Petition for probate of the last will and testament of John King deceased in Gwinnett Court of Ordinary April Term 1896.

And now at the term of Court aforesaid comes John S. King, Harvey M. King, V. S. King, A. J. King and Nancy E. Mauldin by their Attys at law Juhan and McDonald and files this their Caveat to the proof of said will so sought to be set up and for cause of objections say the same is not the last will of and testament of the said John King deceased.

1st. Because at the time of its execution the said John King was of unsound mind, and not capable of making a just and equitable division of his property between his children.

2d. Because at the time of the execution of said paper said John King deceased was old and infirm, of very weak mind easily irritated and influenced, and that he was unduly influenced by his wife who was then in life but who died before said John King died, and his five unmarried daughters to wit: Mary J. who has since married Pitman, Sadina R. who has since married Bradford, Rachel E., Emma G. and Savilla O. King, and who induced the said John King deceased, to believe that unless he left to them almost his entire property they might and would come to sufference or want and that your objectors were all married off doing well and were able to take care of themselves, thereby inducing said John King to execute the said unjust and inequitable paper propounded and offered as his will, conveying to his wife and five daughters the bulk of his property and objectors a very small allowance indeed.

3d. Because a will does not take effect, and passes no title until after the death of said testator, and as Mrs. Nancy E. King died before her husband the testator no title to the property mentioned in item 1st of the will passed or could have passed to her under said will

Therefor said item fails, and that upon the failure of said item then Item 2 of the will fails and cannot be set up as there can be no ~~fee tail~~ estate in remainder unless there exists a first estate upon which the estate in remainder can rest of after the termination of which the remainder may be enjoyed or begin and the will must be upheld as to these Items one and two

agreement

In Re the application for probate of the will of John King deceased in solemn form and caveats filed thereto

Whereas, N. S. King, one of the executors named in said will, has applied for leave to prove the same in solemn form.

And whereas, on this day Harvey M. King, Vinson King & Mrs. N. E. Maulding filed objections to the probate of said will as stated.

And whereas, after so filing the same all of the heirs at law and children of said deceased have come together and agreed upon a settlement as follows, to-wit:-

First:- Miss Villa King, Miss Emma King, Miss Elizabeth King and Mrs. Mary Jane Putnam, after the will is set up as hereinafter set forth, to make a warranty deed to John S. King, to their undivided interest in and to 50 acres of land on the east side of the 480 acres of land described in said will, or the northeast side thereof, being off of that part of said land next to said John S. King.

Second:- As Mrs. D. R. Bradford another one of the heirs at law and legatees to said will, declines to join in with her sisters above named and giving away her interest in said land to said Jno. S. King, when said 50 acres of land is run off and surveyed the said John S. King agrees to do one of two things either to pay Mrs. Bradford whatever is just and proper for her one-fifth interest in said fifty acres of land, or to divide the said fifty acres between herself and said John S. King and cutting off for her one fifth part thereof both to mutually agree upon such division either in money or property.

Third:- The first four named of parties aforesaid, not including Mrs. Bradford, further agree to make a warranty deed to Vinson King and to N. S. King to their undivided interest as heirs at law of said deceased in and to the One hundred acres of land not described in said will and which has been purchased since the will was made the same being known as the Shaw Place situated in District said County That is to say each one of said four is to deed to the said N. S. and Vinson King respectively one fifth undivided interest

in and to said One hundred acres of land, each deeding to said A. J. King one-fifth undivided interest to fifty acres therein and each deeding to said Vinson King one fifth undivided interest in the other fifty acres.

Fourth: It is further agreed by and between all the heirs at law of said John King, deceased, that no petition for administration shall be filed by any one of said heirs on the estate of Mrs. Nancy E. King, deceased.

Fifth the caveat filed this day is to be withdrawn at once and the will of said John King is to be set up and prolated as his last will without objection.

Application for temporary letters of administration

The petition of Mrs. Sarah F. Davis shows that she is the widow of James W. Davis, late of said County deceased, that her said husband executed his last will and testament, which will has been admitted to probate in common form in the Court of Ordinary of said County.

That by said John L. Davis was appointed Executor of the will but is yet a minor, being nineteen years of age on the fifth day of January 1896. That under the will he cannot qualify until he arrives at his majority and that the estate of said deceased consisting of lands and personal property in said County will be unrepresented until said executor can qualify. That it is necessary in order to protect the property, keep the same from going to waste, renting out lands and collecting rents that there should be administration who can act until the Executor can qualify.

Wherefor she prays that she may be appointed Temporary admr. with will annexed with all the rights and powers confered by law upon a temporary administrator, and that letters do issue to her complying with the Statute in such cases made and provided.

application for settlement

To the Hon. R. B. Whitworth, Ordinary of said County.
The petition of Mrs. S. E. Kent and Mrs M. L. England shows the following facts:

First, that they are heirs at law of the estate of D. R. Philips deceased, and each entitled to a distributive share in said estate

Second, that J. P. Philips & D. P. Philips are administrators of said estate and have been qualified and appointed more than twelve months prior to this date

Third, that said administrators have sold or otherwise disposed of most of the estate both real and personal of said deceased, and decline to pay over or settle with petitioners for their interest therein, each being entitled to one seventh interest therein

Fourth, petitioners charge that said administrators have not complied with the law, as such in making returns, renting out the real estate, and selling the same and have become liable to petitioners

Fifth, petitioners show further that at the time of said administrators were qualified as such they gave bond with W. L. McDaniel and Elijah Pittard as securities who were amply solvent at the time. Petitioners show that said Elijah Pittard is dead and his estate virtually disposed of, and that said McDaniel as petitioners are informed has became insolvent.

Petitioners therefor pray that said administrators to show cause before your honor at the next regular term of said court why said bond should not be strengthened, and failing to do so that the Court order their letters of administration to be revoked, and petitioners further pray judgement against said administrators for their interest as aforesaid.

1st That said M. L. England has no interest in said estate she having conveyed all of her interest therein to one James M. Flowers and that heretofore to wit, in May 1878 said M. L. England filed defendants to a settlement before the Ordinary of said County and a settlement was had before said Ordinary and judgement rendered in her favor for the use of James M. Flowers for her entire interest in said estate except her interest in the reversionary interest in the widows dower lands, this judgement was rendered on the day of 1878 and appears upon the records of said Court of Ordinary.

2d That said defendants have long since settled and accounted with said S. E. Kent for her entire interest in estate except her interest in the widows dower.

3d That said dower interest was not sold until the fifth day of Nov. 1895 the one half for cash, the other one half to become due twelve months after date. This citation was filed the 8 day of Nov. 1895 before defendants were in a condition or had time to ascertain the condition of the estate so as to prepare for and make a settlement with the creditors and heirs at law of said estate, and defendants submits that plaintiffs therefore ought to pay the costs of this proceeding.

To the Court of Ordinary of Said County
the petition of A A Willbanks Shows the following facts
That at the April Term 1896 of the Court of Ordinary
of Said County he was qualified as Executor of the last will
and testament of his Father Hosea Willbanks deceased
and since that time he has been acting as such
Since his qualification the of Said deceased has married
the place who she lives and the property of deceased is in
Gwinnett County and petitioner resides in Hall County
about Eight miles away it is very inconvenient and
Expensive for him to have charge of said and it is not
the interest of Said estate that Some one in Gwinnett
County be appointed he can not do justice to the estate
living in Hall County when all the estate and the
interest thereof is in Gwinnett in addition to the above
reasons petitioner alleges that he is unable administer
upon Said estate or discharge the duties of Executor thereof
by reason of his physical condition he has infirmities of
the bodily which prevents him from being able to
properly look after and care for Said Estate and it
is nessary that Some one else be appointed for that purpos
Petitioner names as a suitable person who is entitled
to such an administration the wife of said deceased whom
petitioner is informed and believes is willing to accept
the trust and is qualified. Whether she accepts or not the Ordinary
will have to appoint some one else as petitioner is unable on
account of his physical disability to look after and discharge
the duties of said administration. He therefore prays the
usual citation issue to all persons and the next of kin
to deceased to show cause if any they can, at the next term of
the Court of Ordinary why his resignation as executor as
aforesaid which he thereby tenders should not be accepted
and allowed and your petitioner will ever pray.

The petition of Abel A. Willbanks, Executor of the will of
Hosea Willbanks deceased, shows that he desires to resign
said trust for the reason that he resides in another County
and is physically unable to discharge the duties incumbent
upon him as such executor. He names the widow of Hosea
Willbanks as a suitable person to take charge of said estate
This is therefor to cite ~~all persons~~ said widow and and the
next of kin to show cause at the January term 1897 why said
resignation should not be excepted and administration with will
annexed vested in said widow.

Gwinnett Court of Ordinary.

It appearing to the Court that the facts set forth in this petition are true - A. A. Willbanks, being unable by reason of bodily infirmities to continue in the discharge of duties as executor and having named the widow of said deceased viz. Mrs. Harriet Roberts who consented to qualify and act but who now declines, and no reason appearing why the ~~present~~ resignation of the present executor should not be accepted and he be discharged. And it further appearing that J. M. Mills County administrator consents to act and accepts said trust and it appearing that he is a suitable person to act in this capacity: It is therefore ordered that the resignation of said A. A. Willbanks be and it is hereby accepted and the said A. A. S A Harris vs Mary Harris Administratrix of W S Harris deceased
Citation for Settlement in Gwinnett Court of Ordinary
And now comes the defendant Mary Harris Administratrix of W S Harris deceased in answer to a rule Srod on her to Show Cause why She Should not pay over a distributive Share

of Said Estate to plantiff for answer thereto Says
first that W S Harris departed this life on the 16 day of March 1893
And that defendant was duly appointed his administratrix that She
proceeding to administer Said Estate as required by law
that while Said Estate has not been fully administered that there was
due each of the legatees the Sum of One Hundred and forty Dollars that
being the Amount of a distributive Shair as far as Said Estate has been
administered. That She has paid to each of all of Said Heirs at law
the Sum of One Hundred and Forty Dollars and returned their
receipts to Court except as hereinafter set forth
Fourth That the Plantiff S A Harris is one of the Children and heir at law
of Said W S Harris deceased and would have been intitled to One
Shair of Said Estate if he had not already recived more than an
Equal Shair of Said Estate by way of advancements made to him
by the deceased from time to time which is quale than a distributive
Shair of Said Estate as respondent has had advantage
for further answer respondent Shows that Said W S Harris advanced
to Said S A Harris from time to time the Sum of two hundred and fifty
dollars in money and that on the 26 day of August 1879 he counted
up Said advances and took the premises by note of Said plantiff
in the Sum of the Amount of Said advances due one day after date
which Said note Said deceased held up to the time of his death
and which represents as his administratrix now holds against
him that as She is informed and believes and so charges Said
W S Harris never intended to collect Said note but intended it
to be an advancement to be accounted for in the distribution of
his estate and that the note was only in the Nature of a memorandum
to fix the amount which plantiff must account
that it was the intention of Said testator at the time Said note
was taken and at the time money was advanced to treat it as
advancement to his Son
Plantiff having recived more than his Shair of Said Estate
is therefore not entitled to any thing further therefrom
And having fully Answered Respondents prays to be hence discharged

Petition

State of Georgia Gwinnett County
To the Ordinary of Said County
The Petetion of C P Lively and S F McElroy Administrators of
M C Lively deceased Show the following State of facts
first- That as Such administrators they have Obtained a General
Order to Sell the lands of the Estate of Said deceased
Second That prior to his death Said M C Lively Granted a lease
for the time of three years to certain parties to Tap the pine timber on
Lot of land No 175- in Wilcox County a lot of wild land then owned by
Said deceased for the purpose of obtaining the turpentine in Said timber
and That in pursuance of Said lease Said parties did obtain the
turpentine from Said pine timber.
Third That- Said lease has about 14 years and Said timber is Subject
to wast and distruction by fire and rot and may become a complet-
loss to Said Estate
Fourth Petitioners further Shows That it is not to the Intrest of
Said Estate to dispose of Said land at this time as the same is
Advancing in Market Value but it is nessary for the protection of
the intrest of Said Estate that Said pine timber which has been
tapped Should be Sold at private Sale
(Fifth) Wherefore they pray the court to pass an order them to make
Sale of Said timber to the best advantage at private Sale Said
land being pine land and the timber being Subject to be
destroyed at any time unless it is cut and disposed of

Petition

Georgia Gwinnett County

To the Ordinary of said County The petition of Mrs Laura Wilkes Bates Shows the following facts.

First That N B Bates of said county departs this life in said County on the nineteenth day of June 1899 leaving an estate in said County and leaving your petitioner his widow and his minor Son William S Bates dependent on him for a support.

Second Petitioner further shows that the last will and testament of said deceased has been proven and admitted to record in said Court and that she has been duly qualified as the Executor nominated only said will

Third Wherefore She prays that commissioners be appointed to set apart a sufficiency of the household furniture for the use of said family and a years support for the use of the said widow and minor child as provided for by law.

Caveats In Re- application for years support of Mrs Laura W Bates estate of N B Bates Deceased Gwinnett Court of Ordinary

And Now at the September Term 1899 of the Court of Ordinary said County Comes Laura W Bates the Executrix of the last will and testament of N B Bates deceased and Caveats the return of the commissioners appointed to set apart a years support for the widow and Minor children of said deceased and for Cause of objections Shows

First That the application of the Widow only asks for a years support for herself and her Minor child W S Bates When as said appraisors set apart a years support for James Bates and Jessie Bates Children of said N. B. Bates by the former marriage of said N B Bates the Sum of four hundred dollars

Second That said Children James Bates Jessie Bates of said N B Bates Deced were Not entitle to a years support out of the estate of said N B Bates for the reason that by a divorce of the Superior Court of said County in a suit for divorce then and there pending between said N B Bates and Emmer Bates Bates his former Wife it was by a Consent Decree then granted Which decree is here to the Court shown provided that the Custody and the support and maintainences of said children James and Jessie Bates Minor Children of said N B Bates should be given to his Wife Mrs Emmer Bates and that by the terms of said decree said N B Bates While in life was not bound for the maintainance and support of said Minors that they are not entitled to a years support out of his estate after his death that said judgment is filed and in said claim for support in behalf of the Widow and her children by this first marriage of said N B Bates and therefore they are not entitled to a years support out of his estate after his death

Third That by the terms of the last will and testament of Said N B Bates deceased said applicants Jim Bates and Jessie Bates are entirely excluded from any participation in any part of his estate but the whole of said estate after the payments of the debts of said deceased is by the expressions of said will given to his lawful Wife Mrs Laura W Bates and his Minor Child W S Bates

Fourth That the ammount set apart by said appraisors to wit the Sum of Eight Hundred dollars for the Maintaince and support of the Widow and Children of said N B Bates deceased is excessive and unreasonable esthmated according to the circumstances and Standing of the family of said deceased previous to the death of said testator and Keeping in view the Solvency of said estate

fifth Said caveator futher shows that the estate of said Deceased is largely in invested in debt Which it is her duty under the law to pay out of the ammt of said Estate Mounting to the Sum of Eight Hundred dollars or other large ammt the Mount of which she can not now state as the twelve months allowence her to look into

said estate and ascertain its condition has not six expired She therefore prays that the return of said Commissioners setting apart said sum of eight hundred dollars be set aside and that a new board of Commissioners be appointed to set apart a years support for herself and Minor Children of Deceased T W Peeples Att Atty
