petition

Georgia, Gwinnett County:

To the Ordinary of said County:

The petition of R.A. Wilbanks, guardian of Hosea Wilbanks shows that he desires to resign his trust as such guardian for the following reasons, to wit:

1st The said Hosea Wilbanks is now seventeen years of age and will be eighteen years of age on the 25th day of next August, and the said Hosea has left petitioner and from his control and has left the county, and petitioner is powerless to control him, the said Hosea refusing to take petitioners advice and counsel, and is conducting himself in such a way that petitioner does not feel that he should be longer allowed to be responsible for him.

2nd. Petitioner shows that there is no property or money now in his hands belonging to said Hosea and that petitioner has paid out to him over and above the amounts coming to him now will not be before the Fall of this year any thing whatever, and then there will be very little if anything, from the rents of a small farm in said County.

3rd. Petitioner is unable to get any one to take his place as such guardian, but shows that for the present there is no necessary for same, but should there be latter, this court could appoint, the county guardian, or said Hosea being more than fourteen years of age, could select a guardian himself. Wherefore petitioner prays to be allowed to resign his said guardianship.

G.G. Robinson

The foregoing petition read and considered, Ordered that J.E. Chesk and J.A. Chesk, next of kin to said Hosea Wilbanks, show cause before me at the next term of this Court to be held on the first Monday in June 1910. Why the relief prayed for in said petition should not be granted

Let a copy of said petition and of this order be served upon said named persons at least ten days before said next term of Court.

To all whom it may concern.

W. J. & A. Warbington having applied for Letters of administration upon the property of E. Warbington late of said County deceased, notice is given that said application will be heard at my office at 10 o'clock A.M. on the 6 day of June, 1910. This 2 day of May 1910.

W. J. Warbington and A. Warbington, applicants for letters of administration of the estate of E. Warbington, deceased. | In Gwinnett County Court of Ordinary Being No. June Term, 1910.

Now comes the undersigned, Mrs. F. A. Nuckels, W. J. Warbington, Mrs. W. M. Hamrick Luther Farmer and J. Warbington who are children and heirs at law respectfully of said deceased, and file this their objection and caveat to the a appointment of the applicants in the premises as administrators over said estate, and for grounds of objection they urge.

1. The incapacity of said applicants, and they say said applicants are incapacitated because of illiteracy and inexperience in matters of this kind.

2. They further urge as an objection that said A. Warbington has an unjust and fraudulent claim that he is making and contending for against said estate, and to allow him to become an administrator of the same would give him an undue unjust and unconscionable advantage over the heirs, at law and over these objectors, for these objectors urge that said claim is unjust and fraudulent and should not be allowed, and he be not appointed administrator, or one of them, over said estate then he would be forced to sue the same in the Courts, or institute said through the Courts for the recovery of the same and a defense

would be permitted against the same and these caveators maintain and aver that said Warbington would fail in a recovery in the premises.
3. They further urge as a proper appointment in the premises for administrator the Honorable O. O. Simpson of Gwinnett County, Ga., and they pray that his appointment may meet the approval of this Honorable court, and that he may be appointed administrator in the premises and if not, then they especially pray that one of these objectors, either one, be appointed in the premises. They further ask that they will be allowed to vote for their choise and that all the heirs at law be present or duly and legally represented in terms of the law and be allowed to vote for their choice as to who may be appointed administrator in the premises. And they hereby assent their willingness to vote to such end. Wherefore, they pray that these, their objections, be sustained and that their wishes as above set forth and prayed for be sustained and be allowed by the court.

Petition

Georgia, Gwinnett County.

To the Ordinary of Said County:-

J. J. Britt brings this petition against James B. Thomason and alleges:-

1st Defendant is in possession as tenant of Certain lands Situate in Said County and in the 408th, Militia District.

2nd Petitioner has been in constant and uninterrupted use, for more than seven years, of a permanent private road over said lands, not exceeding fifteen feet in width, and no legal steps have been taken to abolish same.

3rd Said private way begins on the public road leading from the Stone mountain public road to Gloster, at or near the residense of A. A. Hewatt or within about 400 yards of said home of A. A. Hewatt, runs in a northerly direction across land of Eli. McCart, James Sawyer, J. J. Britt, S. P. Williams and W. T. Nash and comes into another public road near said W. T. Nash home, the total length being about one and one half miles, that part however, which has been obstructed as hereinafter set out being that part between the beginning point above set forth forth near the home of A. A. Hewatt and that of petitioner, and this length being about one half mile.

4th. The said defendent Thomason has obstructed said road between the last named points by thowing a great amount of large rocks, some of them weighing as much as a hundred pounds, into said road and into the ditches along said road, and at places has almost totally obstructed same by filling it with such rocks and also with brush, chunks, and the like, and when the petitioner and others have removed the same hex repeats his conduct and continues to fill said road with rocks chunks and brush, and now there is perhaps a car load of rocks, large and small, which he has thrown in the same, to harass, annoy, vex and trouble petitioner and his neighbors.

5th Petitioner shows that he has not only been in the constant and uninterrupted use of said road for the eight years which he has owned, and resided at the place where he now lives on said road, but that he and the

public generally known and called as a settlement road. travelled by the public generally for a long number of years in visiting, going to church and to mill.

6th Petitioner also shows that said defendant gave no notice as the law requires of his intentions to close or obstruct said road that the condition he has placed said road by said rocks, chunks and brush, practically closes it, that it is almost impossible to go along it in this condition on account of said rocks, chunks and bushes, and that said defendant has done said act without any legal right, warrant or authority, but in violation of the law not having given the thirty days notice which the law requires after a private way has been in use as much as one year.

7th Petitioner also shows that while said defendant does not own the land upon which he has put the obstruction in said road and through which said road runs, but that the same belongs to James Sawyer, yet, said defendant is in possession of same as a tenant and the said defendant is the one who has thus obstructed same.

Wherefore, petitioner prays a rule nisi directed to the said defendant, calling upon him to show cause why said obstructions should not be removed, and the free uninterrupted use of said private way be re-established.

1st Because the Sum of Three thousand and six hundred dollars, set aside by the appraisers, is excessive in amount, to be set aside from estate as a years support.

2nd Because the estate of her testate is a small estate, and One thousand dollars would be a reasonable Sum to set aside for said years Support.

3rd Because the Sum set aside is excessive and unreasonable, when estimated according to the circumstances and Standing of the Family of her testate, previous to his death, Keeping in View the Solvency and amount of his estate, and the avers.

that one thousand dollars, would be a fair and reasonable years support to said applicant and her minor children.

In re petition of Mrs. H.S. Barfield for probate in solemn form of the alleged Will of Winfield Scott Webster

Mrs Dora Kiser Webster, widow and heir at law of said Winfield Scott Webster, Deceased, comes now and enters her caveat to the above Stated petition and objects to the admission to record of said alleged will upon the following grounds, to wit

1. For that said Winfield Scott Webster at the time said pretended will is alleged to have been made was not of sound and Disposing mind and memory.

"2" For that said Winfield Scott Webster did not execute, that is did not sign said paper that the signature to said Pretended will is not that of said Webster

"3rd" For that the said pretended will was not Executed in the manner and form Prescribed by Law that is, was not signed By said Webster and in the presence of Witnesses each of whom he saw sign and each of whom saw, said Webster sign and each of whom saw and were seen by each and all of said Witnesses to sign

"4th" For that also the said Winfield Scott Webster Did not Execute the said Pretended will freely and Voluntarily But was Moved thereto if signed at all By undue influence and persuasions over him by Mrs. H.S. Barfield and it is therefore not his will

"5th" For that also the said Webster was imposed upon by false representations of said Mrs. Barfield as to matters and things connected with the Estate and the Management of the Estate of Joseph E. Webster of which said Mrs. Barfield and said Webster, Deceased Were Executors and if said W.S. Webster ever Executed said paper the same was Brought

about by over importunities of said Mrs H S. Barfield and and undue influence obtained over said Deceased in connection with the administration of the estate of said Joseph E Webster and said W S. Webster Being Sick. Debilitated and weak in body and so to obtain quiet and repose from these importunities yielded if said Signature is that of said Webster

"6th" For that also the mind and memory of the said W S Webster at the time said paper purports to have Been Executed were exceedingly imbecile and weak and Divers practices Were Employed by unscrupulous persons to induce him to make said Disposition of his estate as contained in said Pretended will and all of this caveator is ready to Verify

"6th" Petitioner represents that the estate of said Webster consists of an interest in certain Property in the city of Columbus Georgia which said property has been managed for many years past by Mrs H.S. Barfield as the Executrix of the estate of the father of said W.S Webster Deceased, at the present time Mrs Barfield has entire charge of said property and if said property has been managed properly there should have been an ample amount Due the estate of W.S Webster. which should and ought to Be applied to the payment of the twelve Months support for the furnishing of Necessaries as suggested. Petitioner says that it is a fact that Mrs. Barfield has mismanaged the property of said estate of Joseph W. Webster, and Petitioner represents that the said Mrs H.S. Barfield is an unfit person to manage the property of said W.S. Demurrer of Respondt

Georgia Gwinnett County } In court of Ordinary
In Re W.S. Webster Estate } Gwinnett Co. Ga. Sept 3d 1910

Petition to remove Mrs. H.S. Barfield from the Executrix of the Will of W.S. Webster: and requiring her to show cause why she should not furnish the Widow and Minors Necessaries Pending an appeal from Judgment of Ordinary on Caveat to Said Years Support

Now at the September Term of the Court of Ordinary for said county comes Mrs. H.S. Barfield. nominated Executrix of Will of W.S. Webster and Demurs to said petition filed against her by Mrs. Dora Kizer Webster and for cause of Demurrer Says

Par. 1st

The allegations of said petition are insufficient in Law, to authorize the Relief prayed for, or any relief against petitioner

Par "2"

Because it appears from the allegations of the petition that an appeal was entered from the Judgment of the Ordinary on the Caveat to return of appraisers, setting aside a year support, to the Superior court, which is still pending and undisposed of the said court. Wherefore the court of Ordinary is without Jurisdiction in the matter But is in the Superior court of said county

Par "3"

Because the allegations made in Paragraph 3 of the petition, and the Judgment of the Ordinary, on the Caveat filed, as therein set forth, Do not authorize any Proceeding on said Judgment By the court of Ordinary the same having been appealed to the Superior court of the county, where it is now Pending and undisposed of

Par "4"

Because it appears from the averments of the petition, that the only Estate of W.S. Webster Husband of Petitioner, consists of an interest in the Estate of Joseph E. Webster, his father, in possession of H.S. Barfield, as Executrix of his Will in Muscogee County Ga. And that W.L. Webster has no Estate in hand of the Executrix of his Will.

Par 5.

Respondent Demurrers specially to Par 6th of said petition in that it fails to allege how and in what manner Mrs H.S. Barfield as the Surviving Executrix of the Will of Joseph E. Webster has Mismanaged his said Estate Nor is it sufficient to allege "If said Property had Been managed Properly there would have Been ample amount Due the Estate of W.S. Webster and the Demurs specially and calls for specific averments of any

Mismanagement of the Estate of Joseph E Webster and that the court of Ordinary of Gwinnett Co Ga is without Jurisdiction of her person as Executrix of the Will of Joseph E Webster or of his Estate and the Executorship of the same in Muscogee County

Par. 6th"

Because said petition seeks to remove her from the Executorship of W.S. Webster's Estate, without alleging, how or wherein she had mismanaged said Estate or that any Estate of W.S. Webster has come into her hands as Executrix of his Will

"Par 7th"

Because the prayers and allegations are Duplicitous, in that it seeks to remove her from the Executorship of the Will of W.S. Webster, and to make her as Executrix of his will supply Necessaries to his Widow and Minors! when the petition fails to allege any Estate in her hands from which she could supply Necessaries

Wherefore she prays that these her grounds of Demurrer Be enquired into and sustained By the court, and said Petition be Dismissed with costs

In Re W.L. Webster

In court of Ordinary Gwinnett Co Sept Term 1910

Petition to remove Mrs S.L. Barfield, Executrix of W.L. Webster's Will and to compel her to furnish Necessaries for Mrs. Dora Kizer Webster Widow, and Minor children, pending an appeal to the superior court, from Judgment of Ordinary, on a Caveat to Years Support

Now comes Mrs S.L. Barfield ~~1, 2 and 3 of said~~ petition, She says that Mrs Dora

the Executrix of Will of W S Webster and reserving the right of Demurrer thereto, for answer to said Petition Says

Par "1"

In answer to Paragraphs 1, 2 and 3 of said petition, She Says that Mrs. Dora Kiser Webster is the widow of W. S. Webster deceased: and that Respondent and W.S. Webster were brother and sister. That her brother Died testate and in his Last Will and testament nominated her Executrix there of, as in legal Duty Bound She filed his will in the court of Ordinary of Gwinnett county Ga. where he resided at Date of his Death and did subsequently Probate said Will in common form and letters testamentary were issued to her. Shortly thereafter Mrs. Dora Kiser Webster, her brother's widow, gave notice to and Demanded that petitioner probate his said will in Solemn form, which She proceeded to Do and which is pending in and for trial at the September Term 1910 of Gwinnett Court of Ordinary

That Mrs. Dora Kiser Webster, widow, for herself and three minor children applied to the Court of Ordinary for appointment of appraisors to set apart a Years Support and upon return Being made, Respondent filed a Caveat thereto, and from the judgment of the ordinary thereon, She entered an appeal to September Term 1910 of Gwinnett Superior Court which is still pending therein

Par "2"

Answering paragraphs 4 and 5 of the petition, Respondent admits that demand had been made on her to pay the $1000.00 Dollars provided for in the judgment of the Ordinary on her Caveat to said years support and that She has not paid the said sum Because she says, that the judgment of the Ordinary is not a final judgment, having Been appealed from to the Superior court, and pending said appeal and until the Probate of W S Webster's will in Solemn form, she is advised that she would not Be legally justified in Paying said sum, and She had

in hands effects of W S Webster sufficient to satisfy and pay off the same.

But she say's that as Executrix of the Will of W. S Webster, No assets have as yet come into her possessions, and she could Not pay said one thousand Dollars on said years support

"3rd"

Respondent Denies the averments made in paragraph 6 of the petition But says it is true that W.S. Webster her brother owned at his Death an one fourth undivided interest with Respondent and their two Sisters owning three fourths in the Estate of Joseph E Webster their Deceased father But she says that Joseph E Webster resided at time of his Death in Muscogee county Ga, and that he died testate, having Nominated their mother, this Respondent and W.S. Webster as Executors thereof, and upon Probate of said will in court of Ordinary of Muscogee county they qualified and letters were issued to them

She avers that all of said Executors conferred together and Managed the Estate of Joseph E Webster During the life of their mother and after her death W.S. Webster and respondent managed said estate of joint Executors, and Since the Death of W.S Webster Respondent as serviving Executrix has managed said Estate

She denies that she has Mismanaged the Estate of Joseph E Webster comprises certain real Estate in Columbus, and a small vacant lot in Macon And in accordance with the provisions of the Will of Joseph E Webster, the Net income from the Rents has Been equally Divided on 1st July in each and every year and that the legatee's since the Death of Joseph E Webster have Expressed themselves as well satisfied with the management of the Executors of his Will and with the Semi Annual Disbursments of Net income After the Death of her brother W.S. Webster

who Died on the — Day of — 1909, she as the Surviving Executrix of said Will, Did in January 1910 disburse the net income to said Date, and did to Mrs. Dora Piper Webster and children the share of W.S. Webster. Paying to his Widow the one third thereof as By the will of her husband Directed

Par "4"

Respondent in further answer to Par. 6th of said petition says: That she as Executrix of the will of W.S. Webster, has not received into her possession any Estate or property belonging to his Estate. But she says that as the Executrix of the Will of Joseph E. Webster their Father she has in her possession his Estate, as herein Before stated: and, that W.S. Webster her brother is a legatee under said Will in and to an undivided one fourth interest in said Estate

And she denies the allegation that she has mismanaged the Estate of Joseph E. Webster But, says that the court of Ordinary of Gwinnett Co. Ga. is without Jurisdiction of the Will of Joseph E. Webster, Deceased, but that the same is vested in the court of Ordinary of Muscogee Co. Ga. Nor has it jurisdiction of her person as she resides in Muscogee Co. Ga. and not in Gwinnett Co. Ga. and she thereby pleads to the Jurisdiction of the court of Ordinary of Gwinnett Co. Ga. as to her acts and doings in the management of the Estate of Joseph E. Webster, and as Executrix of his Will.

Respondent says That the city taxes of the City of Columbus where the Estate of Joseph E. Webster is located, fall Due on 1st of July of each year, and it has been the practice of the Executors to pay off and satisfy the fi. fas. from the rentals collected to July 1st and that this largely reduced the Disbursements to be had on 1st July of Each year and in accordance with this practice, She has paid said taxes, and she has no assets or funds of W.S. Webster with which to make and an advance on said Years support, which she would Do with

Pleasure were she possessed of cash assets of W S Webster to make the payment.

Wherefore she prays that said petition Be Denied and Dismissed and that Judgment for costs in this behalf be rendered against petitioner

Georgiam Gwinnett County:-

To the Honorable G.G. Robinson, Ordianry of said county;

C.C. rawlins , Admr, of the estate of Martha Strickland respectfully shows tht at the time June term, 1910. an order was granted by this honor able court after due adverstiment authorizing him as such admr to sell the following described real estate of said deed, to wit The North east half of lot of land number 207 in the 13th, district and first section of Lumpkin county, Ga. containing 20 acres nore or less,

Said order above referred to authorized a sale of all the lands od said deceased which include the above described lands.

Petitioner shows that it would be to the best interests of the estate that the above described lands be sold in Lumpkin county before the court house door in Dahlongea, Ga. in said county where the land lies for the reason that it is chiefly valuable for mining purposes and no one in Gwinnett county is interested in such lands and knows any thing of its value and petitioner thinks he could geta better price to sell said lands in the county where it lies.

Wherefore, he prays for a special order authorizing a sale of said above described lands in the county where it lies, to wit:- Lumpkin county, afetr due advertisment in th at county.

The petition of J.N.O. Hamilton and Will ie Hardegree of Jackson Co, Ga. respectfully shows: That Mrs. Roxie Hamilton Admr, of the estate of J.W. H. Hamilton, late of said county, decd, is unfit for the trust exposed in her because the said admrx wastes and unmanges the estate of the said J.W.H. Hamilton in that said admrx fails and refuses to make the annual returns required by law. That admrx as aforesaid is unfit for the trust exposed in her, because the said admrx is insolent or likely to cause insolent. That said Mrs. Roxie Hamilton admr as afore said wastes and mismanges said estate in that she has sold and disposed of a large portion of said estate without accounting for the proceeds of the sale thereof and wit out administrating the same to the besta interst of said estate. Petitioner shows that they are interested in said estate, being distributes thereof. Wherefore petitioners pray the court to pass an oredr citing said admrx to answer said charge at the regular term of the court and tht upon the having the return the court in its decreetion do revoke the letters of administration of the said Mrs. Roxie Hamilton as admrx as aforesaid.

In the ordinarys court, Petition to remove Mrs. roxie Hamilton, Admx, J.W.H. hamilton Answer of Mrs Roxie Hamilton. And now at the return term of said petition comes the deft. Mrs. Roxie Hamilton and for plea and answer says: She acknowledges that she is admx of J.W.H. Hamilton decd, with the Will annexed she denies that she is in any manner wasting the said estate or mismanaging same. That she has never refused to make annual returns and did not believe them necessary or required under the Will of the deceased. In answer to part 2nd of Petition she replies that she is just as solevent as when she was appointed admx without any objections on the part of those interested. Ans. Par. 3rd. She again denies that she is wasting and mismanaging said estate in any amnner. She acknowledges having sold certain perishable property that costly to keep and other property tht was of little value to her or the estate under the charged conditions, to wit:- One large Mule $71.00

One small mule, $25.oo, One Two horse wagon, $12.00, One lot harness & tools, $3.00, and One old buggy and harness, $9.00, Total sales- $120.00 She has sold not other property except the part of annual crops received as rent. She swears that she is managing the said estate in a proper manner and according to the intition and directions in the Will of the deed, in paying the debts of deed, providing a monument for him and in the support of himself and minor childred as contemplated in said Will reference to which is asked. Admx admits Par. 4th of petition and ans that she is conserving the interests of petitioners in said estate. Defendant in futher answers in the behalf says that reluctantly accepted the administration of said estate and only did so in the interest of those most concerned to save the expense of commissions to an admr for a long term of years which would have been a great drain on th resourses of the estate already to small for the support of the family of the deed. She futher shows that the debts , buril expenses , monument, etc. of deceased consumed the larger part of the csah left by deed, and the proceeds of sale of persoanly. The taxes city & county on the real estate haven taken a considerable part of the income from the rents. Def fendant live din the home at Winder for about one year but soon found she would have to seek employment in order to support herself and minor children; and for that purpose she has ben conducting a boarding house and thus aiding in the support of the family. Sha has made out a return showing the condition of the estate so farca as she handled it. The rents of the farm and the house & lot in Winder have been uncertain and this year have been particulary poor owing to condition prevailing in the county. The return of $248.74 as household expenses is really but a small portion of the cost of living of the family since the death of decd, the balance being made by defendant and her children by their labor. Defendant has keep the taxes paid on the real estate and keeps the building in repair . She futher shows that th ere was no dweeling or barn on the land in Milton County & that it was necessary to build on same in order to rent the property and she has done this at a cost to her slinder income of over $225.00 and the same is a permanent improvement to the real estate and benifit the remainder interest of petitioners. She futher shows that she youngest child is now only 12 years old & under the Will the estate should be held together till said child comes of age & this can be done but and cheapest by containing this defendant as admrx. As her interests and those of her minor children 3 in number are idintical to change admrs will be ex- pensive as a present propotion and a continuing draun to the slinder income of the estate all of which is needed and muce more, for the support of the family. Defendant shows that she recentaly given new bondsman who is solevent and able to respond on her behalf for actings as admrx. The estate now consists only of real estate which respondent cannot sell or encumber and hence thereis no risk to the estate Respondant herewith files her return & shoul the Hon. ordinary so requi re Will hereafter make annual returns though under the Will she does not believe she should be required to do so. Wherefore she parys the court that Paet- tioners complaint be dismissed at their costs, and she beallowed to continue as admrx of said estate for the interest of same and carrying out the intent of the Will of said decd, and she will ever pray, and stands ready tom prove .

To the Hon.G.G.Robinson,Ordinary of Said County:

The Petition of W.O.Perry,guardian for Willie Hamilton, Lena Hamilton,and Annette Hamilton, shows the following; Practically the entire estate taken charge of by your petitioner as such guardian near seven years ago consisted of a certain tract of land known as the Hamilton Mill tract,three miles east of Buford,Ga. This tract of land with another tract of land received by petitioner as such guardian as a distributive share of said wadds from the estate of W.T.Perry,deceased, and which was taken charge of by petitioner on Jan.1,1906, has been the actual and only source of revenue for the education and maintenance of said wards aside from a certain one-half undivided interest in a piece of property at Gainsvilà which was sold by order of this Court some time ago. Beginning with this administration, the one tract of land was grossly inadequate in point of income to pay anything in the way of board for said wards; and since the receipt of the second tract of land the increase in expenses,wearing apparel,educatuon, and incidental expenses thereto, has entirely comsumed the entire income from said property so that your petitioner up to this time has never been able to pay anything for the board of said minors. Each of said minors has continously resided with their grand-mother,Mrs.M.J.Perry since the 12th of March,1904 with the exception of Willie Hamilton,who for the past eighteen months has not made his home there. On account of the fact of the relation of their said grand-mother to them and the further fact that he has never had any funds in his hands with which to pay their board, it has been allowed to go unpaid with the expectation of paying it whenever the condition of the estate would authorize it. The said property of the said wards exceeds in the aggregate in value vey much that of the estate of their grand-mother and it is only meet and proper that said wards estate should become chargeable now and is liable already,for board as is hereinafter referred to. Your petitioner shows that on account of some added income from said property that he hopes to be able beginning with this year to pay such sum in excess of the other actual expenses of said minors to the said Mrs.M.J.Perry in part payment of said board and that if before the termination of said estate, said sum hereinafter referred to has not been entirely extinguished that such unpaid balance as well as whatever amount shall hereafter accrue,be entirely satisfied at the termination of said estate.

Your petioner has agreed to pay the said Mrs.M.J.Perry $7.50 per month each for said minors, which amount is readily seen far below that amount that board could have been or could now be secured for, but on account of the relation existing between the parties herein referred to, the amount has been placed at the small sum named herein. It will be seen from the beginning of the furnishing of said board for said minors that the amount for Lena and Annette Hamilton at the rate of $15. per month for both would be $1260. plus the amount for Willie Hamilton for five and one-half years at the rate of $7.50 would be $495.00 making a total of $1755.00 for all of said minors to March,12th,1911.

Wherefore, the premises considered,your petitioner prays that he be allowed to use from time to time such sums as may be in his hands in excess of the actual expenses for said minors in liquidation of said amount of $1755. and that said sum be approved by this Court as true and correct for the board of said minors for the years hereinbefore referred to.

Willie Hamilton and Lena Hamilton during the last two years have arrived at the age of almost manhood and womanhood and on account of this fact their expenses have greatly increased: Judging from values of lands in and near the location of said two tracts of land belonging to said wards, said property would possible sell for from $11.000 to $12.000 at this

,this time. Resp't. Submitted,

W.O.Perry, Guardian for.:
Willie Hamilton,
Lena Hamilton,
Annette Hamilton.

GEORGIA-GWINNETT COUNTY:-

To the Court of Ordinary of Said County.

The Petition of J.A.Perry, guardian for Louisa McDonald and Robert McDonald shows the following:- Petitioner was appointed guardian for said minors on the 1st Monday in Feb.1911 and finds from returns made by John M.Jacobs, deceased, who was guardian for said minors for some years before his death as well as administrator for the estates of the parents of said minors, Mr. & Mrs.L.F.McDonald, that the said John M.Jacobs had in his hands as such administrator and as such guardian money of the value of $1902.04. That is, his report shows that he had such money in his hands or liable therefor, which in point of fact he did not have said sum in actual cash. This sum which said minors have received and will receive from said estate besides one two-room tenement on Clayton St. which has a rental value of $2. per month and three shares of stock in the Bank of Lawrenceville comprises the entire estate of said minors.
Since the death of the said John M.Jacobs, your petitioner has qualified as executor of his will and having funds in his hands as such executor and with knowledge of the law perferring the amount due said minors as against ordinary creditors of the estate of said J.M.Jacobs, your petitioner being in a state of indecision as to whether he will administer said minors estate by asking for appointment as administrator de-bonis non or administering said estate as guardian for said minors, and on account of the fact that they have absolutely no means to go upon and no income from any source, your petitioner has spent for Robert McDonald in money and wearing apparel the sum of $67. and has also spent the sum of $51. in money and wearing apparel for Louisa McDonald. Said minors reside with their grand-mother,Mrs.Lou Jacobs, and said Mrs.Jacobs is sole beneficiary under the will of the said John M.Jacobs and said minors are the sole heirs of the said Mrs.Jacobs. Said monors and their said grand-mother reside on a place near Lawrenceville,Ga. which is not fully paid for and Robert McDonald being desirous of farming on said place, and said minors nor the said Mrs.Lou Jacobs having no funds with which to buy a mule and other incidental costs necessary to farming, in the way of farm implements etc., and your petitioner being satisfied that it is for the best interest of said minors prays order allowing him to invest $150.00 of their said interest in a mule and necessary farm implements therefor. Said farm which for the present is owned and controlled by the said Mrs.Jacobs ,after the payment of all debts against the estate of John M.Jacobs,being the only source of income for said minors other than from their said estate, it is absolutely necessary that said cost be incurred looking to the best interest of said minors. Your petitioner also shows that said minors are for the present boarding with their grand-mother and have been so residing since Oct.12,1910. Your petition in conjunction with said minors has agreed with the said Mrs.Jacobs that she should be paid the sum of $10. per month each for their board during such time and a similar sum for such future time as their relations continue as at present, which makes an indebtedness against said minors for board for five months to the 12th of March 1911. aggregating the sum of $100.00 Your petitioner further shows that the income from the funds in the hands of your petitioner will be much less than the actual necessary expenses for said minors. Each of said minors are at an age that their expenses are greater now than they have been for some years back, both having attained the age of manhood and woman hood.
Your petitioner prays an order of this Court allowing him to encroach upon the corpus of said estate as follows:

-1- That he be allowed to incur the expense of $150. for a mule and necessary farming implements for the purpose hereinbefore designated.

-2- That he be allowed to pay the said Mrs.Lou Jacobs the sum of $100. for their board to March, 12th, 1911.

-3- That he be allowed to pay the said Mrs.Lou Jacobs a similar sum per month's to-wit:- $10. each per month, for board until different arrangements are made therefor and in addition to such sum that he be allowed to pay each of said minors the sum of $75. per year, divided into such payments as your petitioner may decide is prudent, looking to the best interest of said wards' estate.

-4- That this Court approve the expenditures heretofore made by your petitioner in the sum of $75. to Robert McDonald and $51. to Louisa McDonald.

-5- That your petitioner be allowed to pay to Dr.Thos.C.Mason the sum of $42. for dental work for Louisa McDonald, which expense was allowed to be incurred by the said John M.Jacobs her former guardian, but which had not been paid for.

Mrs. Mahala Linney, et al., vs. D.F. Little, admr, of G.H. Barker, decd. Court of ordinary, Gwinnett Co. Ga. Citation for settlement. Feb, Term, 1911.

And now comes D.F. Little, admr of the estate of G.H. Barker, decd, and makes this his answer to the citation served upon him, and says:- Ist. Defendant is unable to admit or deny, for want of imformation, that the plaintiffs or either of them are heirs at law of G.H. Barker, decd, and therefore he asks the court to require strict proof of the same.

2nd. D fendant shows that as sich admr there has come into his hands the sum of$1802.00, but that for the reasons hereinafter set forth there is nothing to be paid to any heir at law that said G.H. Barker may have. Defendant shows that about two years before the death of G.H. Bark r his wife died, leaving no children, nor near kindred, except defendants wife who was a cousin to his wife, the said Barker entered into agreement with defendant and his wife that if they would take him to their house and allow him to make it his home as long as he lived he would give to defen dants wife a certain sum of money then on deposit in the Bank of Duluth, Ga. amounting to $500.00 which would become his as sole heir of his wife, and that whatever property or monies he had at his death afterpaying all debts that he might owe he would give to defendant. Defendant and his wife accepted said offer and agreement and took the said Barker into their home and furnished him board, lodging, attention for about two years and up to his death. For a considerable time he was of a great deal of trouble and required their constant care and attention. Carrying out this purpose and agreenent which he had entered into he delivered to defendants wife the time certified representing the $500.00 on deposit in the Duluth Bank. Defendants collected this $500.00 and interested accumulated of $22.00 and turned said sum of money over to her. After the death of said Barker defendant paid the Doctor bills, burial expenses, erected a tombstone over his grave and paid off all the debts left by said G.H. Barker out of the moneys and properties left by him which amounts to $326.80 the vouchers for which are hereto shown to the court; that there also some other expenses of

advertising and court costs yet unpaid and defendant is entitled to $90.00 commissions which leaves in hands the sum of $883.20, which said sum belongs to defendant for the reasons hereinbefore set forth. Defendants has carried out in good faith the contract made with the said G.H. Barker for the consideration hereinbefore mentioned, and is terefore entitled to the balance of the estate in his hands under said contract and agreement. For these reasons there is nothing to distribute among heirs at law said Barker may have, and of this this he puts himself upon the court and country.

Gwinnett Court of Ordinary:- June Term, 1911.

The foregoing application read, considered, and granted.
This 5th day of June, 1911.

G. B. Robinson,
Ordinary.

GEorgia, Gwinnett County:

To the court of ordinary of said county and Hon. G.G. Robinson, Ordinary:-

The petition of John P. Webb, admr de bonis non with the will annexed of the estate of Mary N. Goodwin, decd, respectfully shows: Ist. That the said Mary N. Goodwin died in said county in the year I899 leaving a last will and testament in which she named E.D. Little as executor; said will being probated in said court in the year I899, to which reference is hereby prayed. 2nd. Under said will as is therein shown, she left various properties to her daughter, Lizzie P. Webb during her life, and at her death, to the children of her said daughter, Lizzie P. Webb. 3rd. Petitioner shows that the said E.D. Little qualified as such admr and took charge of said estate and managed the properties and collected the monies due thereto from the time of the death of the said Mary N. Goodwin until the year I9I0, when said E.D. Little died. 4th. On the I0th day of February, I90i, the said Lizzie P. Webb died and the estate thus left under the will of said Mary N. Goodwin became the property of the children of said Lizzie P. Webb. 5th. Petitioner shows that after the death of said E.D. Littl , to wit, on the day of I9II, your petitioner was appointed admr de bonis non with the will annexed of the estate of the said Maty. N. Goodwin by said court. 6th. Petitioner shows that the said E.D. Little, executor as aforesaid, made his returns to said court for the years I900-I90I-I902- and I903, but made no return subsequent thereto and that at the time of his death, he had collected and paid out various sums of money belonging to said estate. Petitioner shows that he as such admr together with C.W. Roberts, admr of the estate of the said E.D. Little, have made through and pains-taking search and investigation of the condition in which the estate of Mary N. Goodwin was left in at the time of the death of the said E.D. Little. He shows that for several years prior to the death of the said E.D. Little, he was sick and probably for this reason falied to made his annual returns; but after a through and pains-taking investitation of all the monies collected of the estate of saidMary N. Goodwin decd and not properly accounted for, they find that there is the sum of $2954.34 now due from the estate of the said E.D. Little to petitioner as admr of the estate of Mary N. Goodwin. That petitioner believes that this sum is correct, but there may be a few minor inaccuracies one way or the other; but so far as petitioner and the administrator of the estate of E.D. Little have been able to find from the investation they have made, this is the correct amount due. Wherefore, petitioner prays that he be authorized and directed to comprise and settle all claims due the estate of the said Mary. N. Goodwin from the estate of the said E.D. Little for the said sum of Two Thousand Nine Hundred and Fifty four and 34/I00 ($2954.34) Dollars. O.A. Nix, Ptrs atty.

Petition.

Georgia, Gwinnett County:

To the court of Ordinary of said county and Hon. G.G. Robinnary thereof.

The petition of Jno. P. Webb, administrator with the Will annexed of Mary N. Goodwin, deceased, alte of said county, respectfully shows:

"I"

That he is duly anstituted admr as aforesaid of the estate of Mary N. Goodwin, deceased.

"2"

That a part of the estate of said deceased consists of a farm near Doraville in Dekalb County Georgia, containing one hundred and twenty-six acres, more or less.

"3"

That for several years after the death of Mary N. Goodwin, E.D. Little, who was named executor in the will of the said deceased, had charge of as such executor the estate of the said Mary N. Goodwin; that on the day of I9I) the said E.D. Little died and the administrator of his estate was his son-in-law, C.W. Roberts and that, as was his duty to do, the said C.W. Roberts took charge of and looked after the affairs of the said Mary N. Goodwin estate by reason of the fact that he was administrator of the estate of said E.D. Little.

"4"

That prior to petitioner's wppointment, as such administrator of the said Mary N. Goodwin's estate the said Roberts rented to one J.E. Williams the aforesaid farm for the year I9II for the sum of Seventy-five ($75.00) Dollars, standing rent. Petitioner is informed and believes that as a part of the rent contract, the said Roberts agreed with the said J.E. Williams to erect or have erected a barn or stable upon said place in which to keep his stock and that under the trade it was agreed between the said Roberts and the said J.E. Williams, that in the event he failed to erect said barn or stable, that the said J.E. Williams was to pay only Fifty ($50.00) Dollars standing rent for said farm for said year I9II.

"6"

Petitioner shows that said barn or stables have not been erected and that the said refuses to pay the full amount of rent, but claims and insists that his contract holds him liable for only $50.00, which he is willing to pay.

WHEREFORE, Petitioner prays that he be allowed to compromise and settle under section 3428 of the code of I895 this claim for said sum of $50.00.

To the Court of Ordinary of said county and Hon. G.G. Robinson, Ordinary thereof:

The petition of John P. Webb, administrator with the will annexed of Mary N. Goodwin, deceased, alte of said county, respectfully shows:

"I"

Petitioner is duly constituted administrator as aforesaid of the said Mary N. Goodwin, deceased.

"2"

Petitioner shows that on the 24th day of March I894, Mrs. T.C. Hampton of the county of Fulton, said state, executed and delivered to Mrs. Mary N. Goodwin her warranty deed to the following tract or parcel of land, situated, lying and being in Dekalb county Georgia, commencing at the south west corner of Pavillion ave. and Herman St. and running south along Pavillion ave. 53 ft. 8 in.; thence west I90 ft. with a I0 ft. alley; thence north along said alley 53 ft. and 8 in. to Herman st.; thence east along south side of Herman St. I90 ft. to beginning corner; and known as part of land lot No. I8I in the I5th land district of said dekalb County and also known as lot No. 2 Block I4 as per plat on filein the office of the Clerk of the Superior COurt of Dekalb county Georgia, as made by what was known as the East Lake Land Co, of Atlanta. Said deed was recorded in the office of the Clerk of the Superior Court of Dekalb County Georgia in record book 3 M. folio 403 on the 30th day of August, I909, which record was so made some time after the death of the said Mary N. Goodwin; and said described land was a vacant lot with no inprovments thereon, and that said Mrs. Mary N. Goodwin, or petitioner as her admr have ever had actual possession of said lot.

"3"

Petitioner shows that afterwards, to wit on the 26th day of July I907, Mrs. Viola Hampton, who is the same person as Mrs. T.C. Hampton, executed and delivered a warranty deed also to the same described lot to W.D. Thompson, which deed appears of record in book 3 F. page 455 in the Clerk's office of the Superior Court of Dekalb County Georgia, having been recorded on the I2th day of October, I907. That afterwards, to wit on the 30 th day of July , the said W.D. Thomson executed and delivered to Thos. B. Payne a warranty deed to the said described lot, which said deed appears of recored in book 3 F. page 457 in the Clerk's office of Dekalb county Georgia, having been so recorded on the I2th day of October I907.

"4"

Petitioner has been imformed that the said T.B. Payne went into possession of said described lot, under said deed and has been in possession of it ever since; that h has it now enclose

with a wire or other kind of fence and has made some improvements thereon and petitioner is also imformed that the said T.C. Payne is an innocent purchaser and had not notice of the deed to Mrs. Mary N. Goodwin hereinbefore described under which she held said property.

"5"

Petitioner futher shows that from the best information he can obtain the said described lot outside of the improvements put thereon by the said T.B. Payne is not worth exceeding the sum of $200.00; petitioner futher shows that the said T.B. Payne is willing to pay petitioner the sum of Two Hundred Dollars in full settlement of petitioner's claim to said lot, and petitioner believes that it is to the best interest of the estate that he be allowed to compromise and settle the same with the said T.B. Payne for said sum of $200.00.

WHEREFORE, he prays that the Court grant an order permitting and authorizing him as such administrator aforesaid to compromise and settle said claim for said sum of $200.00, and that petitioner be authorized to executed and deliver to the said Thomas B. Payne quit claim titles to said described lot.

Petition.

Georgia, Gwinnett County:

To th Hon. G.G. Robinson, Ordinary of said county:

The petition of J.A. Perry, Executor of the last will and testament og the late John M. Jacobs, deceased, shows the following:

"I"

During the year I905, L.F. McDonald and his wife, Mrs. Sally McDonald, departed this life, leaving as their heirs-at-law Robert, Louise and Edna McDonald, each of whom wree minors and are now minors except the said Edna McDonald, who departed this life at about the age of five or six years. Some time subsequent to the death of the said Mr. and Mrs. McDonald father and monther of said Robert, Louise and Edna McDonald, the said John M. Jacobs qualified as admr of the estates of the siad L.F. McDonald and Mrs. Sally McDonald, and about the same time of his qualifation as such admr of s id estates, he also applied for and was granted latters of guardinship for said Robert, Louise and Edna McDonald. The said John M. Hacobs was never married and very likely on account of this fact and doubtless the futher fact that for some years previous to hisdeath, on the I2th day of October, I9I), he was conscious of being affected with fatal malady that would take him out of this life at a comparatively early age, and which to happen, and which has happened, would by his actions in making his Mother sole beneficiary under his will (which he did so) and said minor children eventually becoming the sole heirs of his said Mothers, Mrs. Lou Jacobs, and in this way participate in a distribution of whatever estate the said John M. Jacobs might leave, and for these reasons we can have the only explanation of the fact that the said John M. Jacobs, never made any returns during his life as guardian for said children and not even make returns as such admr until twelve (I2) days prior to his death, and in his return as such admr, he recites the fact that owing to his estate sescending to said minors, that he had not kept any acrute account of or made charges against said minors as a strict compliance of the law would have directed, which recitals of fact as explanatory for not having kept an accounting as required by law is fully saet forth in his said return as admr of said estates, filed in office of the court of Ordinary of said county on OCt. Ist, I9I).

"2"

It will be seen from said returns as such admr of said estates that he had in his hands belonginf to Robert and Louise McDonald, the said infant Edna McDonald having departed this life in June, I909, the sum of One Thousand Four Hundred and Forty-Two and 50/I00 ($I442.50) Dolalrs to the estate of the said Mrs. Sally McDonald and Four Hundred and Fifty-nine and 44/I00 ($459.44) belonging to the estate of the said L.F. McDonald. This comprises all the property in his hands as such admr or as such guardian except three (3) shares of stock in the Bank of Lawrenceville and one negro tenement in the rear of the property in Lawrenceville, Ga., known as the home place of W.T. Tanner.

"3"

Since your executor, the said J.A. Perry, has qualified as executor of the said John. M. Jacobs estate, he has alos qualified and has been granted letters of guardianship for said Robert and Louise McDonald, and as such guardin has charged the estate of the said John M. Jacobs with the said sums by said returns to be due, to wit: $I442.50 and $459.44. making a total of $I902.94, which said sum of money with the Bank stock mentioned and said negro tenement comprises all of the estate of the said two minors.

"4"

On account of the property being of the nature that it is, it will be useless costs, both as to court exepnses and the futher usual charge of a commission to an admr for services in administering said sum as the estates of the said MR. and Mrs. L.F. McDonald, which the undersigned would not charge however, if done, the said J.A. Perry though requested or suggested in the will of the said John M. Jacobs, has not qualified and will qualify as admr de bonis non of the said estate of the said Mr. and Mrs. L.F. McDonald, Such admr would be useless from any point of view as well as costs to a small estate, which should as far as possible be paid to said minors

"5"

Your Executor makes and files this expanation as explanatory of the fact of the said John M. Jacobs failure to make any returns as guardian of the said Robert McDonald, Louise McDonald and Edna McDonald, and specially inexplanation of why no futher administration has been had or will be had of the said estates of the said Mr. and Mrs. L.F. McDonald, which is not only due yourself as Ordinary of said county, but in justice to the bondsmen of the said John M. Jacobs, as guardian of said minors, should there ever be any questions or point made an the part of anyone at interest.

WHEREFORE, the premises considered: Your petitioner prays that this explanatory statment be filed in triplicate, one to be indexed and made to take the place of what have been a return of said John .M. Jacobs as guardian, and one for each of the estate of Mr. and Mrs. L.F. McDonald, as explantory of their being no futher administration of said estate.

Respectfully submitted,

J.A. Perry,

Executor of the will of John M. Jacobs, deceased.

To the Hon G G Robinson Ordinary of Gwinnett County:
The petition of G W Plunkett respectfully shows to the court the following state of facts
1st. That petitioner is an heir at law of Mrs. M.P. Plunkett Deceased,
2nd. Petitioner shows that the appraisers Duly appointed to set aside a years Support out of the Estate of Mrs. M P Plunkett for her Minor child Curtis Estelle Did on the 5th Day of October 1911 file their report with the Ordinary of Gwinnett County setting apart in cash six hundred Dollars for said minor also one feather Bed 12 quilts and two feather Pillows
3rd. Petitioner shows that the whole Estate Does not amount to But little over One thousand Dollars and will be much less when the Debts and Expense of administration are Deducted
4th. Petitioner shows to the court that the amount set apart for the child is a great deal more than it will require to keep her in the Manner in which she has been accustomed to live and further that the Estate being small it would Be unjust to set aside such an amount for the Purpose of supporting a child of her age Especially when the Estate is so small
5th. Petitioner files this objections to said

award of the appraisers alledging that same is too large and that same is not Demanded or Necessary for the support of the child for twelve Months and ask that the same Be investigated by this Honorable Court.

To thE Court of Ordinary of said County:

The petition of J.A.PErry as Gua rdia n for Rober t and Louise McDonald,children and the sole heirs at law of the late Mrs.Sally McDonald and L.F.McDonald,deceased,Shows the following:

-1- That during the years 1905 and 1906, John M.Jaco s qualified as administrator of the estates of the said Mr and Mrs.L.F.McDonald,also as guardian for Rob rt McDonald,Louise McDonald,and Edna McDonald.

-2- On the 12th day of October 1910, the said John M.Jacobs departed this life without having fully administered either of said estates or his trust as guardian for said minors.

-3- In June 1910, Edna McDonald, some sIx or seven ye rs of age,departed this life,leaving the said Ro Ert McDonald and Louise McDonald as sole heirs of said estate.

-4- On account of the fact that petitioner has taken charge of the property of the said minors, both realty and personalty, as heretofore shown to this Court,as such Guardian,and there being absolutely no reason for a further administration of the estates of either of the said deceased parties, other than as guardian, there being no debts and no requirement for either, there will be no further administration so far as your petitioner is concerned.

-5- ThE cost incident to the administration of the estates of the said Mrs.Sally McDonald, the said L.F.McDonald, and the said John M.Jacobs as guardian for said minors amounts in the aggregate to the sum of $56.00, to-wit: the sums of $13.80, $36.$5, and $ 5.75,respectively,; which costs accrued during the administration of John P.WEbb, as ordinary of said county and no part of which sums was ever paid by the said John M.Jacobs.

-6- Oth r than this indebtedness as heretofore recited, there is no indebtedness against either of the said estates and the only reason why an administration should be had in either instance would be for the purpose of paying the said cost as due the said John P.WEbb,as ordinary. WHEREFORE, the premises considered, your petitioner prays an order of this Court, allowing him to pay to the said John P.WEbb the said sums of $13.80, $36.45 and $5.75, making a total of $56.00, out of the funds in his hands belonging to the said Robert and Louise McDonald. It is beyond question to the best interest of their estates that such be done,as to administer on both estates would only add to the already large costs against said estates. RESPECTFULLY,

To all whom it may concern:-

The appraisers appointed to appraise and set apart a years support for Mrs. Sallie Stephenson, out of

the estate of W.T. Stephenson, late of said County, deceased, having filed their report in this office. This is therefore, to cite all persons, concerned, to show cause if any they can, why the said appraisers report should not be made the judgement of the Court on the first Monday in October, 1911.

D. G. Robinson, Ordinary.

Caveat.

In Gwinnett Court of Ordinary.

In the matter of mrs. Sallie Stephenson application for twelve months support, in Gwinnett Court of Ordinary. And now comes Mrs. F.I. Graham and caveats the return of the appraisers setting aside a twelve months support for the said mrs Sallie Stephenson, and for grounds and reasons why the said years support should not be allowed to the said mrs Sallie Stephenson, and for grounds and reasons why the return of the appraisers should not be made the judgment of the Court, caveator shows to the Court the following facts; 1st. That Caveator is the daughter and an heir at law of W.T. Stephenson, deceased, and as an heir at law under the law of inheitance is entitled to a childs share in the estate of W.T. Stephenson deceased,
2nd. That W.T. Stephenson departed this life sometime during the year 1862, and that at the time of his death he owned and possessed a tract of One Hundred and fifty acres of land in Gwinnett County, and that the land now sought to be returned and appraised, and set apart by the appraisers in said case as a twelve months support for the said mrs. Sallie Stephenson to wit, 37½ acres of land more or less being part of lot no. 62 in the seventh land district of said County, bounded on the north by N. Teagle and East by Teagle and C.N. Bradford, on South by J.A. Davis, and on North by J.A. Davis, and being the place whereon the said mrs. Sallie Stephenson now resides.
3rd That prior to the death of the said W.T. Stephenson the said W.T. Stepenson made and executed a will and under the terms of said will he divided to the said mrs. Sallie Stephenson a life estate in and to the entire hundred and fifty acres of land of which 37½ acres heretofore described is a part. And that under the terms of said will the said mrs. Sallie Stephenson was given a life estate in and to said land

and the remainder interest after the death of the said Sallie Stephenson, was devised share and share alike to the six living children, and that Caveator is one of the children, and under the terms of said will, has the vested remainder interest in said land, to take effect at the death of said Sallie Stephenson.

4th. That mrs. Sallie Stephenson was made executrix under said will, and that in 1863, after the death of the said W. T. Stephenson, that said mrs. Sallie Stephenson, filed said will for probate and the same was probated in the Court of Ordinary of Gwinnett County in the year 1863, and that the said mrs. Sallie Stephenson took possession of said land under said will and has remained in possession of the same as a life tenant under said devise and said will since 1863, and is still in the possession of said land, and holds the same under and by virtue of said will, She having probated the same and qualified as executor under the terms of said will, and that she is now estopped from claiming a years support out of said estate by having accepted the same under the terms of said will.

5th. That after the death of the said W. T. Stephenson, and after the probate of said will, the said mrs Sallie Stephenson took possession of all of the lands and personal property belonging to the estate of W. T. Stephenson, and that she used and consumed all of the personal property, and has had the rents and profits of the lands since 1862, a term of about forty nine years. That she has kept the estate together under the terms of said will, and has used the rents and profits which were abundantly sufficient to support her, and that she has waived her right to any years support in said land and is now estopped from setting out a claim for a years support.

6th. Caveator further shows to the Court that she is advised and believes that her Mother mrs. Sallie Stephenson has no desire of her own to obtain a years support. That the said mrs. Sallie Stephenson is now aged and infirm, and that Caveator is advised and believes that she has been unduly influenced to make this application for a years support by designing persons, who are seeking to get the title to said lands as against the other remainder men, and that the said mrs. Sallie Stephenson is not capable or competent in her extreme old age to decide what she wants or to make a selection and that said application is not at her instance, but at the instance of other persons,

and that she has been unduly influenced in making said application.

7th. Caveator further shows to the Court that the lands returned by the appraisers to wit, 31½ acres of land, is very valuable farming land in said County and is of the value of $50.00 an acre, and is therefore of the value of $1575.00, and if the said mrs. Sallie Stephenson was intitled to a years support, which Caviator denies, still the amount awarded by the appraisers is grossly excessive of what is necessary for a years support in her circumstances and usual manner of living.

That the said mrs. Sallie Stephenson receives a pension of $60.00 annually in addition to the income from the estate which she is entitled to, and that the income from the estate and the pension she receives is far more than what is necessary for a good and abundant support, and that therefore the said mrs. Sallie Stephenson is not entitled to any years support at all. And that if entitled to any years support in any sum, which is denied by Caveator, she would not be entitled to anything like the amount set out by the appraisers in this case.

Wherefore Caveator prays that she be refused a years support, and that the return of the appraisers be not allowed.

Caveat.

In the matter of Sallie J. Patterson. application for years support out of the estate of W. H. Patterson, and return of appraisers. Gwinnett Court of Ordinary March term 1912.

And now comes Jesse A. Richardson, Guardian for his wife Annie Richardson, and caveats the return of the appraisers setting aside a years support in the above matter and for grounds of caveat says:

(1)

The said Annie Richardson is a child and heir at law of the deceased W. H. Patterson and as such entitled by inheritance to a one-third interest or share in his estate; that the said W. H. Patterson died intestate, and that caveator is the duly appointed and duly qualified guardian of the said Annie Richardson who is a minor.

(2)

That the return of the appraisers allowing and setting apart the sum of $500.00 in cash, in bulk, as a years support for the period since the death of the deceased,

with no separation or specification for any one year, is void and cannot be made the judgement of the court, and the proceedings should be dismissed, for the additional reason that it is accordance with the prayers of the petition, and the entire proceedings are void.

(3)

Because the applicant for herself and minor child, has already received a years support out of the estate of the deceased, and is not entitled under the law, and the conditions of this estate, to any further years support.

(4)

That W. H. Patterson died, intestate, in said County, on the 3rd, day of December 1903, leaving his widow Sallie J. Patterson and the applicant and Annie Lou and William H. Patterson, two minor children, as his sole heirs at law; The said Annie Lou being a child by a former marriage; that B. L. Patterson was duly appointed administrator of the estate of the deceased soon after his death; that said administrator soon after his appointment paid to the applicant the sum of One hundred dollars in lieu of a years support for herself and minor child, the said applicant agreeing at the time to accept the same in full of a years support, and agreeing at the time not to claim a years support out of the estate. That said applicant then requested the said administrator to keep the said estate together and not to sell the same, and that said estate has been kept together ever since at her suggestion and request; that said administrator has paid over to her for the use, benefit and support to herself and minor child Two thirds of the entire income from said estate, amounting to One hundred per annum; that the other one third amounting to fifty dollars per annum was paid over to the said Annie Patterson (now Richardson for her use and benefit); that the said administrator did not

retain any comissions, but paid over to the applicant the entire 2/3 of the income from said estate, and that the estate was kept together and this sum paid over to her at her request and suggestion. Caveator therefore says that the applicant is not entitled, as a matter of Law, to any years support out of said estate further than what she has already received. Wherefore Caveator prays that these his grounds be inquired into by the Court, and that said proceedings be dismissed, and that a years support be denied the applicant.

On account of the point raised by Caveator as set forth in par 2. of their Caveat, that the setting apart of a sum in bulk with no specifications or seperation for any one year, is void said quotation raised, being of such serious doubt that applicant does not desire to take any risk by reason thereof holding any judgement she might obtain. She hereby withdraws the application without prejudice and with leave to file another if she desires.

Georgia, Gwinnett County:

To the Honorable L G Robinson,
Ordinary of said County:

The petition of L J & J H Wood, as admrs of the estate of J H Wood respectfully shows:

(1)

That their intestate J H Wood during his lifetime filed a suit in the Superior Court of Gwinnett County Georgia against J C Jowin of said County, to recover a judgment of some Nine hundred dollars and also to set aside certain deeds etc.

(2)

That he died before said case was tried and your petitioners were made parties plaintiff.

(3)

That said case was referred to M D Irvin, Esq., as auditor in said Case and the hearing of said Case was had in Winder, Ga, before said auditor, and that said Auditor has filed his report in the Superior Court of said County finding in favor of petitioners in the sum of Eleven hundred and ninety one dollars and twenty six cents, including interest; and also finding that certain deeds described in the petition should be set aside as prayed for.

(4)

Petitioners shows that the defendant has given notice that he will file exceptions to said auditors finding and that a written agreement has been entered into giving him until May 15th to file such exceptions as he may desire.

(5)

Petitioners show that all the property owned by said Jowin is the property set out and described in the petition and covered by these

deeds and is perhaps worth in the aggregate about One thousand dollars that there are mortagages and liens against said property in favor of the Braud Banking Company and J.C. Flanigan, which are superior to petitioners claim, amounting to about $375.00, and that therefore the equity in all said property amounts to about $425.00.

(6)

Defendant has offered to pay petitioners the sum of Three hundred and twenty dollars, and also pay all costs in said case amounting to about $113.00 - making the total amount to be paid by him $433.00, in full settlement of said judgment and said claim if petitioners will take the same immediately.

(7)

Petitioners belive that it would be to the best intrest of the estate to accept said offer and close up said settlement for the reason that the claim is disputed, and petitioners might in the end recover nothing, and for the futher reason that if their judgment stands (as they belive it will) they belive the equity in said property is all they could ever recover, and that the expenses of futher litigation, and the expenses of selling said property, petitioners in the end could not realize as much as they can now get by a settlement, besides their claim is only based on an account and might be homesteaded or otherwise defeated in the end although the get the judgment as asked for.

Wherefore they pray that they be allowed as said administratrix

to settle said case on the Basis herein set forth, and that this Court pass an order to that effect.

J.G. Ray
vs
E.W. Davis

Gwinnett Court of Ordinary

Georgia, Gwinnett County:

To the Ordinary of said County:

J.G. Ray, brings this his petition against E.W. Davis and shows the following facts:

-1-

That defendant is the owner of a certain tract or parcel of land situated in said county and in Cates Militia district of said county, same being part of land lot No. 69 of the 5th district of said county.

-2-

That petitioner is the owner of a certain tract of land adjoining land of defendant above referred to in said land lot 69.

-3-

That the said private way does not exceed fifteen feet in width, that it has been kept open and in repair and that it is the same fifteen feet originally appro-

priated for the use of said private way. That the particular private way has been in uninterrupted use for a period of considerably more than seven years previous to the filing of this petition.

-4-

Petitioner shows that said private way begins from said public road coming from the direction of Watson's Creek in the vicinity of said land and running in the direction of and towards Five Forks in said County, and runs in a nearly easterly direction across the lands of said E.W. Davis and ends at petitioner's house, the length thereof being about 100 yards more or less.

-5-

He shows that defendant has recently closed up said private way by putting rocks of various sizes in and across said road, thereby obstructing said private way and preventing its use by petitioner.

Wherefore petitioner prays that a rule Nisi directed to said defendant calling upon him to show cause why said obstruction should not be removed and free use of said private way be re-established.

Paul L. Lindsay
Attorney for Petitioner.

To E.W. Davis:

You are hereby required to show cause before me at my office at the Courthouse of said County on the 8th day of May, at ten o'clock, a.m. why the relief prayed for by petitioner should not be granted.

Amendments
Gwinnett Court of Ordinary

Now comes plaintiff and amends his original petition, with leave of court first had and obtained and for amendment says:-

-1-

The lands over which said private way is located are improved lands.

-2-

Said private way is more particularly described as being the private way leaving the Phillia road coming from the direction of Watson's Creek which is the Centerville and Lilburn public road running thence in an easterly direction and just beyond petitioner's house connects with another private road known as the Rink Britt private road. Said private way obstructed is some four hundred feet long, more or less.

Answer

J.J. Ray
vs
E.W. Davis

Gwinnett Court of Ordinary

And now comes the defendant in the above stated case and in answering plaintiff's petition says:-

-1-

Defendant admits that he owns part of land lot number 69 in the 6th, land district of said County.

-2-

It is admitted that plaintiff has contracted to purchase a tract of land joining defendant as above but whether or not plaintiff has the the deed to the same or, is the legal owner defendant is unable to say and prays that plaintiff be held to strict proof of his rights.

-3-

Defendant denies that there is any private way, whatever, over his lands belonging to plaintiff, acquiring by prescription or otherwise.

-4-

Defendant denies paragraph 4.

-5-

Answering paragraph 5 defendant denies that he has obstructed any private way of plaintiff for the reason that plaintiff has no private way over his lands. Defendant admits that he has built two rock walls on his own land across gullies, where it has at times occasionally been used in passing in and out by plaintiff but is no legal private way; no work has ever been done on the same and it has not been kept in repairs, and besides the description in plaintiffs petition does not touch or, describe this, but describes another road on plaintiffs land or, the land he is living on that de-

fendant has not obstructed in any way.

Wherefore defendant prays that he be discharged with his reasonable costs, and that the prayers of petitioner be denied.
