Caveat — And now comes the heirs at law of Mary A Thornton deceased to wit James Thornton Julia Sewell John Thornton Martha A Pass Mary J Cole Annie Yarber Lizzie Yarber Elizabeth Yarber Martha Yarber Willie Yarber William Payne Ella Payne Nora Payne Sarah Payne Magadien Payne Reubin Payne and Ola Payne and object to the nuncupative will of said deceased being set up as her last will and testament upon the following Grounds 1st because said deceased never voluntarily and of her own free will expressed any desire to make a will, at the time or in the manner alledged by the propounder thereof in his petition and was only induced to say any thing concerning the disposition of her property by the questions of Mrs William Crow and at a time when she was in such a weak and feeble condition physically and mentally as to be incapable of making a rational disposition thereof 2nd Because Deceased never expressed any desire to make a will as alledged nor did she ask any one of the number of competent witnesses in the room at the time to bear witness that she was going to or did make her last will and testament

3d Because said deceased had ample time to have made and executed a will in writing during her last sickness had she so desired as she was not stricken by sudden illness and under such circumstances that she had no opportunity during said sickness to make a written will

4th Because said deceased at the time said alleged nuncupative will was made did not have sufficient mental capacity to make a rational disposition of her property

5th Because what the deceased realy in the conversation with Mrs Crow and which is offered for probate as her last will and testament was not intended by her to be executed or proven as a will 6th Because what deceased said to Mrs Crow was wearly in conversation and in answer to a question put to her unexpectedly and while in a semi conceous condition

Gwinnett County } To the Ordinary of said County.

The petition of J W Butler shows the following facts.

1st - That he is a Citizen of said County and that his daughter Mattie E Rutledge departed this life on the 30th day of December 1903. and she was the Mother of four Minor Childrens to wit Cleveland Rutledge aged four years and five months, Claudia Rutledge aged two years and Nine Months, And two infants who are twins, who are now six weeks old but are unnamed yet.

2nd - That while she was sick, about two weeks before she died She gave all of said Children to her mother and applicant to to mind and Care for, to have the Custody of the persons of the said Children.

3rd - That applicant and his wife agreed to take Charge of said

children, and he made no objection thereto, and upon the death of their mother said applicant was legally entitled to their Custody.

4th - Applicant further shows that since the death of his daughter, the mother of said Children, George Rutledge of said County has illegally taken possession and Control of said Minors in Rockbridge District in said County, and is keeping them from his Custody by moving them about from place to place in said County. The two infants are at the residence of Jim Rutledge, and the other two are in the Custody of said George Rutledge, and have no fixed place of abode.

5th - The Cause or pretext of said George Rutledge, for detaining said Children is that he is the father of said Children.

6th - Petitioner further shows that said George Rutledge has no home or suitable place to carry said Children to and take proper care of them and that he is a person unfit both by Character and habits to have the Custody of said Minors, but that petitioners has a Comfortable home to provide well for said Children as he agreed to do with their Mother.

7th - Petitioner avers that the restraint of the liberty of said Minors is illegal, he being entitled to the Custody thereof under his Contract and as the Grandfather of said Minors who are kept illegally from his possession by said George Rutledge.

Petitioner therefore prays your Honor to grant a Writ of Habeas Corpus requiring the said George Rutledge to bring said Minor Children as above described before you, at a time and place to be specified in said Writ for the purpose of an examination under the Course of said detention

In answer to said writ Defendant says.

1st - That he admits the allegations in paragraph 1,

2nd - He denies the allegations in 2nd and 3rd. paragraphs.

3rd - Deft denies all the allegations in paragraph 4, except that he admits that at the time of the suing out of Pltffs writ that he was in the possession of said Children, but avers that his possession was legal, he being the father was entitled to their Custody. he admits that he had placed the two infants in the Care of Mrs James Rutledge, a good and true woman, who had agreed to take Care of them for him temporarily, and that he had the other two Children with himself at his fathers.

4th. He admits the allegations in par 5.

Response and answer. J W Butler vs George Rutledge } Habeas Corpus. before his Honor J P Webb Ordinary of Gwinnett County Ga.

By way of response and answer to the writ of Habeas Corpus, Deft says that.

1st That he is unable to produce in Court the Children mentioned in plaintiffs petition, for the reason that they have been seized and taken from Defts legal Custody by R T Martin Sherriff of said County, and turned over to the illegal Custody of the Plaintiff without bond or legal obligation for their appearance before your Honor.

2nd - Deft says that he is entitled to the Custody of said Children. because he is their natural and legal father, born in lawful wedlock with the woman he loved above all others. and sanctioned by all just laws human and divine, and no Court has any right to change their Custody, except as follows.

1st - By his voluntary Contract, releasing that right to a third person, this he has not made with plaintiff or any one else.

2nd - By Consting to the adoption of the Child by a third person, this he has not done.

3rd - By failure of the father to provide necessaries for his Child or his abandonment of his family, neither of which he had, or has done. It is true that Deft is very poor, and he has never been able to provide them with the luxuries and Comforts that many

families have jobs are more fortunate and able to provide them, but that he has always provided them with a home to live in, and enough Common food to eat, and Clothing to wear, but this is no reason why his Childrens be taken away from him after his wifes death. And before this proceeding he had found a good and kind woman, his sister in law Mrs. James Rutledge who had consented to and had taken the two infants to nurse and take Care of temporarily That he had made arrangements with his father J M Rutledge who is a good Man and who has a good home, and plenty of lands, to live with him the present year that Defdt has an unmarried sister 23 years old living with his father who is a good woman, and that she, and his father have agreed to help him Defdt take Care of the Childrens. That Defdt is young, able and willing to work and earn a living for his Childrens, and desires to be allowed to do so. That Plff is little better if any able to take Care of the Childrens that Defdt, he is only a renter moving from place to place each year, has no home of his own, has a family of 6 or 7 Childrens to Care for. That he and his wife are in advanced age some 50 years old each, have not the strength, and patience to worry, with babes and sucklings. That they are Defts Worst enemies and if the Childrens should be awarded to them Defdt would not be allowed to visit and see them if at all in any satisfaction.
