, Your Petitioner has acted in good faith and to what he is advised as to the law & believes from facts is the best interest of said estate. Wherefore, Your Petitioner prays that an Order be granted approving said compromise and allowing him to carry out and complete the same in all its terms as will be seen by reference to the writing containing the same herewith submitted. And your Petitioner will ever Pray &c.

West by McDonough Street. & South by Bass Street. To all of which Property B E Strickland as Administrator of the Estate of J G. Jacobs, late of Gwinnett County deceased. also claims title. That said adverse claims to part of said Property, is likely to result in protracted & expensive litigation unless adjusted by the Parties, With a view of avoiding such litigation & quashing the title of each of said claimants in & to said premises, the said claimants have agreed upon the

following as a full, final & equitable Settlement and adjustment of their Conflicting claims to said 2/3 undivided interest in said Property (subject however to the approval of the Ordinary of Gwinnett County)

To the Ordinary of said county,

The application of B. M. Garner, shows the following facts. to wit. That G W Verner departed this life May 29th 1883. leaving as his heirs at law fourteen living children, one of whom your applicant shows to be a Minor, that he died siezed and possessed of one hundred and sixty ~~two~~ acres and one half of land more or less lying in said county of the value of fifteen hundred dollars at least, that there was left at his death also a large amount of notes, accounts and other evidence of indebtedness and probably some cash. the amount of which your petitioner is ignorant. That no one has applied for letters of administration upon said estate. That said deceased left no last will and testament and the estate is now as has been since said G W Verner died unrepresented and that it is not likely to be represented. that the estate should be administered upon — first because said estate amounts in value to over five hundred dollars. Secondly because great injury is likely to occur to said estate if left undministered upon. that part of the personality of said estate has been sold, and other parts thereof will likely be disposed of at an early day. Thirdly Because it is to the interest of all parties interested of all parties interested as well as public policy demands to have said estate put into the hands of some discreet person and representative at once. so that each and every heir may receive his ~~part~~ proportion of said estate divided according to law in such cases.

Wherefore your applicant prays some discreet person be appointed at once to take charge of and represent said estate. by said Court. and that the usual citation issue and applicant will abide &c.

case respondent Answering Says. It is true he has not
hitherto fully settled with the legatees under the will of
testator but he avers has settled as far as the estate has been
administered and the law and the wills of deceased
required as will be shown, by reference to his Annual
Returns as such Executor of file in this office, and which
are hereby made a part of this his answer. This respond-
ent further answering, respectfully submits that
according to the terms of said will. He is not bound to
make annual returns as the will is the law of the case
and it was manifestly the scheme and intention of
testator to save cost incident to administration as far
as possible & the law would permit. Further answering

respondent utterly denies the ungracious charge of waste in cutting timber of the estate and appropriating the same to his own use; but on the contrary avers the truth to be. the only timber cut or permitted to be used from the premises has been for the exclusive use and benefit of the estate. Respondent denies the allegation that he is not complying with the will in renting the lands of testator, but on the contrary avers that in this and all other matters pertaining to the administration he has endeavored faithfully to follow the direction of the will as he understood, but not being skilled in the law himself, and with purpose and desire if pobible to save the estate the expence of Counsel fees this respondent may not in all matters been technically correct but he indignantly denies, all and every allegations imputing fraud or willful mismanagement on his part. And having fully answered prays to be hence dismissed with his reasonable cost and charges in this behalf.

Your Petitioner further shows that the said Eliza C. has for two years abandoned said home place and removed to the county of Jackson where she now lives, and that although said legatees are all of age, she refuses to discharge her duty, by dividing said estate as contemplated by said will, and is appropriating the rents issues and profits thereof to her own use and benefit; That she is insolvent and has no security for the discharge of her duty, and the faithful accounting for said estate to the legatees entitled thereto; Wherefore they pray, that citation do issue in terms of the law requiring said Eliza C. vs
Eliza C Jackson Ex.

Petition for Settlement Removal of Executrix. In court of ordinary Gwinnett Co

And comes the Defendant Eliza C Jackson by her attorney Wm E Simmons and in answer to said petition and for cause why she should not be removed from the Executrix shp of the will of her deceased husband &c says: That at the time of the death of her husband, the testator, he was considerably in debt, and to an amount largely in excess of the value of his personal property choses in action &c and that she had left on her hands to support and maintain the plaintiffs in this case who were small children and the issue of a former wife of testator, and two infant children of her own and testator. To wit, William and Joseph Jackson. Your Petitioner showeth that by her own labor and efforts she paid off all the debts of said testator as fully appeared of record in this Court (which were destroyed by the burning of the Court house of said county in 1871) and accounted for every dollars worth of Personalty, choses in action belonging to said estate, and that the amount she so paid out was many hundred dollars in excess of what she received from said estate. In addition to this defendant avers that she raised and educated Plaintiff

and her two said children by her own labor and industry assisted by the income from the land bequeathed to her in said will. Defendant further says that she fully accounted for all such property & effects as come into her hands long before the destruction of said records, and that since that time she has had nothing in her hands from said estate, except the lands bequeathed to her in and by said will. This Defendant further says that she is not dissatisfied with living on the premises bequeathed to her by said will, nor has she married since the death of testator. It is true that she has moved off said premises for the purpose of caring for and nursing her mother, who is an old woman about eighty years of age and in a feeble and decrepit condition, and requires constant attention and waiting upon and who cannot Possibly survive much longer. That Deft endeavored to pursuade her said Mother to remove to the home of this deft, but failed to do so, and no alternative was left her but to go to her said mother, who would be entirely alone, except for the presence and company of this Deft or to abandon her in her old age and decrepitude. So far from being dissatisfied with living on said premises, Deft is anxious to return to the same. it is the only home she has which she can call her own, and that her absence therefrom is only temporary - it being her purpose to return thereto as soon as she can do so under the circumstances. Deft says that by the terms of said will her removal therefrom did not forfeit her rights in and to said land, that she must first become dissatisfied with living on the same, which she has not become. Deft moved off said land once before and remained off several years for the purpose of schooling Plffs & her own children, and when that was done returned again as she expects and intends to do so soon as she can do so under the circumstances.

Wm E Simmons Defts atty

Upon hearing the evidence and argument of counsel in the above stated case, it is ordered and adjudged that the application to remove said Executrix be refused, and it is further ordered that the same be dismissed, and that the said Eliza C Jackson Executrix do recover for the use of officers of court of said Luther F Jackson & Z Fulton Jackson the sum of one dollar & 75 cents

To the Hon James T. Lanckin Ordinary of said County, The Petition of Fred Hall shows that he is illegally restrained of his liberty by being confined in the common jail of said County, by William P. Cosby Sheriff of said county and Jailor thereof, by virtue of a certain instrument in writing, a copy of which is hereto attached as part of this Petition; Your petitioner shows that he is a married man having been legally married on the 11th day of Nov 1883, to one Martha Mattox, who lives in said County; That A S Adams a Justice of the Peace of said county of his own will and without any affidavit being made by himself or any one thereto, and as a basis therefor, issued a warrant or what purports to be a warrant for him which is marked "Exhibit A" charging him with living in adultry with said Martha Mattox now Hall, to whom he was lawfully wedded, by A Cain J P. at the time aforesaid and had him arrested under said "Exhibit A" and brought before him on the 23 day of July 1882 when without any trial whatever - without introducing any witnesses against him whatever and without the slightest evidence, and absolutely without any - issued a certain paper purporting to be a commitment marked "Exhibit B" hereto attached and under said proceeding and without any other cause or authority had him delivered to the said Cosby and by him confined in the common jail of said County in the 23rd day of July 1882.

Your petitioner alleges the whole at said proceeding thus and in said manner depriving him of his liberty is a most outrageous injustice and wrong perpetrated upon him and all of which is illegal for the following reasons

1st Because no affidavit was made by said Adams or any one charging him with said crime, which the law requires shall be done before any officer named be required to issue a warrant for his arrest

2nd Because the paper or document he the said Adams did issue and under which is not such an instrument as

would authorize any one to arrest him under and he is therefore illegaly detained.

3rd Because the offence so vaugly and illegaly charged in said annual process by which he was arrested is a false charge. That he is not guilty of living in adultery with said Martha Hall, having been duly warned to her at the time and in the manner as aforesaid.

4th Because he has not had a trial upon said charge, nor has he been convicted and bound over as required by law, said Adams issuing said commitment without first having sworn and examined any witness accusing or charging your petitioner with said offence.

5th Because there was no judgment rendered and issued up by said Adams committing your petitioner under said charge or finding him guilty thereof.

Wherefore he alleges that his restraint is illegal and prays your Honor to issue the writ of Habeas Corpus direct to the said William O. Crosby, sheriff and jailer as aforesaid requiring him to bring your petitioner before your Honor at such time and place as your Honor may direct that what is right and lawful may be done in the premises.

The Petition of J A Dillard shows that he is illegally restrained of his liberty by being confined in the Common Jail of said County by W P Crosby Sheriff and Jailor of said County. by virtue of a Warrant and Commitment issued by C B Pond J P on July 11th 1886. Sworn out by William Daniel, Charging Your Petitioner with adultery, copies of which Your Petitioner can not at the present obtain as from the best information Your Petitioner can gather the warrant has never been turned over to the Clerk of the Court, Your petitioner further shows that when he was arrested under said warrant he and his friends asked the Court for time to send to town for Counsel which request was refused by said Pond contrary to 4768 Code and contrary to all rules of law and justice. Your petitioner claims that he was forced to trial without time to prepare his case he also offered to give bond for his appearance next day, which was refused by the Court. Your petitioner further claims that when said case was called that the State failed to make out a proper case as it failed to prove he had committed adultery at all and that what they did prove did not happen in this County and that the State failed to show that it did happen in the County. He further shows that he offered to give the required bond of $200 and offered W. L. K. Dunham as security which the Court refused, said Dunham is worth the amount of twelve hundred dollars, said Court refused to take any one as security unless he was worth the bond over and above the homestead $1600 under which ruling your petitioner is unable to give the required bond.

Petitioner avers that said ruling was wrong and contrary to the law. Wherein he alleges that his restraint is illegal and prays Your Honor to issue the writ of Heabus Corpus directed to the said W P Crosby Sheriff and Jailor as aforesaid requiring him to bring your petitioner before your honor at such time and place as your honor may direct that what is right and lawful may be done in the premises.

Looking to the best interest of said estate, your Petitioner is satisfied that it will be better, to compromise said claim on the terms proposed, than to incur further expense in attending to collect the whole of said claim so as to get into possession of said lands at once, and to collect what may be possible under said judgment out of any other assets that he may be able to find.

The Petition of J T Baxter, Austin G Harris, Hiram Mathis, John W Knox and James B Noel, respectfully show, that heretofore, to wit on the 6th day of ~~January~~ A D Eighteen hundred and Eighty five they became sureties on the bond of David T Little as Administrator of the estate of William T. Scales late of said county decd, in the sum of Eighteen Thousand Dollars, for his faithful ~~Performance~~ Administration of said Estate. And that Geo H Jones, W A Brandon and J J Little were also co securities on said bond. Your Petitioners further shows that they desire to be released from any further liability on said bond upon the following grounds to wit.
First, Because said Administrator is not Properly managing said estate, and is not making the returns of his acts as such Trustee as is required by law.
Second, Because that he is not Paying out to the heirs at law the amounts due them but is holding the same allowing interest to accumulate against him and subjugating Your Petitioners to suits and liabilities for loss by reason of said improper withholding said payments,
Third Because one other security W A Brandon has since he became such Surety became insolvent thereby incurring their risk.

Third. Because one of said securities J J Little, who was to share with Petitioners the risk of said suretyship, has removed from the state and disposed of his Property. so as to be unable to respond to his proportionate part of said liability over & rest.
Fifth Because said David F Little, obtained the signatures by falsely representing that T K Mitchell and R D Winn were also to be Sureties with them on said Bond, by which they were induced to sign said bond.
Sixth Because said David F Little is offering his lands for Sale, and if said land was disposed of there would be nothing out of which to protect themselves if judgment should be rendered against them. Wherefore they pray. that Citation do issue in terms of the law, requiring the said David F Little Administrator as aforesaid to be and appear at the Court of Ordinary to be held on the first Monday in March next and show cause why he should not be required to give other and additional security for said Administration, or that his letters be revoked, And that by a judgment of said Court, your Petitioners may be relieved from any further liability on said bond, and a new bond with other security be required of said Administrator,

The Petition of William H Cole A A Cole. M C Hay. Mary J Massey and respectfully show that they are children and heirs at Law of Austin W Cole late of said county deceased. That prior to the death of said Austin W Cole, he executed a Paper, which purported to be his last will and testament, and subsequently to wit, on the first Monday in May 1887. said will was admitted to Probate in Common form in the Court of Ordinary of said County, and Charles L Mason was duly qualified as the Executor of said Extended will.

Your Petitioners allege that said deceased died intestate, and file this Caveat to said will upon the following grounds to wit.

First. Because said Paper is not the last will and testament of said Austin W Cole, deceased. for at the time said will was Executed. Austin W Cole was not of sound disposing mind and memory and was not capable of Executing a legal will

Second. That said Paper is not the will of said ~~deceased~~ Austin W Cole, because at the time of its execution, said Testator was under the influence and control of Charles L Mason and Lillian Mason his wife, who was a Daughter of deceased and he did not execute the same freely and voluntarily

Third. Because. Testator sough to revoke the same after its execution and was presented from carrying out his intention by duress and fraud,

Fourth, Because said will was not legally executed,

Wherefore, your Petitioners pray that by judgment of this Court said will may be set aside and declared null and void, and that the said A W Cole be declared to have died intestate

Your Petitioners therefore pray that citation do issue from this Court requiring the said Charles L Mason Executor of A W Cole decd, to produce said will in Court on the first Monday in June 1887, And Prove the same in Solemn form as required by the Statute in such cases provided, And your Petitioner will ever pray &c.

part of lot number thirty Eight (38) containing one
hundred and twenty five acres more or less and
says the said application as to this property should not
be granted and the return thereof not made the
judgment of said Court upon the following grounds
to wit
1st / Because the said E L Phillips at his death was
not the owner of said Property, but that the title thereto
at the time and for a long time previous to his death was
and has been in the said John M Hill & Co,
2nd Because said E L Phillips having parted with his
title thereto on the 18th day of April 1884 thereafter
disclaimed title or ownership of the same but turned
the same over as effectually he could to the said
John M Hill & Co and relinquished to them all his
right title and ownership of the same
3rd Because he ~~died~~ did not own or claim the same
at his death and his said widow knew that he

disclaimed title and ownership of the same, and knew before and at the his death that her said husband and the said John M Hill & Co recognized and considered and treated the said lands as the sole property of the said John M Hill & Co.

4th Because the said widow since the death of her said husband has regarded the Property as that of the said John M Hill & Co and informed them they could take charge and possession thereof at their pleasure and so far as she was concerned could either consider it either as her said husbands had after and all the terms declared it to belong to the said John M Hill & Co.

5th Because the return of the appraisers if this land was the Property of said decd, is excessive and the said John M Hill & Co, say that the Property set apart to said widow and children outside of said land is a sufficient and reasonable allowance to them for a year support, They therefore pray that said court do not allow and grant said application as to their land and do not make the return of said appraisers to the same the judgement of the Court.

As such Admrs they have sold the real estate and personal property belonging to said estate the real estate was sold Nov 1886. for the sum of $1851.00 one half of which was for cash. and that has been paid in the other half at twelve months time with interest at eight per cent and that has not yet been collected. Respondants have paid out on debts

expences and distributive shares the sum of $1373 70 leaving cash balance in hand the sum of $213 40. These respondents verily believe they will be able speedily to collect the balance due on the sale of the land but can only hope at best to collect but little on the notes now outstanding as the greater portion of such are utterly insolvent and worthless — out of which must be counted the future expences attending the due administration of the estate, including dismission &c the amount of which they are unable now to state with certainty, Respondents further answering say their are eight distributive or distributive shares in the estate of said decd. to wit: Mrs Mary J Blakey. Mrs E A McRae Mrs Carrie F Blakey. William B Jackson Mrs C V Thrasher Mrs Laura F Adams. Mrs Susie Parks and H B Jackson Respondents further answering say the distributive share of the said William B Jackson here represented by Petitioners was advanced by said William Jackson in his life time to wit, in the year 1859, the sum of $2835 00 in cash, besides a large amount of other property at divers other times. the same being largely in excess of a distributive share in said estate, and that Petitioners have no further or other interest in said estate; Respondents refer to their return and papers of file and record in the Ordinary's office as part of this their answer and ask leave to use the same as often as may be necessary.
