IN THE SUPERIOR COURT OF GWINNETT COUNTY CIVIL ACTION FILE NUMBER 22-AD-626 JENESSA MCKINNEY, Petitioner, v. TO ADOPT: KAREN ELISE SMITH NOTICE OF PUBLICATION

By order for service by publication dated June 24, 2022, Danielle Lorenza Lynn, you are hereby notified that on May 12, 2022, Jenessa McKinney filed a Petition for an Adoption of a Minor Child against you. You are required to file with the Clerk of Superior Court, and serve upon the Petitioner's Attorney, Crystal S. Wright, Esq. located at 490 S Perry Street, Lawrenceville, GA 30046 an answer in writing within thirty (30) days of the date of the order for publication. There is hearing set on your termination of parental rights on August 30, 2022 at 9:00 a.m. in courtroom 31 of the Gwinnett County Superior Court.

This is the 28th day of June, 2022. WITNESS, the Honorable Ronnie K. Batchelor, Judge of this Superior Court.

Deputy Clerk, Superior Court For: Tiana P. Garner, Clerk P. O. Box 880 Lawrenceville, GA 30046 901-75194 7/13,20,27,8/3,2022

NOTICE OF ADOPTION

To: Alicia Nicole Walker, legal and biological mother of a male child.

You are hereby notified that on March 28, 2022, a Petition for Adoption of a male child born to you on February 3, 2016 in Gainesville, Alachua County, Florida, was filed in the Superior Court of Gwinnett County, Georgia. Adoption No. 22-AD-00049-4. On July 13, 2022, the Court entered an Order scheduling a hearing upon said Petition for September 20, 2022 at 1:30 p.m., before Judge Laura Tate in Courtroom 3B of the Gwinnett County Superior Court, 75 Langley Drive, Lawrenceville, GA 30046.

All parental rights you may have with respect to the minor child will be lost and you will neither receive notice nor be entitled to object to the adoption of the child unless you appear in the pending adoption action and show cause as to why your parental rights to the child should not be terminated by adoption and as to why the adoption should not be granted.

To: The Gwinnett Daily Post185 N. Perry St Lawrenceville, GA 30046 legals@gwinnettdailypost.com

NOTICE OF PUBLICATION-Attn: Xiaofeng WANG You are hereby notified that on the 8th day of July, 2022 Plaintiff Frederick F. SEAGLE filed a Petition for Adoption of two unnamed minor females, E.W., born in 2013, and A.W., born in 2015, who are biological children and requesting for termination of your parental rights. You are further notified that the foregoing petition names you as the biological father of said children. As such, you are hereby advised that a hearing will be held regarding this adoption before the Honorable George F. HUTCHINSON, III, Judge of the Superior Court of Gwinnett County, Georgia

ADOPTION

to determine why the prayers of the Petitioner should not be granted. This hearing will be held following thirty days from the last date of publication. You are hereby notified that Georgia law provides that you can permanently lose your rights as a parent. If you fail to appear, the court can terminate your rights in your absence. A copy of the petition can be obtained at the Superior Court of Gwinnett County, 75 Langley Drive, Lawrenceville, GA 30046. If you are the parent, guardian, or legal custodian of the children named in the Petition, you are ordered to personally appear at any future hearing. If the court at the trial finds that the facts set out in the petition are true and that termination of your rights will serve the best interests of your children for them to be adopted, the court can enter a judgment ending your rights to your children. If the judgment terminates your parental rights, you will no longer have any rights to your children. This means that you will not have the right to visit, contact, or have custody of your children or make any decisions affecting your children or your children's earnings or property. Your children will be legally freed to be adopted by someone else. Even if your parental rights are terminated, (1) you will still be responsible for providing financial support (child support payments) for your children's care unless and until your children are adopted; and (2) Your children can still inherit from you unless and until your children are adopted. This is a very serious matter. You should contact an attorney immediately so that you can be prepared for the court hearing. You have the right to hire an attorney and to have him or her represent you. Whether or not you decide to hire an attorney, you have the right to attend the hearing of your case, to call witnesses on your behalf, and to question the witnesses brought against you. If you have any questions concerning this notice, you may call the telephone number of the clerk's office which is 770-882-8100. Submitted by Rebecca E. SALMON, Esq. Ga. BASE BID - The Work to be completed for this Project consists of furnishing all labor, materials, earthwork, construction operations, details, supervision and coordination of all trades, utility suppliers, governmental inspections, and approvals to complete the construction, installation, and coordination for the City of Decatur "McMillan Road Stormwater Improvements Project" as follows:

The City is having issues with the existing storm pipe and structures holding stormwater and ponding on the drawings. The existing proposed JB 1-H. In order to alleviate this issue, the Scope of Work will include demolishing the existing storm sewer system from proposed JB 1-I downstream to the creek through the City's adjacent property. An entire new Storm Sewer Outfall System will be installed in its place. The existing pipes have been TV inspected with varying results. The storm line upstream of JB 1-H is holding stormwater up to the existing grate inlet at the northwest corner of Winder Hwy. and McMillan Road. The Contractor shall excavate and replace the existing pipe crossing under the existing asphalt. The Contractor shall remove the existing pipe and replace with new RCP culvert and junction box adjacent to building or where buried junction box is located. Contractor will then investigate and cleanout the existing 36" RCP Box Culvert which appears to cross underneath the corner of the existing building. The existing grade in the northeast corner of Winder Hwy. and McMillan Road will need to be reconstructed and top made accessible with steps for access and clean out of downstream pipe. Contractor will also cleanout existing 24" RCP storm sewer line extending north from proposed JB 1-H underneath Winder Hwy. and Railroad to the existing asphalt adjacent to Hebron Church Road.

The Demolition scope also includes removing all asphalt pavement along McMillan Road from right-of-way of Winder Hwy. south to limits of removal as illustrated on the Drawings. The remainder of McMillan Road adjacent to the existing building where the existing 36" RCP Box Culvert ties into the 4-Way Stop at Church Street will be milled and repaved. A deep patch milling detail is included if any pavement areas need additional repair. The City's adjacent lot which is currently fenced can be used as a laydown area for construction. At end of construction, Contractor shall remove all existing pavement within the fenced limits and fine grade area to drain to new storm sewer weir inlets and stream buffer. Fence will need to be disassembled and stored until construction is complete and then reinstalled by the Contractor.

A new storm sewer outfall line and structures will be installed along McMillan Road and extend west down along the outside of the stream buffer until it can be discharged into the stream buffer as illustrated on the Drawings. A new junction box (JB) will be installed on the east side of McMillan Road adjacent to the existing building where the existing 36" RCP Box Culvert ties into the 4-Way Stop at Church Street will be milled and repaved. A deep patch milling detail is included if any pavement areas need additional repair. The City's adjacent lot which is currently fenced can be used as a laydown area for construction. At end of construction, Contractor shall remove all existing pavement within the fenced limits and fine grade area to drain to new storm sewer weir inlets and stream buffer. Fence will need to be disassembled and stored until construction is complete and then reinstalled by the Contractor.

All earthwork quantities for grading, pipe bedding, and backfill whether haul-in and/or haul-off are the responsibility of the Contractor to include in their Lump Sum Bid in order to complete the Scope of Work to the Owner. All quantities and measurements are approximate. Contractor shall visit the Site and determine his own quantities for bidding this project.

Contractor shall include in their Base Bid all costs for adjusting and relocating any water and gas services lines, meters, or valves impacted by new storm line installation in order to complete the scope of work as described by the Contract Documents and Drawings. Contractor shall coordinate with utility companies and relocate utilities as required to install new improvements. Contractor must be qualified with Gwinnett County in order to perform water line installation, relocation and repairs.

One lane of traffic and access to residential/commercial driveways must be maintained at all times un-til the City as stated above. Traffic Safety devices such

as signage, barricades, etc., and the protection of the public-at-large, and the Contractor's personnel is part of this contract and is the Contractor's sole responsibility. The Contractor will have Ninety (90) consecutive calendar days from the "Notice to Proceed" to finish and complete the project.

All materials and appurtenances required to complete this Scope of Work is the responsibility of the Contractor and shall be provided in his overall Bid. The Contractor must be an approved Contractor with the City of Decatur. A complete list of materials to be included in the Contractor's overall Bid. Bidder will prepare Asphalt prices for bid based on the current GDOT Asphalt Cement Price Index listed at the time of purchase. The difference in price between the GDOT Asphalt Cement Price Index at bid and at purchase will either be a change order to the Contractor or a Credit to the Owner. The GDOT Asphalt Cement Price Index is in accordance with Special Provision 109 (dated 2008), Section 400.5.01 Adjustments, the asphalt price index for the month of the Letting posted on the Georgia Department of Transportation Website.

existing utilities running along the west side of McMillan Road. McMillan Road will be regraded from Winder Hwy. right-of-way limits south to a new low limits which is created farther away from Winder Hwy. Curb & Gutter will be installed along the west side of newly regraded McMillan Road. A new Double Wing Catch Basin (DWCB 1-F-1) will be installed to drain stormwater from this low point with a 24" HDPE pipe installed to drain stormwater to outfall storm sewer at JB 1-F.

The remaining 48" HDPE storm outfall sewer will extend south to the stream buffer and turn west at JB 1-E and then continuing draining till it discharges into stream buffer at Headwall (HW 1-A). Contractor shall minimize disturbance within stream buffer and limit grading and disturbance operations to pipe, headwall, riprap installation only.

In addition, McMillan Road at limits of regrading near existing low point at stream crossing shall be milled and repaved as illustrated on the Drawings up to the 4-Way Stop at Church Street. Contractor shall document all existing striping and replace in-kind including but not limited to Railroad Ahead striping, street double centerline striping, and parking lot lines. Install eight (8) new concrete curb stop blocks at parking spaces to prevent damage to building. Existing DWCB's and storm pipe at low point near stream crossing shall be cleaned out and paved inverts installed to drain existing storm pipe and French Drain draining into existing DWCB on west side of McMillan Road near Station 3+10 needs to be cleaned out and/or replaced to drain low point area behind DWCB and existing house.

McMillan Road shall be repaved with Heavy Duty Payment Section of Work area adjacent to McMillan Road and Building shall be repaved with Standard Duty Pavement Section. Milled areas shall be milled 2.5" unless a deep patch section is needed (to be approved by Owner prior to additional milling and paving) and the repaved with tack coat, 1" of existing asphalt. Existing Course, and 1-1/2" Type 1 - F Mix (9.5 mm) Asphalt Surface Course. All new pavement repair shall have smooth transition with adjacent existing asphalt.

Erosion, Sedimentation, and Pollution Control Measures are part of the Contractor's Scope of Work. BMP's shall be installed on all existing and new storm inlets as well as Double Row Type 'C' Silt Fence along Stream Buffer. See Drawings for all BMP's to be installed. All disturbed areas will be permanently graded with Erosion Control Matting and permanent Bermuda Seed. Any disturbance adjacent to or within a homeowner's front yard shall be permanently stabilized with Bermuda Sod. Removal of all vegetation and trees within limits of work shall be included in Contractor's overall Bid unless otherwise illustrated on the drawings. Traffic access to streets and private driveways shall remain open at all times unless approved by the Owner. If road closure is granted, then Contractor shall provide Traffic Control Plan and all detour signage required in his overall Bid.

Contractor shall have a Site Superintendent on-site at all times while work is in progress to monitor, direct, and control construction activities. Superintendent in-charge shall be available to City, Engineer, and adjacent property owners to answer or direct questions concerning the project.

Owner reserves the right to waive any informalities and any technicalities, and to reject any or all bids. There will be a Pre-Bid Conference at Decatur City Hall, 442 Harbans Road, Decatur, GA 30019 at 3:00 PM local time on Tuesday, August 2, 2022. All bidders are strongly encouraged to attend this conference. Owner reserves the right to waive any informalities and any technicalities, and to reject any or all bids.
