Petition. Georgia Gwinnett County

To the Hon. J. P. Webb Ordinary of said county. The petition of Mary Lott colored, respectfully shows. 1st That Fletcher Lott colored a boy fourteen years old is kept illegally from the custody of petitioner by one, Jack Lott colored a resident of said county. Second Petitioner shows that the said Fletcher Lott is the Grand-son of Petitioner being the son of her daughter-in-law Emma Lott and her son Jack Lott that the mother of said Fletcher died when he was nine months old and at her death she left the said Fletcher in the custody of petitioner and directed her to raise, keep and care for and support him until he became of age and specially requested the petitioner to do this saying at the time that she gave him to petitioner. Third. Petitioner shows further that she took said Fletcher in according with the dying request of his said mother and raised him cared for him and supported him until on or about the first day of February 1908. When he went upon a visit to said Jack Lott his father and where has since been, the said Jack Lott refusing to allow him to return to her and keeping him away from her. Fourth. She shows further that the said Jack Lott the father of said Fletcher and in whose custody he now is, is not a fit or proper person, to raise, teach or support him as he has been guilty of various violations of the laws of this state and has served a term in the Chain gang for wife-beating and that while said Fletcher was young and had to be looked after that said Jack would not do anything towards his support and only desires now to keep him because he has gotten large enough to work for him. Petitioner shows also for various other reasons the said Jack Lott is not a fit or proper person to have the control and custody of said Fletcher. Fifth. Petitioner shows further that at the time the said Fletcher was placed in the custody of petitioner by his mother upon her death bed that the said Jack Lott at the time had run away with another woman, had abandoned his family and left him then wife and children without means; that petitioner not only had to raise said Fletcher from infancy but also had to take and support the said Jacks other children to which he never contributed; that the said Jacks other children and the woman he ran away with both prosecuted and convicted and either served their time or paid out that since said time the said Jack had served for other offences in the chaingang; that he is a depraved and unfit person to have the care and custody of even his own children that he is of an ungovernable temper, curses and abuses even his present wife and when a few days ago the said Fletcher was demanded of him he replied by saying "and all the damn sheriffs you want to you'll never get him" showing that he is an unfit and dangerous man to have the custody or control of said minor the said Fletcher. Wherefore, the petitioner prays that your Honor

Burel et. al. caveators pending in the Court of Ordinary of Gwinnett County The Undersigned acting as commissioner has caused J. B. Moore a witness in said case to come before me who being duly sworn true answers to make to the annexed Interrogatories deposes and answers as follows, Direct Interrogatories. The First Interogatory he answers, I reside in Bayley Appling County Georgia: To the second Interrogatory he answers yes I knew William B. Williams during his life. To the third Interrogatory he answers yes I have seen the paper attached to the Interrogatories previous to this time and it is the will of W. B. Williams. I saw it at the time I prepaired the same on the 19th day of August 1903 at auburn Ga. To the fourth Interrogatory he answers It was dictated by Mr Williams the testator. To the 5th Interrogatory he answers yes I am the J. B. Moore who witnessed the will yes I saw Mr Williams sign the will. I signed same at the time the will was signed by mr Williams To the Sixth Interrogatory, he answers, yes I am acquainted with the other subscribing witnesses. J. B. Moore, W. M. Ethridge and J. N. Morrison were all present and signed the will as subscribing witnesses in the presence of the testator and of each

other. To the Seventh Interrogatory he answers yes the will was freely and voluntarily signed by Mr Williams yes he knew the contents of the will at the time same was signed. To the Eighth Interrogatory he answers so far as I know his mind was alright. I saw nothing to the contrary. To the first cross-Interrogatory he answers as I remember we were in the store of mr A. J. Pool of Auburn Ga yes mr Williams was present when the will was prepared no his wife was not present no his wife was not present when the will was dictated and written. I think it was written at the store of A. J. Pool as I remember Dr T. A. Fowler was present but can not remember just who else was present if any one besides the subscribing witnesses To the second cross Interrogatory he answers yes I saw both of subscribing witnesses sign same same was signed where it was prepared I think I do think it was in the store of A. J. Pool. To the third cross Interrogatory he answers I had known mr Williams for several years but not intimately and dont remember ever to have met Mrs Williams but knew her when I saw her. So far as I know she hodr no influence over him— no she had nothing to do with the dictation of the will at the time it was written. I cant remember any reward made by him about the way his wife wanted the will prepaired I do not remember any remark to reference to pleasing his wife and keeping peace in his family. To the fourth Interrogatory he answers I dont remember that any one made any sugestions to mr Williams about his daughter Catherine I do not know why she was given one Dollar. It is not true that mr Williams stated that he wanted his daughter Catherine to have an equeal share. I prepaired the will just as he stated he wanted it. Mr Williams did not state that he had to cut Catherine out in order to have peace in the home. I remember no remark whatever about his being forced to cut Catherine out. To the fifth cross Interrogatory he answers no the name of Mrs L. C. Williams was not written in the fourth Item of the will at the time it was prepaired as I remember the name of T. A. Fowler appeared in that place yes It appears to have been rubbed out I do not know who did this I do not know

who did this. I did not do this myself. As I remember the name of T.A. Fowler was written there as I remember the name of T.A. Fowler was written there. As I remember the name of T.A. Fowler appeared in the will as originally prepaired as the executor of the will and not the name of Mrs L.C. Williams. Answered subscribed and sworn to before me this the 16th day of July 1908. C.L. G.G. Robinson Ordinary

Petition Georgia, Gwinnett County.

To the Hororable G.G. Robinson, Ordinary of said County:

The petition of C.C. Vaupelt shows the following facts.

1. Your petitioner is the legitimate father and sole surviving parent of Mamie C. Vaupelt, a female of the age fourteen years.

2. Petitioner shows that now and for some time past, one Dr. T.M. Lee, of said county, has taken away from from your petitioner and is illegally detaining in his possession and from the custody of your petitioner the person of the said Mamie C. Vaupelt the minor daughter of your petitioner as aforesaid, harbouring and restraining the said child at the residence of the said defendant, in said County.

3. Petitioner avers that he did, on the 18th day of December, 1908, demand the said child from the said Dr. T.M. Lee, and since that time has frequently applied to the said Lee for the same, and has endeavored to induce him to deliver to your petitioner the person of his said minor child.

4. Petitioner avers, that nevertheless the said Dr T.M. Lee fails, neglects and refuses to deliver said child to your petitioner, as in duty bound.

5. Petitioner shows that Dr. T.M. Lee is a stranger to said child and the cause or pretence of his restraint of her is that the Ordinary, not acting as such, and others entermeddling with the rights of your petitioner and against the liberty of said child, pretended to turn said child over to the custody of the said Lee, who holds and restrains said child without lawful warrant, authority or justice towards said child or its parent.

6. Petitioner avers that the said detention and restraint of Mamie C. Vaupell, his minor child aforesaid, is illegal, because he is the father of said child and entitled in law and all good conscience to be control and custody and to her service and the proceeds of her labor, and he has not at any time, either by contract or otherwise released his right to said child.

Wherefore, petitioner prays your Honor to grant to your petitioner the State's writ Habeas Corpus, directed to the said Dr. T. M. Lee, Commanding and requiring him to produce the person of the said minor, to wit- Mamie Vaupell, before your Honor, at such time and place as to your Honor shall seem meet and proper, to the end that what appertains to justice may be done.

Defendants Answer.

C.C. Vaupell ; petition for writ of Habeas Corpus, Before
vs. ; Hon. G.G. Robinson, Ordinary Gwinnett Co. Ga.
Dr. J.M. Lee ;

And now comes Dr. J.M. Lee, the person against whom the above Stated writ was directed, and produces the body of Mamie C. Vaupell, the person alleged to be illegally detained by him, and for answer to said writ and the alleged illegal detention of said Mamie C. Vaupell, and answering the petition, Says:-

-I-

Defendant can neither admit nor deny the first paragraph of the petition for want of information.

-II-

Defendant, answering the Second paragraph of the petition, admits that he has the possession of the said Mamie C. Vaupell, but denies that he is illegally detaining her or that he took her away from petitioner but on the contrary says that his possession and detention of her is legal and was legally obtained, as more fully set forth hereinafter.

-III-

The third paragraph is denied.

-IV-

In answer to par. 4, of the petition defendant Says that while no demand has ever been made upon him by petitioner for said Mamie C. Vaupell, that, nevertheless, if he had, defendant would have refused to deliver her to him, as he is not entitled to her possession, custody or control, for the reasons hereinafter more fully set forth.

-V-

Par. 5, of the petition is denied.

-VI-

Par 6, of the petition is denied.

-VII-

Defendant Shows further that on or about the 5th day of June 1908 the said Mamie C. Vaupell was terribly and brutally beaten and whipped not Only by the petitioner, the said C.C. Vaupell, but also by Others by his Knowledge and Consent, while in his possession, Custody and control, and that on account of the terrible beating and the cruel and inhuman treatment that the said C. C. Vaupell had from time to time prior thereto inflicted upon the said Mamie C. Vaupell, and especially on the date aforesaid She was forced to leave him, and while wandering about in the dark night of June the 5th, 1908 in a Strange Community

where the said C.C. Vaupell had a short time prior thereto, brought her, She came upon the home of E. W. Davis, arriving there in the dark, with her body bruised and beaten by the petitioner, and with clothing so scant as to be insufficient to cover parts of her nude body. Under authority of law the said E. W. Davis applied to the Ordinary of said County, at that time Hon. John P. Webb, alleging the cruel treatment of said child by the said C.C. Vaupell, and the said Ordinary was about to cite the said C.C. Vaupell to answer the said allegations, and if true to appoint a guardian for the person of said Mamie C. Vaupell, or to take such other legal steps as were proper in the matter, but the said C.C. Vaupell hearing of the proceedings which were about to be taken, voluntarily gave up and relinquished his parental authority and control of the said Mamie C. Vaupell to the defendant.

-VIII-

Defendant further shows that on account of his cruel treatment of the said Mamie C. Vaupell, as hereinbefore set forth, that the said C.C. Vaupell has forfeited and lost his parental power, custody and control of the said Mamie and he is therefore for this reason alone not entitled to her possession, custody or control.

-IX-

Defendant further shows that the said C.C. Vaupell is not a fit or proper person, morally or financially, to have the custody, control and possession of said child.

-X-

Defendant further shows that at the September Term 1908 of the Superior Court of said county the Grand Jury of said County indicted the said C.C. Vaupell on the charge of Assault and Battery on the person of the said Mamie C. Vaupell, which charge is now pending not yet having been tried, and which will be in Order for trial at the March Term 1909 of said Superior Court, and defendant charges, on information and belief, that the object which the said C.C. Vaupell has in seeking possession of the said Mamie is that he may have her out of the way and thus prevent her in appearing Court as a witness against him on said charge or to corruptly influence her to commit perjury in his behalf. In view of the unmerciful beating and the cruel treatment which the said C.C. Vaupell has heretofore inflicted on the said Mamie, and the object desired by him in regaining her possession, defendant says that her life would be jeopardized Should he again get possession of her. Defendant shows that her moral, and religious interest,

and welfare, and her physical Safety, demands that she be not allowed again in the possession of said C. C. Waupell.

Wherefore Defendant prays that petitioners be not given the possession, custody or control of the said Mamie C. Waupell but that he be allowed to keep her himself or that her custody be placed in some other fit and proper person.

petition

Georgia, Gwinnett County.

To the Ordinary of Said County:

The petition of O. M. Bennett, guardian of Maude Suddeth and Minnie Suddeth of Said County, respectfully shows that the property he holds as such guardian of Maude Suddeth and Minnie Suddeth is entirely insufficient for their education and maintenance; that the annual profits of Same is only $80.00 per annum, and that the board and tuition of the Said Maude and Minnie Suddeth, and their Clothing amounts to about two hundred dollars per annum, and that it is necessary to encroach upon the corpus of Said estate to the amount of one hundred and twenty dollars per annum for the board, Clothing and tuition and School Books of the Said Maude and minnie Suddeth, and that they are now at an age that demands that they should be kept in School, that the whole of Said estate amounts to only one thousands dollars, and under the circumstances of the Said Maude and Minnie Suddeth it would be both unwise and inhuman to bond them out.

Wherefore your petitioner prays leave to encroach upon the corpus of Said estate to the extend of one hundred and twenty dollars per annum or any Sum less than that that may be necessary for the actual maintenance of the Said maude and Minnie Suddeth.

O. M. Bennett.

Aminis trator & etc

Gwinnette Court of Ordinary
April term 1909. petition for
Removal of administrator.

And now comes the defendant. John. M. Mills administrator and for answer says:-

-I-

For want of information defendant Cain neither admit nor deny par. 1. of the petition.

-II-

In answer to par 2. of the petition defendant says that under his construction of said will and the facts as they exist as to said alleged minors at this time. that they are not entitled to any allowance out of said estate for a support, one of them being more than 21 years of age and the other near that age and that on account of expenditures which defendant has made and which was necessary for the preservation of said estate that there is nothing in his hands to pay it. even if they are so entitled. Defendant shows that for many years he has used said rents in the support and education of said minors but that for since the year of 1907, on account of the absolute necessity of expending the rents in the preserving of said estate, and said minors having arrived at an age that their services supporting them? that they was nothing left from said rents to support them and no necessity therefor, as they were making a support independently. and under defendant construction of said will it was his duty to preserve the same and take care of any income that there might be for the benifit of the heirs at Law. Defendant further shows that when he took charge of said estate that the rents were very meager but through his management and control they have increased, the property become more valuable, and he has in every way tried to do his full duty in the management there of.

-III-

In answer to par. 3. defendant admits that he is the administrator of said estate but denies the other allegations in said par.

-IV.

Defendant denies the allegations contained in Par. 4, 5-6 and 7. of the petition.

For further plea defendant says that he has faithfully dis-charged his duties as much administrator; that under his control and mangement said estate has increased in value: That he has made his returns to the Court of Ordinary which shows the condition of the estate to date of said return. that he expects to continue doing his duty therein as he understands it, and that there is no cause for his removal.

And of this he puts himself upon the County.

John. M. Mills

Gwinnette Court of ordinary.
April term 1909. petition for removal of admr.

And now comes the defendat John. M. Mills, and without waiving his rights to plead, demurs to the petition for the following reasons to wit.

.I.

The petition does not set forth a cause of action.

.II.

Defendant specially demurs to par. I. of the petition for the reason that it does not set out the ages of the alleged minors, nor alleges that said children are now minors.

-III-

Defendant specially demurs to the petition on the ground that the allegations are not certain. Specific and particular. Defendant says that said petition should allege with particularity. the ages, needs and necessities and the amount that is necessary for the support and maintenance of said children. and should

allege that they are not capable from age or condition to support themselves, or that there Labor is not necessary for said purpose or that they had not arrived at sufficient age that there own Labor is unsufficient for a support, or that it was not intended that they should not labor themselves for a support. Defendant says further that the allegations of misconduct on his part are to vague and uncertain. and are not sworn to wherefore, he prays that these his grounds of demurre be inquired of by the court and that same be sustained and that he be discharged with his real cost.

Petition To the Court of Ordinary and the Ordinary of said County.
The Petition of Emma Medlock and C.D. Hall
administrators of R.O. Medlock deceased,
Respectfully Shows,
(1) That on February 8. 1906. R.O. Medlock,
your petitioners intestate executed and
delivered a deed conveying certain real-
estate in said County to Parrie Hunt,
copy of which deed is hereto attached
marked "exhibit A"
(2) That one of the conditions of said deed is
that the Grantor had the right on twelve
(12) months notice given to him, to Re-purchase
said property for the sum of Five hundred
and Seventy five ($575-00) dollars and that
upon the death of the grantee, said Grantor
had the right to Re-purchase said property
upon the payment of Five hundred and Sev-
enty-five ($575-00) dollars, as will more fully
appear by the terms of said deed to which
leave of reference is hereby prayed,
(3) That on said day said Grantor executed
and delivered to said Grantee his note for
Five hundred and Seventy five ($575-00) dollars,
payable after twelve (12) months written notice and
Without interest, this note was given as
per the conditions of said deed. Copy of which
is hereby attached marked "Exhibit B" to which
leave of reference is hereby prayed
(4) Petitioners aver that the right to Re-purchase
said property at the sum of Five hundred and
Seventy-five ($575-00) dollars is of doubtful
value that in order for the estate of
R.O. Medlock to be kept in a position
to avail it-self of said conditions it would
be necessary to keep the administration in
force for an indefinite length of time,
that this would be expensive and would
result in a large charge against said
estate,

(5) Petitioners aver that Parrie Hunt, holder of said Note and the owner of said property, is willing to surrender said note and cancel said indebtedness against the estate of R. O. Medlock, provided that the Right of the estate of R. O. Medlock to Re-purchase said property under the conditions of said deed, are at the same time surrendered and all interest in the estate of R. O. Medlock Quit-claimed to the said Parrie Hunt, that petitioners are willing and desirous to do this, that they believe that it is to the interest of the estate to do this,

Wherefore Petitioners pray an order directing them as administrators to Relinquish and Quit-claim all Right that the estate of R. O. Medlock has in the property described to the said Parrie Hunt, upon the Surrender by her to them of said note of Five hundred and Seventy-five ($575-00) dollars, as aforesaid,

Petition

Georgia Gwinnett County
To the Ordinary of said county;
The Petition of W. J. Rowe and A. O. Bowman shows as follows;
1, That R. E. Hamilton was appointed administrator of the estate of Mrs. J. J. Finch late of said County on the 3rd day of Dec. 1900, and your petitioners signed a bond for R. E. Hamilton as such administrator in the sum of $800 00, thus becoming liable and are now liable as security on said administrators bond; and your petitioners are therefore interested in said estate to the extent that a fair and full adjustment of all the affairs of said estate be had
2. The acts and doings of the said R. E. Hamilton are not, and have not been for a long time for the best interest of said estate and the heirs of said estate, for the reason that the said administrator mismanages said estate, and fails to make returns as required by law, although said administration has been pending for more than eight years, there has not been during all these years but one return made by said administrator for said estate; and there has been nothing to hinder or delay a full and final return and settlement of the affairs of said estate, for the past five years or longer; and notwithstanding several years have elapsed since one of the heirs of said estate has attained his majority, the said administrator without cause, has refused and now refuses to make settlement with the heirs of said estate as by law he is required to do,
3, Petitioners show that the heirs of said estate have been forced after waiting all these years for a settlement of their interests, to sue said administrator for a settlement of their interest in said estate,
4. Petitioners that at the Jan. adjourned term 1909, of the Court of Ordinary of said County a trial was had on said suit for settlement by the heirs of said estate and judgement was rendered thereat in their favor for an amount which they were willing to accept, and said heirs in fact proposed, that they might end a useless law suit to take even less than the amount of said Judgement, and notwithstanding all such inducement and reason appealing to said

administrator to make such settlement, the said administrator filed his appeal from said judgement and said case is now pending in the Superior Court of said County on Appeal; and as petitioners believe same is without merit, and for the purpose solely of hindering and delaying a settlement of the affairs of said estate, petitioners charge as to the lack of merit in said appeal is based on the fact since the rendition of said judgement one of your petitioners has offered to pay said administrator his commission claimed to be due him by said estate and which was given by said administrator as his main reason for entering said appeal.

5, Petitioners show that while said administrator is not wholly insolvent, it is possible for him to become so, and for him to continue to delay a settlement of the interests of said estate and adding to the sum which petitioners may finally have to pay in the way of Court Costs, and possibly attorney's fee, all such acts and and doings tend to increase the liability of your petitioners on said bond, and in the end a possible loss to your petitioners.

Wherefore the premises considered, petitioners pray as follows; (A) that the said administrator be required to show cause at the May term 1909, of the Gwinnett Court of Ordinary why his letters of administration on said estate should not be Revoked, and that his letters of administration of said estate be revoked, (B) that your petitioners be released from further liability as Surety on said administrator's bond, and he be required to furnish other and different Security on said bond, from that which he now has in your petitioners.

J. L. Perry Petitioners Attorney

order At Chambers, Gwinnett Court of Ordinary Apr. 13th 1909, The foregoing petition read and considered, it is Ordered that the said R. E. Hamilton show cause before me at the June term 1909, why his letters of administration, as alleged in said petition, should not be revoked, it is further ordered that he show cause at said time why he should not furnish other surety than that he now has on his bond, as such administrator, let him be served with a copy of the foregoing petition and order ten days before the date of the time set for this hearing

This June 7th 1909. G. G. Robinson Ordinary

W. J. Rowe & A. O. Bowman, Suraties vs R. E. Hamilton adm. Petition for relief as suraties. In Gwinnett Court of Ordinary June term 1909.

And now comes, R. E. Hamilton, administrator as aforesaid, and for plea and answer to the copy petition served upon him in the above stated case, says:- Par. 1. The allegations of this Paragraph are admitted, except that part which alleges that petitioners are now interested in said estate to the extent that a fair and full adjustment of all the matters or affairs of said estate be had. Par. 2. Paragraphs 2, 3, 4, & 5, of the petition are denied. Par. 3. For further plea in this behalf, respondent says, that there is now pending on appeal in the Superior Court of said County said appeal having been accepted and returned to the clerk of the Superior Court of said County by the ordinary of this court, and the issues therein involved are the same as those sought to be raised in this proceedings, and therefore, respondent pleads the pendency of a former suit for the same cause

and between the same parties in effect the purpose of both suits being to involve and have this administrator discharged and his liability increased in the future Par 4 An adjudication of the same subject matter in issue in this case has been adjudicated so far as this Court is concerned in a former suit involving practically the same matters and the prayers of Petitioners.

Par 5 Further answering paragraph 4 of the petition respondent denies that A. O. Bowman has ever offered to pay his commissions which by Judgement of this Court has been denied him, but the said Bowman has demanded of Petitioner all assets in his hands as such administrator which he of course refused to surrender to the said Bowman. N. L. Hutchins Petitioners Atty.

Order The Within petition coming on for a hearing, Counsel for the administrator moved to dismiss said Petition, Counsel for Petitioners having stated that Petitioners were proceeding under Section 3402 of the Civil Code of 1895 upon the ground that Petitioners could not legally proceed against administrators as such, and ask for the revocation of his letters and their discharge as sureties because said Petitioners were not persons having the necessary interest in the estate to could proceed under this Section.

Upon Consideration it is ordered and adjudged that the Motion of administrators attorney be granted and the Petition be and is hereby dismissed.

Court of Ordinary of Gwinnett County,
June term 1909.

Application for letters of administration estate of Mrs Sarah Kennerly, deceased. Now comes J. E. Kennerly, husband of the late Mrs. Sarah Kennerly deceased, above stated and shows the following,

1. That he is the surviving husband of the said Mrs Kennerly, and is therefore under the law entitled to administer upon the estate of the said Mrs Kennerly and asks that he be appointed as such administrator.

2. It is further shown that while an administration of said estate might be avoided, the heirs of the said deceased all being of age, and her estate consisting entirely of personalty, and easy of distribution among her heirs, Yet since two of the heirs of said deceased seem to prefer that said estate be administered, the heir and husband herein represented enterposes no objection thereto and is willing for said administration to be had, but insists that he be appointed as administrator of the estate of the said Mrs Sarah Kennerly.

Gwinnett Court of Ordinary July term 1909.

And now comes the applicants R. L. & J. L. Kennerly and in reply to the application made by their father J. E. Kennerly say, the said J. E. Kennerly is in possession of and holds a large portion of the estate of said deceased, and since the filing of the application claims the same as his own, he is now holding adverse to the estate and is setting up an adverse claim to the estate, that the said Sarah Kennerly at the time of her death and now has an estate of seven or eight thousand dollars or other large sum which is in the possession and control of the said J. E. Kennerly which he since the filing of this application claims as his own adversely to her estate and in which, if he is successful, will practically strip her estate of its value, and that he is therefore

disqualified and laboring under a legal disability and should not be appointed Administrator, that his appointment would practically defeat the very purposes of the administration as it is unreasonable to suppose that he would bring suit against himself to recover said property and the law will not tolerate such an absurdity. Wherefore petitioners pray that they be appointed as such administrators and that the application of J. E. Kennerly be denied.

To R. E. Hamilton: You were appointed administrator of the estate of the late Mrs J. J. Finch in the Court of Ordinary of Gwinnett County in November 1900, and as appears of record in my office you have not made but one return as such administrator during all these years, and from my knowledge for a long While you have had nothing to hinder or delay you from so doing, as well as to close said administration in terms of law, it is also true that at the Jan. adjourned term of said Court Judgment Was rendered against you in a certain Sum based on a suit for settlement With the heirs of said estate, and from Which you have appealed to the Superior court of said County, I have been informed that Since the Rendition of said Judgment that a proposition has been made you looking to an adjustment of said estate, Which if accepted would practically give you a Settlement of said estate on about the same basis as existed by you to be correct at the time of the trial of said case When said Judgment Was rendered against You, I therefore Must conclude that you have not only not made returns as required by law, but that you have not Managed said estate as required by law, and that your acts have been in some respects, a Mismanagement of the affairs of said estate, You are therefore Cited to show Cause before me at the July term 1909 of the Court of Ordinary of said County, Why your Letters of administration of said estate Should not be Revoked,

Ordinary of Gwinnett County, Vs R. E. Hamilton Rule etc. in Gwinnett Court of Ordinary, July term 1909. And now comes Respondent,

R. E. Hamilton, administrator, and in answer to the Rule Nisi served on him in the above stated proceedings, says: it is true that respondent was appointed administrator of the estate of Mrs F. F. Finch by the Ordinary of said County about the year 1900 but the honorable Ordinary is in error when he states that only the return has been made by him as such administrator, Respondent herein and now undertakes to give to the Court the truth of his administration of the property of the deceased Mrs Finch after his appointment in the fall of 1900 in the fall of 1901 in pursuance with the law obtained from the Ordinary leave to sell the lands of the estate of deceased, and in November 1901 sold the lands in accordance with the requirements of said Order and the law, for said lands the highest bid was $382.00 and the same was excepted, later he collected $12.49 Rents, this is every cent of money that came into his hands as such administrator and on account of the same, out of this fund all expenses were paid, and Respondent was ready to pay over the money balance to the heirs, but there was no Guardian for the Minors and no one to pay the distributive shares to, about this time Respondent Moved to Atlanta and turned over to R. W. Peeples esq, his Attorney all Matters connected with the estate for attention, Making Returns etc, this he supposed Mr Peeples had attended to, but finding upon his return to this County that no Returns had been made in the year 1904 Respondent made a full and fair Returns which appears of record in the court of Ordinary after this there was nothing coming into the hands of Respondent as administrator and he made no return, never having been cited or required to do so by the Ordinary as provided by law, until the year 1908 when he left the same with Honorable John S. Webb who by oversight failed to record the same, Shortly after respondent sold the lands of the estate he was sued by one of his present bondsmen, Dr. Rowe for a large bill due from

the estate and others commenced suit against him as such administrator on account of the sale of the lands and he was not in a position to make final settlement with the heirs, no Guardian having been appointed for the minors, after one of the heirs — Finch arrived at his majority, respondent offered from time to time to pay him his part of the estate, but the same was refused. And later respondent was sued by both the heirs in the Court of Ordinary, a Judgement was rendered against him with which respondent was dissatisfied and thought unjust in the circumstances, and exercised his law given right of appeal to the Superior Court, said Judgement deprived him of his Commissions and charged against him interest which he believes and believed should not have been done, and for this reason alone did he exercise his right to appeal, Respondent respectfully submits that propersitions of settlement from those interested one way and another against respondent in this series of suits and complaints cannot be taken into consideration by the Honorable Court under the statute authorizing this procedure, but should the Court se proper to consider such matters, the respondent sets up in answer thereto, that he has rejected the propersition for compromise made him, upon terms which he is not now prepared to say will or will not be accepted by those involved, but which he considers fair and just, Respondent has not Mismanaged said estate, but on the contrary has done the best in his power for the best interest of said estate, and when a proper adjustment of the same can be legally and justly made no one connected with the same will be more pleased to be relieved from suit-pursuit-embarassment and harassment than your respondent, Respfully submitted,

Martin, adult heirs at law of the dec'd and enter their caveat to the above stated petition and object to the admission to record of said will in Solemn form upon the following grounds:

"first"

Because said will has heretofore, to wit: on the 8th day of July, 1908, formally probated in common form. "Second."

Because the present petition for probate in Solemn form is unnecessary, uselessly expensive and no good reason appears why the prayer of petitioner should be granted. "Third"

Caveators especially object to the prayer of petitioner that letters of executorship be issued to her solely, because of the facts that she has rendered herself, unfit, incompetent and disqualified to act and conduct the administration of the estate of testators in such a safe and conservative manner as will likely be for the best interest, preservation of said estate carrying out the intentions of testator, it being to the best interest of said estate that J. I.
