In the Matter of Milda England Et. al
vs
James P. Phillips & David P. Phillips, Admrs. } Citation for Settlement

And now comes the Defts, Jas P. & David P. Phillips, Admrs &c. and for cause why they should not now be forced to a final Settlement of their acts as such showeth — 1st That all the available effects which have come into their hands as Admrs of D. R. Phillips, dec'd, have been paid in the regular Administration of said estate, to the creditors of the same in payment of the necessary expenses thereof & by distribution of the surplus above these charges, pro rata, among the heirs of said dec'd
2d because respondents have not collected all the debts due to said estate they now holding a claim of a considerable sum in the form of fi fas, in favor of themselves as Admrs vs Ezekiel Matthews, which said fi fas, have been levied upon land to which a claim has been

filed & the collection thereof thereby hindered & delayed, In addition to this respondents showeth that there are other claims in their hands belonging to said estate upon which they have as yet been unable to realize any thing, though they have reason to expect to do so partially hereafter, A. L. Hutchins
Atty for Admrs.

And for further answer to said Citation these Defts by way of Amendment to the cause shown say that in Dec, 1874, at the time of the sale of the Land belonging to said estate, The Terms of which was cash, the parties in interest in said Estate including the said Milda J. England, & excepting said Milda Martin, agreed & requested these Defts as such Admrs to credit the purchases of said lands, provided they were the heirs & Distributees for 12 months from the date of said sale, That in pursuance of said agreement & request these Defts, did indulge & credit Mrs. S. J. Garner one of the Distributees who had bid off a tract of said land at the price of hundred & Dollars & that in consequence of the Depreciation of the property so bid off by her & to which alone they could look for the purchase money they lost of the ammount so bid by her the sum of Seven hundred dollars or other like sum wherefore they say that they ought not to be held to any of the Distributees so consenting as aforesaid for any part of the amount so lost as aforesaid & prays Judgt &c.

And Defts further say, that said Milda J. England during the lifetime of the Intestate received & accepted from said intestate her father horse bridal & Saddle valued at one hundred dollars as an advancement and for which she should account in the settlement of said Estate wherefore they pray Judgment &c. ——

The deposition of a witness

of the complainants in the above entitled
cause, taken before me, Benjamin D.

of the Superior Court of Cook County, at
my office in Chicago on the 31st day of
December A.D. 1874 pursuant to an Order
of reference heretofore entered in said Cause
& to the notice hereto attached, the complain-
ants appearing in person & by his Solicitors
Cooper Garnett & Packard, Engineers,

John E. Onsley complainant being produced
sworn & Examined on the part of himself
deposes & says: My name is John E. Onsley
Age 51 years, Occupation, General

business and residence, Chicago Illinois
I am the complainant in this case.
I am acquainted with Agnes J Howell and
Singleton S Howell who are two of the
defendants in this case. They have six
children. Their ages range from twenty
down to Seven years. I cant give their ages.
Their names are. Edna E Jones (married)
Dora Howell. Harry Howell. Susie
Howell. Frank Howell & Lida Howell.
The deed marked Exhibit "A" now shown
me is the trust deed mentioned in the bill
of Complainant in this cause the inter=
lineations found in said deed were made
before Execution & delivery and it is in
the precise condition that it was when
it came into my possession. I have sold
all the land mentioned in said deed of
trust according to the conditions of the
deed of trust.
Witness examines a copy of a deed intro=
duced in evidence as "Exhibit B" and
says it is a certified copy of one of the
deeds. He gave a part of the land in
question, & made a deed for the other
part of said land. The contents of said
deed were the same substantially as the
deed marked "Exhibit B" except the de=
scription of the property & the name of
the grantee, in said deed for the other
part of the land. The land described was
the North west quarter of Section twenty one
(21) township thirteen North range (3) East
of 3rd P. M. being in Shelby County Illinois.
& the name of the grantee was Amber Abraham
I gave the grantee the deed & he has since
moved the land & my deed is not
recorded - Said grantee has since moved
out of the County & I could not find
where he was.
The Shelby County lands was sold

the latter part of 1863. bearing interest

at which time I paid out Taxes

because I only received 6 per cent
interest for the first four years & five
months on the sum of 600

1702.40 leaves 1649.40
Which is to be added the sum of 67.20
Making a total of 1716.60
received by me on said Sale to said Abraham
said 67.20 was the extra 2 per cent interest
on the sum of 1680.00 for two years said
sum of 1680.00 being the time Payments on
said Sale to said Abraham. The Cash payment on the Sale to Abraham was 600.00
remainder was payable in One & two years
with either eight or ten per cent. I am not
certain which but the foregoing Statement
charges one with ten (10) per cent Abrahams
time payments. I counted as promptly paid
and I have counted the money as at interest
at 6 per cent ever since. Although I have
not received that much on it.
The land in Piatt County was sold in the

paid making thereby interest

Making the total Amount of
principal & interest received
on said Sale to Scott - $248.00

The total amount of Principal

I had in the bank at the
time of the fire Oct 9th 1871. $5.100.00, 2300.00
of which I owned was withdrawn for two mos
and 2800.00 of which I did not withdraw
for one month and a half. The reason why
I did not withdraw said Amounts during
said times was because the bank was
not able to pay me on account of the great
fire, & consequently I lost the interest on the
sums above named for the times mentioned
and I have not charged myself with any
interest for the same. The said bank was
in good repute & good Standing & it was
no fault of mine that I was not able to with-
draw said sums of money.
I paid to Mrs Agnes L. Morell & One
of the defendants in October 1863
the sum of $ 20.00

July 1st 1873 — 75.00
I have traveled from Chicago to Shelby County twice especially to attend to this business spending four or five days each time. I have made One or two visits to Piatt County & my time has been occupied at various times in attending to the Sales, loaning money. Corresponding about Taxes, collecting the Money, collecting the interest on it & general attention to the business which it required — In my Opinion my Services have been worth 1000.00
Making the total of payments charges against said fund — of $2214.60 the sum of 2238.94

Whereby there is left in my hands to be accounted for out of said fund the sum of 1005.66
All my papers except a few memoranda relating to this trust were destroyed by the great fire of Oct 9th 1871. & I may not therefore be exact in the figures I have given. But I am satisfied I have made the Statement of accounts altogether in the favor of Mrs Agnes J Stowell.
Both Agnes J. Stowell & her Husband as husband joined in both the deeds above mentioned. She signed in her own proper person the two conveyances. The Defendants live in Dubuque in the State of Georgia & I think the Defendant Singleton J —

Howell an unexceptionable person to succeed me as trustee, he is honest industrious, upright sober man, a good business man. Since the filing of the bill in this case I have made other calculations in relation to this trust and have made it more favorable for Mrs Howell than it was stated in the bill. I was anxious that she should have the full benefit of all doubts created by the lives of the papers relating to the trust and have consequently made it as liberal —
