June Term June, 7th 1915.

Upon reading and considering the petition of R.D. Rodgers the father of Rubenna Rodgers, it is ordered that the said R.D. Rodgers be, and he is hereby appointed Natural Guardian of the property of said minor, and that he give bond and security, as required by law, in the sum of Twelve Hundred Dollars, and take and subscribe the oath as required by law of such guardians.

R.D. Rodgers.

Sworn to and subscribed before me, 7th day of June, 1915.

G. G. Robinson,
Ordinary.

"Petition"

Georgia, Gwinnett County.

To the Honorable G. G. Robinson,
Ordinary of said county.

The petition of Roland Rogers respectfully shows:-

-1-

That he is guardian for his minor daughter Rubenna Rogers, having been appointed such guardian by this court on the 7th day of June, 1915, and that petitioner has given bond as such guardian and has duly qualified as such.

=2=

That heretofore petitioner as the father and next friend of said Rubena Rogers brought suit against the Laurenceville Branch Railroad for personal injuries and recovered a judgment for the sum of Two Thousand dollars

=3=

That said case was carried by the defendant to the supreme court and the judgment of the lower court was affirmed and the judgment of the Supreme Court was made the judgment of the Superior court of Gwinnett County at the June term of said Court

=4=

Petitioner shows that it is very doubtful whether or not anything can ever be collected on said judgment by law for the reason that the property of the Laurenceville Branch Railroad if sold at public sale, said road has been operated for a long number of years and has often not paid operating expenses and has never paid but very little over operating expenses, and has never paid any interest on its indebtedness In addition to this the Southern railway company claims to hold bonds against all property of said road and mortgages for a large sum and if valid bonds would come ahead of said judgment. The engines, cars and rolling stock being used on said road belong to the Southern Railway Company and are merely leased For these reasons it is very doubtful if anything can ever be collected on said judgment by levy and sale.

=5=

Petitioner shows that in order to avoid litigation and to adjust said matter the Southern Railway company has offered to pay in satis-

faction and settlement the sum of Nine Hundred dollars and also the Cost now due including a sum due the stenographer by the said Rubenna Rogers making a total of Nine Hundred and forty six dollars and ninety cents. Out of this there will be due D. L. Oakes attorney in said case Three Hundred dollars as he took said case for a Continget fee for one third the recovery. This would leave to the said Rubenna Rogers the sum of Six Hundred dollars.

In the judgment of petitioner and also in the judgment of said attorney under all the circumstances this would be a good settlement and petitioner asks judgment of the court allowing and authorizing him as guardian to settle said case on this basis.

And petitioner will ever pray.

Roland Rogers.

"Oath"

Georgia, Gwinnett County.

In person come before me the undersigned Roland Rogers who on oath says the allegations in the foregoing petition are true.

Roland Rogers.

Sworn to and subscribed before me, this June, 7th 1915.

G. G. Robinson,
Ordinary.

"Order"

Gwinnett Court of Ordinary.
June Term, June, 7th 1915.

Upon reading and considering the the foregoing petition and it appearing that the recitals therein contained are true: It is ordered and adjudged by the court that the said Roland Rogers as guardian for the said Rubenna Rogers be and he is hereby authorized to settle said judgment upon the basis prayed for in said petition.

G. G. Robinson,
Ordinary.

"Petition"

Georgia, Gwinnett County.

To G. G. Robinson, Ordinary
of said county:

1. The petition of Mrs. M. A. Pass respectfully shows:

"First"

That she is the duly qualified Guardian of Charlie Thornton, and as such guardian has received on this date from T. G. Roberts his former guardian $713.37

"Second"

That the said Charlie Thornton is now 19 years old, and about the first of January of this year, 1915, the said Charlie Thornton married, and has no funds which to set off himself to housekeeping, and your petitioner is fully confident and knows that the said ward needs the necessaries provided for fixing him off to housekeeping etc.

"Third"

Your petitioner would not ask to encroach on the corpus of her ward, if the said ward had other estate to provide the necessities that she knows that her said ward needs for his best interest.

Wherefore, your petitioner prays that she be allowed to encroach on the corpus of said wards funds to the amount of $100.00 to provide the necessaries set out in said petition.

M. A. Pass,
Guardian.

"Petition"

Georgia, Gwinnett County.

To the Hon. G.G. Robinson, Ordinary of said county, and to the Court of Ordinary of said County:

The petition of Lula E. Patrick shows that she is the widow of A.T. Patrick, deceased, late of said County, and therefore an heir at law of said A.T. Patrick, who departed this life on the day of Nov, 1914, intestate leaving surviving him your petitioner and the following named children, all of whom are minors and residing with your petitioner, their mother, in said county of Gwinnett, T.L. Patrick, 14 years of age; Mary Patrick, 10 years of age; J.M. Patrick, 12 years of age and Charlie Patrick 5 years of age. Petitioner is also the duly qualified administratrix of the estate of said A.T. Patrick, deceased.

She shows further that the said A.T. Patrick, deceased, during his lifetime to-wit: On the 12th day of January, 1914 purchased from A.A. Mauldin and N.L. Mauldin, resident, of said county, a certain tract or parcel of land situated

in said county, containing two acres more or less, and known as the Gin House property, and more fully described as follows: Commencing at a point on the public road on the line of H.S. Sikes property which originally belonged to N.L. Maudin and running from said point North west along the South side of said public road to a rock corner; thence South west to a Red Oak corner; thence South to a corner on said H.S. Sykes land line which originally belonged to N.L. Maudin; thence a North Eastern direction along the line of said H.S. Sikes to the beginning corner on the public road, together with an easement or right of way to the Spring situated on property of said A.A. Maudin, said tract of land being fully described in the bond for title, a copy of which is hereto attached and made a part of this petition, which bond for title the said A.A. Maudin and N.L. Maudin executed to the said A.T. Patrick. Petitioner shows, however, in order that said bond for title may be fully understood, that at the time the said A.T. Patrick purchased said tract of land from said A.A. Maudin that he also purchased a tract adjoining the same from his son N.L. Maudin and that instead of taking seperate bonds for title from each of them for each seperate tract that both of said tracts were included in the one bond for title and both the said A.A. Maudin and N.L. Maudin executed the same.

Petitioner shows that later, to-wit: on september, 26th, 1914 the said A.T. Patrick sold to H.S. Sikes the tract of land so purchased by him from from the said A.A. & N.L. Maudin and described in the bond for title

and known as the N. L. Mauldin tract, copy of which is hereto attached, and on said date transferred to him said bond for title, and while said transfer seems to have been full on the face thereof, as a matter of fact said transfer was intended only to be good so far as the N. L. Mauldin tract was concerned and did not intend to operate as a transfer of the other tract known as the gin house property, over which facts there has been and is no dispute the said H. S. Sikes, heretofore, to wit: on the first Monday in February 1915, upon a petition filed by him in this court, obtained an order for your petitioner to make to him, as administratrix of the estate of A. T. Patrick, deceased, titles to the tract purchased by him and known as the N. L. Mauldin tract only and in said proceeding set out in his petition that this was the only tract claimed by him as having been purchased from the said A. T. Patrick, and in pursuance of said order, petitioner, as such administratrix, has made to the said H. S. Sikes title to said N. L. Mauldin tract, as prayed by him. Petitioner merely recites these facts to explain the bond for title as it appears on its face.

Petitioner shows that the said A. T. Patrick died holding said bond for title, in so far as the gin house tract was concerned, and without having titles made to him to said lands by the said A. A. Mauldin and N. L. Mauldin.

Your petitioner futher shows that at the time the said A. T. Patrick died he owed upon the lands described in said bond for title the sum of $400.00 dollars principal, besides interest at 8% per annum

Georgia, Gwinnett County Ordinary's office, May, 3rd 1915.
The heirs at law of A. T. Patrick, deceased, having made application to require title to be executed to them by A. A. Mauldin and N. L. "Petition"

Georgia, Gwinnett County.

To the Hon. G. G. Robinson, Ordinary of said county.

A. R. Smith brings this his petition against Wm. O. Medlock, of said County, and alleges.

-1-

Defendant is owner of certain lands situated in said county in the 1061st District G.M. known as the Watts dower tract, containing One hundred acres more or less, the same not being wild land, but improved lands.

-2-

Petitioner has been in continuous and uninterrupted use for more than seven years of a certain permanent private road over said lands, said private road not exceeding fifteen (15) feet in width and no legal steps having been taken to abolish the same. That said private way has been kept up and in repair for more than seven years and has been in the continuous and uninterrupted use of petitioner for more than said period of time above set forth.

-3-

Said private way begins at a point on the old Medlock bridge road, Nine hundred and thirty (930) feet North of the residence of petitioner, thence entering on the lands of said

dependant, W. O. Medlock and running across the said Waits dower tract in a North-eastern direction eight hundred and thirty-three (833) feet to where it strikes lands of petitioner; thence going on over lands of petitioner to his gate or his said lands. Said private way running over the lands of dependant a distance of 833 ft. across said Waits dower tract.

4

The said dependant has closed up said road by putting trees across the same, piling logs and brush in said road and otherwise making the same impassible and is threatening to continue to keep the same closed up so as to prevent petitioner from using the same.

Wherefore, petitioner prays that a rule nisi be issued and directed to the said dependant, requiring him to show cause why said obstructions should not be removed and the free use of said private way be re-established.

"Petition"

Georgia, Gwinnett County.

To the Court of Ordinary of said County and the Honorable G.G. Robinson, Ordinary.

The petition of Mrs W.H. Cole, who is the mother of Flonnie, Don and Nennie Cole, all minors bringing this her petition as next friend of said minors, against W.H. Coggins of said County, shows:

On the first day of February 1909, the said W.H. Coggins qualified as Guardian of the said named minors and a few days thereafter received Twelve Hundred and Fifty Dollars ($1250.00) or other large sum of money belonging to said minors, as will appear from the records of file in the office of the Court of said County.

2-

That said Flonnie Dale is now more than fourteen years of age, the said Don and Nonnie are under the ages of fourteen.

3-

Petitioner shows that the said V.T. Coggins is mismanaging the property belonging to his said wards in that he is using it in the conduct of a merchantile business at Norcross, Ga. and that in such business there is a grave risk of his losing said money. Petitioner charges that the said V.T. Coggins is insolvent; that for the last two or three years he has been unsuccessful in business and is now on the verge of failure and that the money belonging to his said wards has been spent in the conduct of said business, and is otherwise tied up and mixed up with other monies and properties belonging to other people.

4-

Petitioner further shows that the said V.T. Coggins does not take due care of the maintenance and education of his said wards according to their circumstance. Petitioner shows that said children are now of such age that they ought to be in school, but that the said Coggins has made no provision whatever for using any part of funds belonging to them in their education and has made no application to this court to encroach upon the corpus of their estate for the purpose of educating and maintaining them, in fact has used less than the interest that should accumulate on said fund in their maintenance; that he is slow and dilatory about making and providing at all for their maintenance. Petitioner further shows that said children are now in need of shoes and

Coaches, and that from time to time she has called said Guardian's attention to said fact, but that he goes along and makes no provision for them whatever in anyway.

-5-

Petitioner further shows that although he has been Guardian for said children now for six years that he has made no return to the Court of Ordinary as the law requires. From an inspection of the records in the Ordinarys office no one can tell the status of said funds; what he has done with it; or where he has it located or invested, or what he is making thereon, or how he is using it in anyway. Petitioner further shows that his attention has been called to his duty of making such returns but that he has refused and failed to make any returns whatever.

-6-

Petitioner further shows that the said bondsman is unfit for trust and he ought to be discharged therefrom.

-7-

Petitioner further shows that one of the bondsmen of the said W. F. Baggins, to wit: J. A. Dodd, has sold out practically all the property he owned in said county at the time he signed said Guardian's bond and has removed from said county and is now living somewhere in South Georgia, and on information and belief petitioner charges further that the other bondsman, to wit: A. M. Quinn is in such financial condition that it is doubtful if he could be made to respond should the said guardian default.

Wherefore, Petitioner prays:

1- That a rule nisi be granted by this honorable Court citing the said W. F. Baggins, Guardian as aforesaid, to show cause why he should not be removed

as such Guardian and that a new Guardian be appointed in his stead.

2- That said Guardian be made to appear before this Court and to make a full and complete return of all his acts as such Guardian and that he be required to turn over and deliver to another Guardian to be appointed in his stead all of the funds that may be shown due said ward.

"Defendants Answer"

Mr. W.A. Cole } No. May Term
vs } Court of Ordinary of Gwin-
V.F. Coggins } nett County.
Petition to remove Guardian.

Now comes the dependant, V.F. Coggins, answering said petition says:-

"First"

He admits paragraph number one.

"Second"

For want of sufficient information he is unable to either admit or deny paragraph number Two.

"Third"

Defendant denies paragraph 3 into to and says that he is not in the Merchantile business in Norcross and that no money of said wards is or ever has been invested in any merchantile business at Norcross Ga, and says that he is entirely solvent and is prosperious in business and fully able to respond to any judgment that may be procured against him.

"Fourth"

And answering paragraph number Four of said petition, this defendant says that at the time he took Charge of said estate that his wards mentioned herein, were then living with their Mother, where they were residing at the time of their fathers death, and he presumes that there was ample provision made for their support out of their fathers estate and if these children are in any way in need

he has never been notified of the same by the mother or anyone else, and he has never been requested to make any application to this Honorable Court to use the corpus of said estate in any wise for said children, but after payment of taxes, the money at 7% has been paid to these children each year promptly when the same was due. Dependant was not aware that the condition of these children was such as to require any attention from him in anyway whatever, either as to their education or provision for their maintenance, and if they were in need of clothes and shoes, dependant has never been informed by the plaintiff in this petition or any of the wards.

"Fifth"

Answering paragraph number Five, dependant admits that he has made no return but he did this on account of the expense of making and recording the same as this estate was small and these children needed all that there was in it, and after payment of the taxes, he felt like he did pr was doing what was the best interest of the children to save the expense of making the other returns.

"Sixth"

Dependant denies paragraph numbered Sixth.

"Seventh"

Answering paragraph number seven of said petition, the dependant says that the same is untrue, denies it and to, but says that it is true that the said Condemen, J. A. Dodd, did bargain to sell his part of the property in Gwinnett County and move to Southern Georgia but in doing so he used what cash had come from that sale to purchase lands in the Southern part of the State, and that

he yet owns the lands in Gwinnett County as the purchaser only holds a bond for title for the same, and the said J. A. Dodd yet owns said lands subject to a payment of a large portion of the purchase money and the lands bought by him is an addition to his estate, and as for bondsman, A. M. Quinn, this defendant says he is entirely solvent and fully able to respond to any judgment that may be obtained against him.

Further answering this petition, this defendant says that the funds belonging to these wards are safely invested.

This defendant has done what he thought was right for these children and has looked after and fully protected their interest in every way, that he thought it was his duty and he has never been informed of any lack of anything by the children, neither has he ever been requested to make any application to any court for lief to encroach on the corpus of the estate for any purpose and will be able within any reasonable time to fully respond to any judgment that any Court may render against him.

Having fully answered this defendant prays to be hence discharged with this reasonable cost.

"Demurrer"

Mrs. W. H. Cole } No. May Term, 1915.
vs } Court of Ordinary.
V. F. Coggins } Gwinnett County.
Petition to remove Guardian.

Without waiving answer, now, at the first term of the Court, comes V. F. Coggins, the defendant and demurs to the petition in the above stated case and for general demurrer says that the petition, as it stands, does not show any right of action against this defendant, and taken as a whole, therefore should be dismissed.

"First"

And for special demurrer says that the petition as it is, is simply a petition by minors that are not sui juris; therefore the petition should be dismissed.

"Third"

Demurring to paragraph number Three, for special demurrer, the defendant says that allegations therein are insufficient to require a judgment of removal because it does not state in what way the said Coggins is mismanaging the property, or wherein there is any risk, or why and in what way he has been unsuccessful in business, and gives no facts to show that he is now on the verge of failure, and how there could be any loss to the minors if this money was mixed with other monies of the said Coggins.

"Fourth"

Demurring to paragraph number Four, defendant says that the allegations in said paragraph are not sufficient to charge the defendant with any neglect or state what the circumstances of the children were, and it does state that the state is sufficient to keep the children in any kind of school or what their conditions or circumstances are.

Further demurring to said paragraph the same fails to show that the said Coggins has ever been notified of the condition of the said children or been requested to make application to the Ordinary to use the corpus of the estate but does not state any documents that he has used or failed to use for the benefit of said minors, or how or in what manner he is slow or dilatory about making provision for their maintenance, and does not show that the said Coggins was ever informed of the need of any shoes or any clothes for said children, or that he had funds in hand sufficient to provide the same for them.

"Five"

Demurring to paragraph number Five, defendant says it is not sufficient grounds mentioned therein for the removal of the Guardian, and does not show that these people have not been informed as to the status of this estate at all times or that they have ever made any application to him for information in regard to him, and it is no concern of theirs. They are protected by the bond.

"Six"

Demurring to paragraph Number Six this defendant says that the same does not show any facts as to why he is unfit for the trust or why he ought to be discharged.

"Seventh"

Defendant demurs to paragraph number Seven of the petition and says it shows on its face that these petitioners are solvent, and does not make any positive statement as to insolvency but asks the Court to make up a doubtful question of fact and bring a man's conduct for any trust because of the simple denial as to the solvency of one of the bondsmen, and admits that the other is solvent and within

the jurisdiction of the court.

Defendant says that each and every one of the above mentioned paragraphs of said petition should be stricken for the reasons mentioned above in regard to each paragraph.

Wherefore this defendant prays the judgment of the court whether he should further answer the petition or said case be dismissed and that the several portions thereof demurred to especially be stricken.

"Petition"

Georgia, Gwinnett county.

To the Ordinary of said county.

The petition of Janie Thompson shows the following facts:

1.

Your petitioner is the mother and sole surviving parent of Ruth Landers, a female child of the age of eight years old.

2.

Petitioner shows that now and for sometime past one Bringer Johnson, of said county, has taken away from your petitioner and is illegally detaining his possession and from the custody of your petitioner the person of the said Ruth Landers, minor daughter of your petitioner as aforesaid, barring and restraining the said child at the residence of the said defendant, in said county.

3.

Petitioner avers that she did to-wit: On the first day of June, 1915, or thereabouts, demand the said child from the said defendant, and since that time has frequently applied to said Bringer Johnson for the same, and has endeavored to induce him to deliver to your petitioner the person of the said child.

4.

Petitioner avers that nevertheless the said Bringer Johnson, fails, neglects and refuses to deliver said child to your petitioner as in duty bound.

5.

Petitioner shows that Bringer Johnson is not related to Ruth Landers; that he is the husband of Bonnie Johnson, the half sister of Ruth Landers, and the cause of the pretence of the restraint of said child is that defendant claims that petitioner let said child go to his home to stay.

6.

Petitioner avers that said detention and restraint of Ruth Landers, her minor child, is illegal, because she is the mother and sole surviving parent of said child and entitled as such to her control and custody and to her services and the proceeds of her labor, and she has not at any time by contract or otherwise released her right to said Ruth Landers, to the said Bringer Johnson, the defendant herein.

Wherefore, petitioner prays your Honor to grant to your petitioner the State's writ of habeas corpus, directing the said Bringer Johnson, commanding and requiring him to produce the person of Ruth Landers before your honor, at such time and place as to your honor shall seem meet and proper, to the end that what appertains to justice may be done.

"Petition"

Georgia, Gwinnett County.

To the Hon. L.L. Robinson, Ordinary of Gwinnett County.

The petition of Mrs. A.E. Smith (Mrs. Mrs. A.E. Davis) respectfully shows the state of facts:

"First"

That at the January Term of the Court of Ordinary of Gwinnett County there was set apart as a twelve months support for petitioner and her four minor children out of the estate of her then husband, Van Davis, the following described land, to wit: "One hundred acres, more or less, lying and being in the 7th land district of Gwinnett County, Georgia being lot no. 55 and known as the Van Davis home place at the time of his death, and bounded as follows: On the North, east and west by lands of C.H. Bradford, and on the South by lands of James Stevenson".

"Second"

Petitioner shows to the court that for the purpose of maintenance and education of her four minor children, to wit: Clarence Davis, who is 16 years old; Riley Davis, who is 11 years of age, Faith Davis, who is 8 years of age, and Ervin Van Davis, who is 5 years of age, it is necessary to sell part of said land to be used for their maintenance and support and education and that for this purpose petitioner respectfully ask an order approving the sale of thirty nine and three tenths acres, more or less, of said land hereinbefore described which was set apart as a twelve months support for petitioner and the four minor children out of the estate by the said Van Davis.

"Third"

The petitioner shows that the income from said land is not sufficient for support and education and that for that purpose she asks an order

of approval for the sale of thirty-nine and three tenths, situated in the north-east corner of said one hundred acre tract, the same being cut where it will leave the remaining part of the twelve months support in the best possible shape, said thirty-nine and three tenths acres being bounded as follows: On the north and East by lands of C. H. Bradford, on the South and West by the remaining part of the hundred acre tract, the same containing thirty nine and three tenths acres, more or less, according to the survey of Thomas Ramsey.

Wherefore, petitioner prays an order appraising the sale of said property for the purposes herein set out.

And now comes J. T. King and files this his caveat to said application and objects to the said Mrs. Lula Hamilton being appointed administratrix of said estate, but on the contrary asks that he be appointed such administrator for the following reasons.

1.

Mrs. Lula Hamilton, the applicant is not a resident of the State of Georgia, but resides in the State of Alabama. And now comes the defendant W. S. Watson, administrator of the estate of R. B. Gribble, deceased, and for answer for said citation, says:

1.

Defendant has no funds in his hands belonging to the plaintiff nor has he had at any time since administration

was granted on said estate.

-2-

Said estate consists almost entirely of a tract of land situated in said county, containing 160 acres, more or less, but defendant has never sold said land for the reason that the same was homestead by the said R.B. Tribble many years before his death and that said homestead has never expired, one of the beneficiaries of said homestead still being a minor under the age 21 years.

"Contest to Admrs answer"

Mrs. B.F. Booth vs. W.S. Watson, admr of R.B. Tribble, deceased.

Petition for Settlement
Gwinnett Court of Ordinary
November Term, 1914.

And now comes Mrs. B.F. Booth, plaintiff and distributee in the above proceeding and denies and contests the answer of the administrator, W.S. Watson, for the following reasons:

-1-

Plaintiff denies paragraph 1. of the answer of the administrator and alleges that there is now in the hands of the administrator two (2) bales of

cotton raised on said place in the year 1914.

-2-

Plaintiff denies paragraph 2. of the answer so far as it is intended that there is in existence at the present time or any time within the near past a homestead on the 100 acres of land, but on the contrary plaintiff denies the existence of such homestead since on or about the 1st day of May 1896, at which time the homestead set aside to intestate was during the year 1896, sold under execution in favor of R.A. Hammond against R.B. Tribble, and subsequently the said Tribble, intestate, became the owner in his own right and title of said one hundred acres of land, more or less, and at his death was seized and possessed of the same.

Wherefore, Plaintiff alleges that said one hundred acres of land is subject to administration by said administrator as the estate of said R.B. Tribble and that plaintiff is entitled to her distributive share as an heir at law of said deceased intestate.

Plaintiffs attorney.

"Petition"

Georgia, Gwinnett County.

To the Ordinary of said County.

The petition of J. H. Moore Jr, Respectfully shows the following facts:-

1

That for more than seven years before the filing of this petition, he and the previous owners and tenants of the place now owned by petitioner, and whereon petitioner now resides, and known as the "J. L. Vose Farm" have constantly and uninterrupted used a private way over and across the improved lands to which Sam Power now holds bond for titles and to which W. M. Jordon holds deed, said private way intersecting the public road leading from

Lawrenceville in the direction of New Hope church, directly in front of where the said Sam Gower now resides, and runs in a northeasterly direction across the lands of the said Sam Gower and across the land now owned by petitioner and thence until it intersects the "old paper mill road", a distance of about one mile and a quarter.

-2-

That on or about the 6th day of December past, the said Sam Gower obstructed said private way, by terracing across said road and piling brush and poles across the same and plowing up the bed of said road for some distance, thereby completely closing it up.

-3-

That under the facts the defendant had no right to close the road without giving petitioner notice, so that he might proceed to make it a private way, if it were not already one, as provided by section #819 of the Civil Code of 1910.

Wherefore, your petitioner prays that said obstructions be removed, and the use and enjoyment of said private way be re-established.

Kelley & Kelley,
Petitioners Attorneys.

"Rule Nisi"

Georgia, Gwinnett County.

To Sam Gower:

You are hereby notified and required to be and appear at my office, in Lawrenceville, said county, on the 31st day of December, 1915 at 10 o'clock A.M., then and there to show cause why certain obstructions complained of by J.H. Moore Jr., as placed in and along a private way across your land, said private way over your land, said private way inter-

secting the public road leading from Lawrenceville in the direction of New Hope Church, directly in front of where Sam Gower now resides, and runs in a northeasterly direction across the lands of said Sam Gower now resides and the lands now owned by J.H. Moore Jr, and thence until it intersects the "old paper mill road" should not be removed, and the free use of said private way be re-established.

"Demurrer"

J.H. Moore Jr vs Sam Gower } Petition to remove obstructions to Private Way.
Gwinnett Court of Ordinary.

And now comes the defendant and demurs to the allegations in said petition and for cause of demurrer says:-

1.

There is no allegations in said petition that said alleged Private Way is over improved lands.

For this reason said petition shows on its face that the petitioner is not entitled to the relief prayed.

Wherefore defendant prays that the demurrer be sustained and said petition be dismissed at plaintiffs cost.

Defts attys

"Defendts answer"

J.H. Moore Jr. vs. Sam Gower } Rule to show cause before the Ordinary on 31st day of December, 1917, in regard to an alleged private way being obstructed.

And now comes the defendant in the above rule and for answer says:

"First"

On answer to paragraph on of the plaintiffs petition defendant denies the existence of the alleged private way set out in said paragraph or that the same has been used for the purpose therein set out.

"Second"

Paragraph two of plaintiffs petition is denied.

"Third"

Further answering plaintiff's petition defendant says that for many years there has been no passing in or across either the property of the defendant or of the adjacent property and that no line was there ever an established right of a private way over the land of the defendant, that he is informed that many years ago there was a way that was used for the purpose of reaching a mill that was operated on the branch, but that said way did not pass over the property of the defendant, but over that of the adjacent land owner of the South of defendants property; that said way was never worked and never had any permanent location while it was in existence, and the same has been closed up for many years.

"Fourth"

Wherefore, defendant prays that the prayers of the plaintiff be denied and that he be hence discharged with his reasonable cost. and defendant will ever pray.

Counsel for Defendant.

"Caveat"

Georgia, Gwinnett County.

In Re: Petition of Mrs. Gillie Hutchens for probate in solemn form of the will of Andrew J. Abbott.

And now comes J. B. Davis at the first term of court and files this, his caveat to the petition of Mrs. Gillie Hutchins for the probate in solemn form of a purported will of Andrew J. Abbott and for grounds thereof, says:-

1.

This caveator denies that Andrew J. Abbott died testate, but on the contrary states that he died intestate.

2.

Caveator denies that Andrew J. Abbott left a last will and testament and alleges that the purported will was never executed by the said Andrew J. Abbott in terms of the law.

3.

For want of sufficient information caveator can neither admit

nor deny paragraphs three (3) and four (4).

Caveator admits allof paragraph (5) except that portion which attempts to set up a will.

5

Caveator admits paragraphs six (6) seven (7) eight (8) nine (9) ten (10) eleven (11) twelve (12) thirteen (13) fourteen (14) fifteen (15).

And further this caveator alleges that the said Andrew J. Abbott, deceased, never executed a will of any kind, it was never his intention to will his property to the said Mrs. Gillie Hutchins and that if any such purported will is in existence the same was obtained by undue influence and illegally and in fraud against your Caveator and of the other next of kin of the said deceased.

All of which this Caveator is ready to verify.

Baker, age 12 years; Mary Gladys Baker, age 9 years; Willie Mae Baker, age 6 years; Addie Lee Baker, age 4 years, and Mattie Julia Baker, age 4 years old, respectfully shows that the property he has as such guardian is entirely insufficient for their education, that the annual profits of said wards would not amount to anything, as the whole of said corpus that he now has only amounts to Seventy One & 18/100 Dollars ($71.18) that the welfare of said wards, and their best interest will be promoted if he could be permitted to expend said corpus on the education of said wards.

Petitioner further says that his wards are now at the age that they could be of no material benefit to him as to their labor, and that he is a poor man and if he could be allowed to do so desires to place them in school that he might give them the best advantages that he possibly can for their betterment.

Attorney-at-Law,

Dr. A. N. Wingo,
Norcross, Ga.

Dear Sir:

Will of Mrs. L. L. Sheek.

I left here for North Carolina on the 18th, and yours of the 17th, of course came during my absence. The hearing of the case there, as to the rent of the lands, of the estate was delayed from day to day, and finally upon the 20th. postponed, because of the illness and absence of one of the Defendants, and other

reasons given by them, and I returned home having accomplished nothing, except to have, the main hearing appointed for a day in October, the exact date to be fixed, and notice given.

I return the original will of Mrs. Sheek, but I have kept a copy of it. The will is somewhat irregular in its execution and attestation. I do not know just now, whether to advise you to incur the expense of proving it before the Ordinary, or not. I will not act as executor, administrator, or guardian in any case, but that does not affect the matter at all.

If it becomes desirable to use the will, it will be a simple matter to take it with one of the witnesses, and go to the Ordinary and prove it up, in what is called common form at any time.

My present hope is, that when the hearing as to the rents has settled that matter, and Mrs. M. C. Sheek dies, or releases her life estate, there will be something coming to the heirs of Mrs. L. C. Sheek, and for that reason, the will may be important to you. Unless that will holds good, the heirs-at-law of Mrs. Sheek, will take anything that may be found coming to her, to the exclusion of the persons named in her will.

Very truly yours,
Balling Whitfield.

Petition

Georgia, Gwinnett County.

To the Ordinary of said county.

The petition of A. T. Patterson one of the co-administrators appointed on the estate of T. A. Patterson, late of said county, deceased, with B. L. Patterson, shows the following:

1.

That petitioner desires to resign as one of the administrators of the estate of said T. A. Patterson, deceased.

2.

The reasons for this resignation are as follows:

Petitioner has remained up to the present as a co-administrator with B. L. Patterson, merely in a nominal and non-active way, said B. L. Patterson being and having been since their joint appointment and qualification the active administrator in the administration of said estate, which has been practically completed, petitioner having very little to do in said affairs, other than as being free to consult with his active co-administrator, as aforesaid.

3.

There has now arisen dissatisfaction, complaints and litigation, which may be long drawn out, by the heirs

and distributes of said estate, and petitioner is unwilling to sacrifice his time and necessary attention to the perplexities and aggravations incident to the same. Being strictly business men, his everyday affairs demand his undivided attention.

-4-

Petitioner avers that B.L. Patterson the other administrator under appointment, bond and acting, is a suitable person, qualified, entitled to and willing to accept the trust solely.

-5-

Petitioner stands ready to account to his successor upon acceptance of this, his resignation by the court, as to his co-administrator.

Wherefore, your petitioner prays the usual citation in such cases Made and provided, citing the co-administrator, B.L. Patterson, and the next of kin of the intestate, to appear and shew cause why the order prayed for should not be granted, and petitioner relieved from his trust.

"Objections and answer"

A. T. Patterson,
vs
Mrs. Hattie Patterson, Mrs. Hattie Patterson, next friend, Gertrude, Thomas and D. C. Patterson, and B. L. Patterson, deceased,

Application of A. T. Patterson to the Court of Ordinary to resign as administrator of the estate of T. A. Patterson, deceased.
March Term 1916.

And now comes Mrs. Hattie Patterson in her own right and as next friend of her minor children, Gertrude, Thomas and D. C. Patterson, and files this her answer to the notice served upon her of the resignation of A. T. Patterson as one of the administrators of the estate of T. A. Patterson, deceased, and for answer says:

First.

That the said Hattie Patterson for herself and next friend of said minor children objects to the granting of the petition of the said A. T. Patterson as one of the administrators of the estate of T. A. Patterson, deceased upon the ground that he has not placed himself in a position to resign from such trust, for the reason he has not fairly settled his accounts with his proposed successor and filed with the court the receipt in full of such successor, as provided by the statute.

"Second"

Second because the said A.S. Gallemore has been actively participating in the administration of the estate of the said deceased, and receiving and handling its assets without ever having made returns of his acting and doings to the Ordinary of said county, showing what disposition has been made of any part thereof either by himself or his Co-administrator, nor what amount thereof is left in the hands of himself and his Co-administrator belonging to the heirs of said deceased, nor what amount has been paid out by himself and Co-administrator, to whom paid and for what purpose.

"Third"

Replying to the statement contained in the third ground of petitioner's application as to why he desires to resign from his trust this respondent says it is true "dissatisfaction", complaints and "litigation", which may be long drawn out" has arisen, but this condition of affairs is wholly due to the fraudulent conduct of the petitioner and his Co-administrator in the administration of the estate of said deceased, and that he should be retained in said trust until he has come to a fair, complete and satisfactory settlement with the respondent and her minor children, as heirs at law of said deceased, and shall have made a full and complete return to the Ordinary, accompanied by proper vouchers, showing what disposition has been made of all the assets that have fallen into the hands of himself and Co-administrator and what is left for distribution among the heirs, without being permitted to muddy the waters like a "cuttle fish" and then slip out without being held to a strict account-

ing, while this court has jurisdiction of him and the estate of the said deceased.

Wherefore, respondent for herself and her minor children objects to the granting of the petition of the said A.T. Patterson allowing him to resign his trust as such administrator for the reasons hereinbefore set out.

Petition

Georgia, Gwinnett County.

To the Honorable G. G. Robinson, Ordinary.

The petition of Mrs. Eva Johnston and W. D. Johnston respectfully shows to the court.

=1=

That they are the legally appointed administrators of the estate of M. A. Johnston, late of said county, deceased, and that the said M. A. Johnston left two minor children by his first wife, Sarah Johnston, who was a daughter of R. L. Petty, and that the said Sarah Johnston received from the Petty estate in acc, as shown by the record, the sum of $28.63, this amount being all that she receipted for or in anyway received. There is nothing to show how this money was used or where it was invested, if invested at all, but it was the expressed purpose of M. A. Johnston to pay each of his three children by Sarah Johnston the sum of One hundred dollars as they reached the age of twenty one, and this he did to his oldest child, W. D. Johnston, on his arriving at the age of twenty one, and his purpose was to do the same for each of the other two children as they become of age, which amount would more than cover the amount that Sarah Johnston received from the Petty estate.

=2=

Petitioners desiring to settle with the two minors, Arvil Johnston and Annie Lou Johnston just as their father had settled with W. D. Johnston, the older one as he become of age, asks an order approving the administrators paying to R. E. McDonald the duly constituted guardian of these two minors, the sum of One hundred each, this being the amount paid the older one by his father during his life, and that this amount be in full and complete settlement of any claim they may have or against the estate of M. A. Johnston

or the administration of his estate, Petitioners show that this is to the best interest of all parties at interest and that it is equitable and just to the estate and to the minors.

Wherefore, Petitioners pray your Honor to approve this settlement to such and purposes herein set out.

Eva V. Johnston,
W. D. Johnston,
Admrs of M A Johnston, Dec'd.

"Guardian's consent to Settlement"

As guardian of Arvil Johnston and Annie Lou Johnston, minor children of M A Johnston and Sarah Johnston, deceased, I hereby assent to the foregoing settlement and after examination of record think it just to all parties, that is the estate and the minors.

This December, 23rd, 1915.

R. E. McDaniel,
Guardian.

"Order approving Settlement"

Upon consideration of the foregoing petition and it being made to appear to the court that it is best for all parties that the settlement therein be approved, and it further appearing to the court that the guardian of the two minor children, Arvil and Annie Lou Johnston, assents thereto,

It is ordered therefore that said settlement be and the same is hereby approved.

This Dec. 23rd, 1915.

And now comes A. M. Brooks, a creditor of W. J. To the Ordinary of said county.

The petition of W. Oliver Cox, guardian of Bertha Lee Wells, Girlie Wells, and Ernest Wells respectfully showeth that he has been appointed guardian of the property of said minors above referred to, and that the whole of said corpus in his hands only amounts to about sixty dollars, being twenty dollars each for his wards, petitioner desires to encroach on this corpus for his oldest ward, Bertha Lee Wells, who is now nearly nineteen years of age, for twenty dollars, this being her part to supply her with the necessary clothing &c. that she is in need of at this time, that to do so she can obtain sufficient education that she may be able to be self sustaining, as she has no other property, or income to support her.

Wherefore, petitioner prays that he may be allowed to encroach for the amount above set out, being the distribution going to her held by him as her guardian, and which he believes will be to her best interest in better fitting her for making her support, as she is left now without a father or mother, and necessarily will have to labor in order to support herself, therefore ask that the prayer be granted.
