To the Ordinary of said County. the Hon James T. Lawrence — The Petition of Mrs R J Sexton — the mother and next friend of Anna Scales. shows That at the term 188 of the Court of ordinary of said county G W Verner was duly appointed the guardian of her Person and Property, and that said G W Verner was regularly qualified as such guardian and took Possession of her estate. That at the time of his qualification as guardian said Anna Scales, his ward. was only years of age, and that she is now only twelve. The said Anna Scales desires to have another guardian of her Person and Property. appointed and that said Verner Letters of Guardianship be revoked. M L Rhodes of said County, has consented to act and she desires him appointed guardian of her Person and Property instead of the said G W Verner. Said Rhodes willingness to accept said guardianship is here to the Court shown by his written consent. Your Petitioner alleges that it is currently reported that said G W Verner is insolvent and she alleges the same to be true and for this reason she desires him removed. as other reasons therefor your Petitioner shows that said Verner has disposed of all of his realle property and has left the County and no longer resides therein but has taken up his abode in Atlanta Ga., and petitioner submits further that said Verner habits have become questionable. He is intemperate. His station in life and his manner of life and living and his financial status renders him unfit to be the guardian of her person and the exchequer of her estate. He has not made his returns in accordance with law, and for this reason and many other — she prays that his letters of guardianship be revoked and that M L Rhodes who has signified his willingness to act as guardian of Petitioner — be appointed in his stead and that your Honor may pass such order as in your judgment is expedient under the circumstances as may be shown in the matter.

Application for Letters of Administration

In Grimmett Court of Ordinary
Oct. Term, 1888.

James R. Hall Jr. an heir at law and a distributee of the estate of dec'd comes into Court by his atty at law, Saw. J. Wiem, and for cause why letters of administration should not be granted on said estate, shows the following grounds, to wit:

1. Because deceased departed this life intestate December 1862, leaving as his heirs at law

Elizabeth E. Hale his widow, Scilita J. Lanier, Mary C. Todd, Shady A. New, Louella Swink and James R. Hale their children, all of whom are of lawful age and that are no outstanding debts of dec'd unsatisfied

3. Because all the personal property belonging to estate of dec'd that was not lost or destroyed during the late war has been consumed in raising, support and maintainance of children and family of dec'd.

4. Because the title to the lands belonging to the estate of dec'd has vested in his heirs at law, aforesaid and the same is subject to be divided or partitioned by them

Wherefor and for divers other good causes respondent objects to granting such letters of administration, as the same is unnecessary and unauthorized in law, and prays that said application may be dismissed

It being represented to the Court that the heirs at law of the estate of James R. And now comes the respondent in the above stated case, by by his atty at law Sam J Winn and says he owes the petitioner nothing and of this he puts himself upon the country &c. Respondent further says that heretofore to wit; on the day of petitioner as the widow of intestate elected to take, and had assigned to her Dower in the lands of the estate of said deceased, and therefore she has no further interest in the real estate. Respondent further says he has sold the personal property and collected the claims belonging to the estate of dec as far as possible, and with the proceeds thereof has paid the debts and expences allready incured with which the same wer chargable as by law in such case provided and there yet remains of the Proceeds of all the Property except realty the sum of Seventy one 21/100 dollars to be divided equally between petitioner and four children as distributees making no allowance for future expences, including letters of dismission which he prays may be taken into account before this fund is distributed

Respondent further says that acting under the belief that petitioner would on a final settlement of said estate be intitled to receive nothing more than her dower and twelve Months support and so believing and without having made any calculation or having others to do so for him, did heretofore to wit; on the day of pay over to the said petitioner the sum of $360.38 as of her distributive share in said estate, when in fact nothing was so due her. Wherefore, respondent prays the court will give him judgment against petitioner for said amount so paid by mistake, together with interest thereon.

In the matter of the 4th annual return of David F Little Admr of W T Scales widow and heir at Law) In Gwinnett Court of Ordinary Filed 7th April 1890.

And now comes Rebecca J Sexton formerly Scales of W T Scales deceased, and objects to said return on the following grounds to wit:

1st Because said admr in this nor any of his former returns does not charge himself with $260.00 in Gold which was on hand at the death of deceased, and which went into the Admrs hands.

2d Because the admr in this nor any of his former returns does not charge himself with $45.37½ received by him for wood sold to J W Baty

3d this objection is marked out.

4th Because the sum paid to S J Winn voucher 16. $25.00 for services in representing the administrator when called upon for settlement with heir at law is no part of the expence of Administration & cannot be allowed.

4th Because the charge in said return as corrected by Error in last return of $130.00 is wrong, the original as charged in said last return is correct. This receipt was given to the Admr for a pair of Mules valued at that sum $230.10, which Mules were afterwards sold back to the Admr leaving only $100.00 due the Admr and he promised to correct the receipt so as to make it call for only $100.00 which it seems he never done.

5th Because the amount stated or charged $593.07 as being on hand last return should, according to the admrs own showing have been $693.07 as there was and is an error in subtracting of $100.00 in the Admr in summing up or casting ballance in the 2nd annual return.

Objections to former returns.

vs

Caveator

Now at this term of Court comes Mrs Lula Hopkins, and Samuel D Smith as the guardian ad litem of said Lula, she being a minor, and interested in this case, and caveats the Probate and Admission to record of the writing proposed as the will of Luther F Hopkins, because they say that

1st, it is not the will of said Luther F Hopkins, and for the reason of the fact that at the time of executing said Paper, the said Luther F Hopkins was not of a sound and disposing mind and judgment, and was mentally incapable of making a will, and was physically unable to write the said instrument.

2d. It is not his will, because at the time of its execution, said Luther F. Hopkins was under undue influence of his father, John R Hopkins, and did not execute the same freely.

3d. It is not his will, because at the time of, and just before its execution he was harrassed by the excessive importunity of the parents and principal legatees named, and he signed it to obtain quiet and reposed.

4th. It is not his will, because his mind was weak and imbecile at time of its execution, and fraudulent practices were employed, by interested persons, viz: John R Hopkins, the father, and the Mother, and the one named as Executor, Jno B Hopkins. To induce him to make a will in their favor and against caveator.

5th. It is not his will, because the paper or writing alleged to be his will was not duly and legally attested in presence of the said Luther F. Hopkins.

6th. Because the alleged will was written at the instance and dictation of the partner of the deceased,

7th. Because there is an erasure and obliteration in said alleged will, which renders it invalid, and cancelled as a will.

For these reasons and others which may be shown, caveator says that the writing offered for probate is the will of Luther F. Hopkins, and pray judgment of the Court refusing the Probate and record of said instrument as his last will and testament.

Robert L. Rodgers
Attorney for Caveator.

Gwinnett County } The Petition of J D Lowe, J T Lowe, C A Lowe, Ella Watson, Ida Bonds, Emma Haynes and C L Whitley, who represents themselves and as agents and next friend for Josie Lowe, Hal Lowe and Hugh Lowe, minors, respectfully show to the Court, that they are the heirs at law of James Lowe, deceased. That said James Lowe was a son of Hugh D Lowe deceased, and as his children, petitioners are entitled to the said James Lowe's share in the estate of Hugh D Lowe, decd. Petitioners show the latter departed this life testate, leaving a large and valuable estate and directing Humphries Lowe to act as his Executor. The latter was duly qualified as such and acted for months - He died, and James D Spence, of this County was appointed administrator of the estate of Hugh D Lowe, decd. cum testamento annexo, and was qualified as such. Petitioners aver that they have not been fully settled with as they are entitled to be, but that said Spence refuses to pay them the full share to which they are entitled under the will of Hugh D Lowe. They therefore pray that citation do issue or process usual in such cases, requiring said James D Spence administrator cum testamento annexo, as aforesaid to be and appear at the next term of the court of Ordinary of said County and come to a full Settlement with Petitioners or that

Citation for settlement in Summons Court of Ordinary filed to March Term 1892.

Jas D Spence Admr
De bonis non of H D Lowe dec

In answer to a citation for a settlement by the heirs at Law of James Lowe, served upon respondent as the administrator De bonis non of H D Lowe deed calling on him for an account and settlement. James D Spence the administrator as aforesaid, submits the following answer;-

That the estate of H D Lowe has not been fully administered that he has not been able to obtain a full settlement with the estate of Hiemphris Lowe, who was the Executor appointed under the will of Dec'd; and there are outstanding debts amounting to four or five hundred dollars which he will probably have to collect by suit. therefore said estate is not in condition for final settlement

That so far as said estate has been collected he is ready and willing to account and pay over to the parties legally entitled thereto what ever sum may be found to be due them.

First. Respondent deserves to the right of the three minor Children of James Lowe, to wit; Josie Lowe, Hal Lowe and Hugh D Lowe by next friend to call on him for a settlement. If they have a legal guardian it is the duty of such guardian to make the settlement. if they have no guardian, he submits to the Court what ever said Plffs can proceed to collect the amounts due said minors, without a legal appointment as next friend and the giving of proper bonds, to protect the rights of said minors,

Second. It will be seen by reference to Return on 1 of this date of file in this office that a distributive share of said estate now due amounts to the sum of $686.11

This would be the total amount due the share of James Lowe dec'd if said James Lowe was not indebted to said estate.

The Admr. now holds obligations of said James Lowe deceased as follows.

1 Note due July 12th 1882. upon which was due July 12th 1891	$ 118.13
1 Mortgage due May 21st 1880. on which there was due May 21st 1891.	330.92
Total	$ 449.05

Deduct from	$ 686.11
Note & Mortgage	449.06
Leaves total now due James Lowe.	$ 237.05

There are 10 shares of Jas Lowe dec'd. which leaves a distributive share for each of Plffs $ 23.70

Third There has been paid said distributee by the executor and admr as appears from the Returns above referred to as follows. J T Lowe $ 50.00
Emma Raynes " 35.52
M L Whitter " 35.52
Sarah I Bonds " 35.52

C A Lowe and J T Lowe owe the estate a note, Principal $ 95.00 Here to the court shown) which is more than their entire share in said estate

Therefore the parties above named are not entitled to a judgment for any sum whatever

Fourth. Respondent further shows that J D Lowe and Ella Watson, two of said plaintiffs reside in Texas and are intitled to a share, which he has and is now ready to pay when called on by a person legally authorized to receive and receipt for the same

The amount retained by him to meet future debts and expenses as shown by said return is in his opinion necessary to protect said estate. but which will be properly accounted for when the estate has been fully administered

And he prays to be here discharged with reasonable cost &c.

The charge or offence for which he has been committed is assault with intent to rape under a warrant therefor sworn out by Emma Earl col. a copy of which applicant is unable now to procure but which he will endeavor to furnish on the trial of the petition. The grounds why applicant alleges said detention is illegal viz: 1st that Excessive bail now required of his said son — which is contrary to the supreme laws of the state and the united states, a fine hundred dollar bond was exacted by said Justice where the which applicant charges is excessive and which he is ready to verify (2) Because applicant knew absolutely nothing about his said sons arrest his trial for said offence or his commitment untill after it was all over with, and the officers were on their way to the County Jail with him — thereby preventing him from being present and assisting his said son in his trial or of preparing the evidence, Examining the witnesses or in any wise, by employing counsel or otherwise from giving his son the benefit of his advice, counsel or influence (3) applicant alleges that no attempt at rape in the sense of the law was committed none was intended and he can show if new if permitted and could have easily and ~~that~~ satisfactory shown if had he had the opportunity of assisting his said son.

He therefore prays that the writ of Habeas Corpus do issue directed to said Haslett requiring him to show cause on thursday the 8th day of December at 9 o'clock a.m. bringing with him before your Honor said Clarence Freeman, why he should not be discharged from custody or be permitted to give bail suitable to his circumstance in life and which to the Court may seem sufficient to cause his attendance upon the court to answer for the offence charged, And your petitioner will ever pray. The petition of J.R. Baxter, next friend of J.P. Minor, L.J. Minor and R.R. Minor - minors and children of D.W. Minor, deceased, respectfully showeth that John Minor was on the 1st day of August 1881 appointed their guardian and the final security on his guardian's bond was and is John Liddell, that said John Minor has wasted and mismanaged said estate, that he made no returns as required by law, that if he ever received any funds in his hands as guardian of said minors he converted the same to his own use, but petitioner avers that in his opinion he never did, and in this failure to true account the funds belonging to said minors he was negligent to his duty. Petitioner shows that both John Minor and said Liddell are not within the jurisdiction of this Court having removed from said State and also from the United States of America and are now residents of a territory occupied and governed by the Indians he therefore asks that the letters of Guardianship of said Minor be revoked and he be discharged from his trust.

Georgia Gwinnett County.
To the Ordinary of said County.
The petition of Mrs. N. A. Johnson Guardian of her minor children to-wit: Lula Johnson, Ora Johnson Elizabeth Johnson, and James E. Johnson showeth the following facts: that said Children and petitioner own seventy five acres of land more or less in the

5th District of Gwinnett County lot No. 54 adjoining lands of William Britt, J. E. Hayney, Thomas Cooper and others and known as the Churchhill Place in Snellville District said County and state. That said Children and petitioner own two thirds interest therein and petitioner in her own right the other one third. Petitioner shows that the rents and profits from said lands are not sufficient to support said minor Children and that it is impossible for her to support, maintain and educate out of the yearly rents of said place. The rents therefrom for the year 1893 do not aggregate $25 while $50 dollars per year for each minor child is necessary to properly support and educate them. Petitioner shows further that it would be unwise to bind out said minor children. Petitioner shows that she is in debt at this time on account of the support and maintenance of said Children. Wherefor your petitioner prays that an order may be granted to sell said interest of said wards in said land for the purposes aforesaid, petitioner to dispose of the proceeds thereof as the law requires or the Court may direct

The undersigned heirs at law of W. T. Perry deceased to wit: John T. Perry, Mrs. M. E. Shields, Mrs. Izzie Hamilton, Mrs. Alma Camp and Mrs. Emma Bell all being over 21 years of age hereby severally and collectively agree as follows: That our mother Mrs. Martha J. Said policy of insurance made payable to said Martha J. We the undersigned children and heirs at law of James C. Carroll late of said County, deceased, unite in asking the Court to appoint John T. Carroll as the administrator or as one of the administrators of said estate upon the following grounds:

First. That there is a considerable estate to be disposed of and it is involved in debt of various kinds, and it will require careful management to administer it as to save anything for the Children of deceased.

2 That he is familiar with the business of deceased, and can probably save the estate money by careful settlement

3 There are a number of tenants of the farm who must be settled with, crop divided in kind, advancements of supplies bought up and and it will require an active business mans to clear up the business satisfactory to all parties.

We therefor respectfully petition his appointment as we believe the interest of the estate demands it

Court of Ordinary Gwinnett County Ga
Application for 12 months Support
return of appraisers April Term 1875.

¶ I And now comes M. S. Haynie widow of D. W. Haynie and a person at interest and objects to the return of appraisers being entered of record as the judgement of the court on the following grounds towit:

First the said appraisement is not just for the reason that certain articles included in the appraisement did not belong to deceased at the time of his death, and constituted no part of said estate. Said articles are as follows:

Town lot appraised at		$100.00
One Sewing Machine	"	" 25.00
One Pork Hog appraised	"	" 10.00
One Bed spring	"	" 3.00
Large Am Chair	"	" 1.50

¶ II Because certain articles included in said return were estimated therein for much more than a just appraisement would authorize towit:

The fifty acres of land appraised at Four hundred and seventy five Dollars is not worth more than half that amount and upon a just appraisement should not be estimated at more than $250.00

The carpenters tools estimated at $10.00 should not have been appraised at more than four Dollars

A watch appraised at eight Dollars should not have been appraised at more than Three Dollars.

The tableware and cutlery appraised at five Dollars should not have been appraised at more than one dollar.

¶ III Because the appraisers estimated and included in said return one hundred bushels of corn at Fifty Dollars and one Thousand bundles of fodder at Fifteen, whereas not more than one half that amount belonged to the estate, there being only bushels of corn worth Dollars and only bundles

of fodder worth $

W IV Because upon a just appraisement said estate does not exceed in value the sum of five hundred dollars, and the whole thereof should be set apart for the support and maintenance of of Caveator M.S. Haynie widow of said deceased.

Wherefor Caveator prays your honor to pass an order vacating said return and setting apart the whole of said estate for the support and maintenance of Caveator.

R. B. Whitworth

Georgia, Gwinnett County:

To the Hon. R. B. Whitworth Ordinary of Said County:

The petition of John Cooper Col. shows the following facts:

First: Applicants name is as stated, to wit: John Cooper, and as stated he is a person of Color.

Second: Petitioner avers that he is restrained of his liberty by Thos. A. Haslett, the Sheriff of said County under some pretended warrant or authority which petitioner alleges and charges is illegal, The place of petitioners detention is the common jail of said County which is located at Lawrenceville in said County.

Third: Petitioner cannot set forth the cause or pretense of such restraint, and for this reason, if the same is under pretext of legal process he cannot attach a copy of such process.

Fourth: Petitioner avers that at the august term 1895: of Walton Superior Court, he entered a plea of guilty to an indictment for receiving stolen goods as petitioner is informed and believes, though he understood at the time that he was pleading guilty, and only intended to plead guilty to Simple Larceny, The Court sentenced him in said case $300 and cost or months in the chaingang. This sentence was imposed on said petitioner during the last week of said Court, which was held on the fourth Monday in August last past.

Fifth: Petitioner avers that the sheriff and his deputy of said County of Walton, as aforesaid, discharged him from custody and permitted him to leave the court and said County and return to Lawrenceville, Gwinnett County, where he was residing and now resides, agreeing to look to E. M. Brand for the fine and cost. Upon some agreement, the terms of which petitioner does not know, between said sheriff and his deputy, and the said E. M. Brand he was discharged from their Custody, as aforesaid and released from the payment of said fine or serving out said sentence on account of said agreement, and he was then and thereafter given his liberty.

Sixth: Petitioner avers that if this is the case or pretense of such restraint it is not well founded, and the present restraint of his liberty is illegal. Petitioner charges that after said sentence was imposed, and he was discharged from custody by said officers and given his liberty, they have no authority under the laws of Georgia to rearrest petitioner or have him rearrested or again taken into custody

and petitioner for this reason alleges that the restraint of his liberty as aforesaid is illegal. It is illegal for the additional reason that said officer agreed with said E.M. Brand to look to him for the fine and cost, and not thereafter to petitioner for the same, or to require him to serve out said sentence on failure to pay the same.

Wherefor petitioner prays your honor to issue a writ of habeas Corpus directed to the said Thos A. Haslett, Sheriff as aforesaid, requiring him to bring your petitioner before your honor at such Time and place as your honor may direct that what is right and lawful may be done in the premises

Petition to citation to settlement

The petition of A. S. Brown, D. M. Brown, Mrs. M. E. Lewis and J. C. Harris, natural Guardian of his two minor Children Stella Harris and Covert Harris, shows the following facts to wit:

First:- That A. G. Harris of said County at the Nov. Term of said Court 1875. was appointed administrator on the estate of R. S. Brown, deceased, and was duly qualified as such.

Second:- That said Harris has converted the proceeds of said estate into money, and paid all the debts thereof, having in his hands to be distributed among the heirs of said deceased on Aug. 30, 1880, $144.84 to which petitioners are entitled besides interest

Third:- petitioners show that they are all the heirs at law of said deceased, and that there is no reason why said administrator should not come to a settlement with them, and pay over to each his distributive share in said estate.

Wherefore, petitioners pray that said A. G. Harris administrator, as aforesaid, be cited to appear before the honorably Court of Ordinary of said County on Tuesday the 15 day of October ~~1875~~ next then and there to submit to and and abide by a settlement before the Ordinary, with petitioners, and your petitioners will ever pray.
