bor, materials, earthwork, construction operations, details, supervision and coordination of all trades, utility suppliers, governmental inspections, and approvals to complete the construction, installation, and coordination for the Maple Creek New Playground Addition Project for the City of Decatur as follows:

The City of Decatur is currently making improvements to the Maple Creek Park Playground. The project consists of demolition of the existing playground and equipment and construction of new playground equipment, sidewalk improvements and all associated work, including clearing and grubbing, grading, side-walks, sediment and erosion control, drainage and landscape installation. All improvements are to be performed within the limits of the playground area unless otherwise stated on the Drawings. Clear and grub existing vegetation within the limits of disturbance except the areas within designated tree save area(s). All buffers and tree save areas are to be clearly identified with flagging and/or fencing prior to commencement of any land disturbance activity. Demolish, remove, relocate store, stockpile the existing built items as illustrated on the Drawings, and perform any incidental demolition which may be required to accomplish the improvements illustrated or implied within the Drawings. Materials, equipment, and fixtures to be removed, which are not noted for reuse, or which have not been designated by the Owner for retainage or delivery to his warehouse or holding area (s) become the property of the Contractor and shall be promptly removed from the site. Any disposal of said material shall be done so legally.

Render the entire cleared site free of demolished remnants, debris, and other items or conditions having a deleterious effect on the continued construction of the project. All existing concrete paving that is to be demolished shall be demolished and removed to earth sub-grade. Demolished material to be disposed of legally, off site.

New 4" wide concrete sidewalk will be installed around the entire playground area to provide pedestrian connectivity from the existing onsite sidewalk to the existing asphalt path immediately south of the playground area. Contractor is responsible for all construction and materials needed to complete sidewalk installation as illustrated on the Drawings. Sawcut smooth line between portions of sidewalk, curb and gutter or pavement to be demolished and removed and the remaining portions. All disturbed areas outside of limits of pavement, curb and gutter, and sidewalks shall be stabilized with permanent Sod grassing.

If at any time during construction water or sewer utilities are encountered, all coordination with Gwinnett County Water and Sewer Department is the responsibility of the Contractor.

Provide all temporary traffic safety devices including but not limited to barricades, signage, lights, or flagmen to protect the public at large.

Do not put any equipment, materials, or debris on any adjacent property, except as specifically illustrated on the drawings. Do not bury any clearing and grubbing debris or demolition debris on site.

No burning permitted on site.

The Contractor will have Ninety (90) consecutive calendar days from the "Notice to Proceed" to finish and complete the project.

All materials and appurtenances required to complete this Scope of Work is the responsibility of the Contractor and shall be provided in his overall Bid. The Contractor must be an approved Contractor with the City of Decatur. A complete list of materials should be included in the Contractor's overall Bid. The Contractor will be required to submit a schedule of values when awarded the Contract.
